Bellefonte, Pa., June 11, 1915.

TO CORRESPONDENTS -No communications aublished unless accompanied by the real name of the writer.

THINGS ABOUT TOWN AND COUNTY.

-The sixth annual reunion of the Tressler family will be held on the fair ing both men out. Cochrane escaped grounds near Bellefonte on Saturday, June 19th. All the friends are cordially invited to attend.

--- The State College commencement body will now be able to give all their spare time to booming the Centre county Old Home week.

-A little son was born to Mr. and Mrs. Harry Keeler on Sunday and, it being their first born, the young parents can naturally be expected to be a little proud over the increase.

-A little son arrived in the home of Mr. and Mrs. Wallace H. Gephart on Friday night, making a son and daughter in their little family. The child has been named Francis Thomas Gephart.

---On Tuesday twelve large touring cars were lined up in front of the Bush house, while their occupants had dinner. Most of them were on their way to State College for the commencement exercises.

-- The Bellefonte Lodge of Elks will celebrate flag day at their home on High street at 8.30 o'clock on Monday evening. Dr. Robert Mills Beach will make an appropriate address. The public is invited.

-While walking through a room last Saturday Mrs. A. Wagner, of Bishop street, had an attack of vertigo and fell to the floor, injuring her right arm and shoulder so badly as to render them helpless for the time being.

-Miss Anna Shuey will again return to Bellefonte with the Patton prize which has been awarded her in her junior year at Carlisle college. This prize of twentyfive dollars has been given Miss Shuey for her general high standing in the class.

-It required two special trainsdouble headers with ten cars each-to transport the students and commencement guests at State College east over the Bellefonte Central division of the Pennsylvania railroad yesterday afternoon.

-The George A. Beezer agency has sold so far this summer twenty-four new Studebaker cars, the majority of which went to farmers throughout the county. A large number of new Ford cars have also been sold in the county, as well as quite a number of the higher priced cars

a lecture will be given at the Scenic on the Panama canal by George W Nill, a government inspector at Panama. The at a hair-raising speed. The first car lecture will be illustrated with two thous- struck the rear end of Grove's car sendand feet of motion pictures, and an ad- ing it to the side of the road and spinning in every particular, and one that any-

----While engaged in building a chim ney at Mr. Shope's new house on Thomas street, last Friday, William Wolf undertook to move a ladder when it slipped and fell, hitting him on the side and fracturing several ribs. He is getting Young Longwell was badly bruised on the few days.

-Word has been received in Bellefonte of the recent marriage in Sydney Australia, of James Blaine Fiedler, a son of the late J. A. Fiedler, and Miss Dorothy Webb, of Sydney. The bridegroom has a number of relatives and friends in Bellefonte who have nothing but best wishes for his future happiness.

-Mrs. James Coburn is critically ill at her home on North Allegheny street, having been in ill health before going to Philadelphia several weeks ago, the visit being made hoping the change might improve her condition. Mrs. Coburn was not considered seriously ill until Sunday has alarmed both her family and her physicians.

An operation performed that evening dislook for his prompt recovery.

-Basil J. F. Mott, son of Mrs. Odil lie Mott, of this place, graduated in pharmacy from the Medico-Chirurgical College, Philadelphia, last Thursday with high honors. He was one of a class of thirty-five and won a gold medal for the high est general average in the Senior class. He ni association, which is equivalent to ticular time because of the anxious seafive dollars annually. Last year Basil won a gold medal for the highest general average in the Junior class.

---While construction work at the new penitentiary was resumed by the Thompson Starrett company last Thursday, up to the present time the State has not put on any men on state work, using only the prisoners in the work now being done. There are now over two hundred prisoners at the penitentiary and the entire number are kept busy on Roads day was the repair of Bishop street the farms, at road making, the lime from Allegheny to Spring. The work and sand stone quarries, and up in Mctentiary's water supply.

AUTOMOBILE ACCIDENTS.—On Saturday lege, and C. E. Shuey, jeweler, were returning home from a trip to Bellefonte and when about a mile and a-half this side of Lemont Cochrane, who was driving his own car, attempted to pass a car driven by Harry Resides without signalbut got into the ditch and the car zigzagged for quite a distance when a wheel tiew off and the car overturned, throwwith slight injurles but Shuey lit on his face and sustained a broken nose, a cut on the forehead that required seventeen stitches to close, bad bruises on the face is now a thing of the past and every- and a badly sprained wrist. The men were picked up and taken home by passing cars.

> On Sunday morning Mr. and Mrs. Milton S. Kern with J. P. Harbold and Miss Hester McGinley left Bellefonte in Mr. Kern's car for a drive to Nittany mountain. When they neared the narrow gauge railroad of the Whiterock quarries Mr. Kern looked for a train but his vision east was cut off by another car that had just crossed the track and supposing the way clear he kept on. As soon as the other car was out of the way he saw a draft of stone cars being shoved up the track and within a short distance of the crossing. It was impossible to stop and he threw on more power hoping to clear the crossing but the cars struck the machine right in front of the rear wheels. All the occupants of the car were thrown out and the car shoved around. Mr. Kern either jumped or was thrown free of the car, while Mrs. Kern out. Mr. Harbold and Miss McGinley were also thrown out. Mr. Harbold had the next to the little finger of his left hand broken in two places and sustained a number of bruises. Miss McGinley was also more or less bruised. Mrs. Kern was badly bruised on the body and by early autumn. shaken up while Mr. Kern was badly bruised on the left hip and leg. Fortujured. The car, however, was badly wrecked. As evidence of the weight of overturned and four others derailed. It are no worse.

County Commissioner D. A. Grove's automobilist who ran out of gasoline at Dale's school house went to Mr. Grove's home in quest of the liquid fuel. Mr. Grove had some to spare and his son Edwin and Malcolm Longwell took a can of it in the car down to the stranded machine. The gas had been transferred -Next Tuesday evening, June 15th, and the two young men were already in the car to start home when two cars from State College came dashing along mission of only ten cents will be charged. along for a distance of almost one hundred feet where it struck a telephone pole and was overturned. Both boys were thrown a distance of twenty feet and landed on a rock. Young Grove had one of the bones in his left arm broken right side and hip, but so far as known escaped without any broken bones, but it was a miracle both were not killed. The machine was badly wrecked. The speeding motorists never stopped and as soon as Mr. Grove got word of the accident he telephoned to the Bellefonte police to look out for a machine with the right fender smashed, but the driver evidently feared arrest and did not come too severe for such recklessness.

--- A. G. Cramer, as a committee of when a heart weakness developed which one, came over from Clearfield on Monday evening to inspect Bellefonte's new High school building. Clearfield is figuring -Clarence Rhoads was stricken with on the erection of a new \$75,000 building appendicitis while at work at the Brock. and naturally the school board is anxious erhoff house on Monday morning and was to get the most up-to-date design they at once taken to the Bellefonte hospital. can, as well as get the full benefit of the money expended. Miss Anna Keichline then supervise the erection of the building.

----Mrs. Isabel Worrell Ball will speak in the court house on Tuesday evening, June 15th, at 8 o'clock. Her subject, "The United States Flag," should esalso won a life membership in the Alum. pecially appeal to everybody at this parson through which our nation is passing. Mrs. Ball brings with her a number of flags illustrating the development of our national emblem which she will display during the evening. The audience will be the guests of the Bellefonte Chapter D. A. R., so no charge for admission will be made. Seats will be reserved for the G. A. R. and all other soldiers. The public is cordially invited to be present.

-One of the results of the Good that was started that day has been com- drowning them. The farmer is now Bride's gap where the big impounding pleted by the borough and there will be considering a suit for damages. At least, dam will be built to conserve the peni- no mud holes on that thoroughfare for that is one of the fishing stories told at

-Last Saturday evening justice of night D. C. Cochrane, chemist at the Col- the peace W. H. Musser got a bad fall down two steps, which lead from the tion on Tuesday evening chairman bathroom to the hall in the home he now occupies on east Howard street. While no bones were broken he was badly bruised and it is feared some of the ligaments in his leg are torn. As he is ling for part of the road. He turned out not as young as he used to be it is feared

-You don't have to stay away from the Scenic because the weather is a little warm. Every arrangement has been made to have the room as comfortable as you will find it anywhere; and then you forget all about the heat in your interest in the motion pictures. Manager T. Clayton Brown always makes it a point to have pictures that his audience will watch from beginning to fend, no slow-going, sleepy affairs. That's what you see at the Scenic.

-The Centre county association of Philadelphia in sending out card invitations for their twelfth annual basket picnic at Belmont Mansion, Fairmount park, on Saturday, June 19th, states that the third Saturday in June has been selected and "that will give you time to get rested up so you can get off to Bellefonte. Badges are being prepared for members attending Old Home week and can be secured at the picnic," if proper notification be given the secretary.

-Work was begun this week on the erection of the new Bald Eagle and Nittany valley Presbyterian church at Mill Hall to take the place of the one destroywas partially pinned under the ruins, but ed by fire last summer. Miss Anna her husband succeeded in getting her Keichline, Bellefonte's talented young woman architect, made the design and drawings for the new church and will oversee its construction. The plans provide for a brick edifice with stone trim. mings and will cost about \$10,000. It is to be completed and ready for occupancy

-A number of the older students of nately none of them were seriously in the Pine Grove Mills Academy met in 'Squire Musser's office on Tuesday evening to make preliminary arrangements the impact two of the stone cars were for a reunion this year, and it was decided to hold the same in Bellefonte on was a narrow escape for the entire party Tuesday, July 6th, during the Centre and they are all thankful their injuries county Old Home week. Further details will be worked out and published next week. In the meantime Capt. W. H. car was badly wrecked on Sunday even- Fry, of Pine Grove Mills, would like to ing by a reckless, dare-devil driver. An hear from all old students who are interested and will probably attend.

> -John Sebring Jr., made a trip to Flint, Mich., the latter part of last week where he purchased a car load of Mitchell cars, for which he has taken the agency, having given up the agency for guest of J. C. Markle. the Overland car. Among the cars purchased is the Mitchell Six which will | be given away the evening of the last day of the Centre county Old Home week. It is a handsome, up-to-date car body in Centre county who is furtunate enough to get it, can feel proud of.

---The executive committee of the Central Pennsylvania district Firemen's associatiation met in Philipsburg last Thursday and selected August 26th and 27th as the dates for holding the annual firemen's convention in that city. The Philipsburg firemen are enthusiastic in planning arrangements for the convention and anticipate having one of the best gatherings in a number of years. One innovation will be introduced by the Johnsonburg and Lindsay fire companies, which will camp at Philipsburg for an entire week

-Up to the present time ho trace this way, probably going through to Lock has been secured of John Behrer, the Buf-Haven or Williamsport. As it was too falo Run farmer and stock dealer who dark to get the number of the car the mysteriously disappeared from Centre identity of the driver is unknown, but if county on April 8th. While some people he can be discovered no punishment is incline to the belief that he made his way to Canada, it is merely a supposition as they have nothing tangible to support any such contention. Had the earth suddenly opened and swallowed him whole, then closed up again, his disappearance could not have been any more complete than it appears to be now. Bank, and Howard Sargeant. And so far none of his friends seem to have any suspicion of foul play.

-A number of Bellefonters attended closed his case to be very acute and for has submitted plans for a building and the summer opening of the Fairbrook two days his condition was quite serious. if he has not already done so J. Robert Country club at Pennsylvania Furnace Yesterday, however, there was a decided Cole will also be invited to submit plans. last Friday. Fully one hundred members improvement and there is good reason to But what the Clearfield people most de- and guests were present from Tyrone, sire is an architect to give them suitable Altoona, Huntingdon and Bellefonte. The plans estimated to within their limit and Fairbrook club is located in the old Lyon homestead, one of the most beautiful in that valley, and the members have also constructed an artificial lake for boating. They have leased from twelve to fifteen miles of Spruce creek as a fishing preserve and are conserving their trout supply by making ten the limit of a day's catch. And that it is having its results is proven in the allegation of members that it is no trouble to catch the limit any day within an hour. In fact the story was told at the club on Friday that in the meadows of the old Oliver farm, where there is a succession of deep pools, the trout are so numerous and large that a few days previous several of the farmer's lambs wandered down to the stream to slake their thirst with the sparkling water and while they were about it trout jumped out of the water, grabbed the lambs by the nose and pulled them into the creek with their heads under water,

OLD HOME WEEK POTPOURI.- At a meeting of the Old Home week associa-Blanchard stated that arrangements had been made to secure the rooms in the Crider stone building, at one time occupied by Dr. Harris as offices, as a permanent headquarters for the association. These will probably be openhis injuries may house him up for some ed early next week with G. Wash Rees as resident secretary and a competent stenographer in charge. All matters pertaining to the Old Home week can be transacted there free of charge. The rooms will also be kept open during Old Home week.

Mr. Blanchard also reported that a new 1916 model Mitchell car had been purchased and would be given away on the evening of the last day of Old Home

John J. Bower reported that he had sent out invitations to thirty-six fire companies to take part in the firemens' parade on Monday, July 5th, but had not had time to hear from any of them yet. He presented a list of prizes which he suggested as being the proper inducement to offer.

J. Frank Smith, as chairman of the Music committee, stated that arrangements had been made to have the Philipsburg band here two or three days; the Tyrone P. R. R. band for concert work; Our Boys band of Milesburg, and bands from Aaronsburg, Boalsburg, State College, Howard and the Coleville band, on various days, while the I. O. O. F. band from the Sunbury orphanage will be here from Sunday until Thursday morning.

Dr. R. L. Weston stated that the athletic events he expects to pull off on Saturday, July 3rd, are rounding into shape, though he would like to have the young men of Bellefonte show the same interest as is shown by the youth of other towns. In Unionville sixteen young men are now in training; Blanchard has twenty, while Snow Shoe and State College have a number. Dr. Weston said he had arranged for an exhibition with the national champion cross country runner and with the one legged jumper, who has a record of seven feet. Tennis tourna-ments will be held and other athletic

But the time is drawing close and if Bellefonters want a real big Old Home week with something doing all the time considerable hard work remains to be done, and it behooves one and all to get busy now.
