M. E. CONFERENCE NOTES .- The annual sessions of the Central Pennsylvania conference held at Shamokin the past week were largely attended and exceptionally interesting. Of particular interpart of the report of district superintendent S. B. Evans, of the Altoona district, which refers to the church work in Centre county during the past year.

In his report Superintendent Evans stated that Waddle church was re-roofed, and the cost, \$100, has been paid. A new roof protects the parsonage, where a fine hot water plant was installed, making very comfortable this country home. Rev. F. A. Lawson collected the money for these improvements, and the bills, amounting to \$496, are all paid and \$25 is in the treasury. On Pleasant Gap charge the Weaver church was repaired. The bills, amounting to \$200, are paid. H. K. Ash and C. C. Shuey preached on reopening day, and gave valuable service in raising the money needed. The parsonage on this charge was painted and the bills are paid. Pennsvalley charge repaired the walk and steps at Spring Mills church, put a furnace in the church at Millheim, and made necessary repairs to the parsonage. The total cost was \$131 and has been paid.

The contributions for benevolences were as follows: Foreign missions, \$6,-746; home missions, and church extension, \$6,000; conference home missions, \$583; annuity, \$659; education, \$1,000; Goucher college, \$1,100; Sunday schools, \$666; Freedmen aid, \$804; Bible society, \$200; temperance, \$124; general conference expense, \$229; Methodist hospital, \$336.

There have been paid on improvements to property, \$11,023; on new churches and parsonages, \$12,315; on debts, \$7,414. The present indebtedness is \$58,986.

The total conversions reported for the Altoona district were 4,850, and of this number Centre county churches reported as follows: Bellefonte 180; Osceola Mills, 159; Port Matilda, 104: Pleasant Gap, 91; Snow Shoe, 82; Halfmoon, 61; Karthaus, 52, and Pennsvalley, 52. Practically all the above either were admitted to full membership or joined the church as probationers.

On the invitation of Rev. W. P. Shriner the conference voted to meet in the Eighth Avenue Methodist church, Almeet there in 1917.

The final session of conference was held on Tuesday morning when Bishop William Burt read the appointments. There were many surprises for the three hundred or more ministers as a large number of changes were made. Bellefonte was favored with the return of Dr. Ezra H. Yocum; Rev. D. J. Frum was moved from Pleasant Gap to Allegheny (supply); Rev. George M. Glenn from Philipsburg to the First church, Tyrone; Rev. Horace Lincoln Jacobs was made superintendent of the Williamsport district, while Rev. Morris E. Swartz was returned to the First church of York. The appointments for the Altoona district are as follows:
