STATE FORESTRY WORK.—During the spring of 1915 the State Department of Forestry planted a total of 4,315,371 seedlings and transplants of trees native to the various sections of the State in which the work was done. In Centre county and contiguous territory 269.67 acres were seeded and transplanted at a total cost of \$3,282.42. The districts in which the seeding and transplanting was done with the warden in charge are as follows:

- Bald Eagle, E. H. Smith—4,000 three year old white pine.
Bear Meadows, W. D. Ludwig—15,000 one to two year old white pine, 20,000 willow.
Karthaus, N. R. McNaughton—56,000 three year old white pine; 35,000 two year old; 45,800 one to two year old; 149,000 two year old Norway spruce and 7,100 European larch.
Nittany, L. G. Barnes—25,000 one to two year old white pine.
Penn township, C. R. Meek—100,000 two year old white pine, 10,000 red oak.
Seven Mountains, W. E. Montgomery—80,000 two year old white pine; 800 one to two years old; 10,000 two year old red pine, and 2,500 one year old; 1,900 Scotch pine; 9,300 one to two year old Norway spruce; 1,300 European larch; 1,200 Douglas fir, and 10,000 red oak.
Snow Shoe, G. W. Sheeler—25,000 three year old white pine; 1,000 European larch.

From the above it will be seen that the grand total of seedlings and transplantings in the territory referred to is 609,000.

WILL ENTERTAIN WHOLE WEEK.—The citizens of Lock Haven have been working for six months to get up the biggest celebration in the history of the city during the week of August 23rd, and everything is ready to show visitors a good time in the way of attractions and entertainment. The program of day events includes aeroplane flights, balloon ascensions and parachute drops, trotting and pacing races, band concerts, athletic events, base ball games, midway attractions, etc., with a decorated automobile parade Monday evening; home-comers parade and reception Tuesday evening; baby and doll parade Wednesday, which will be well worth seeing; live stock and industrial parade Thursday evening, when some of the finest horses, cattle, sheep, dogs, etc., with elaborately decorated floats and vehicles ever seen will pass in review, and lastly the parade of Red Men and fanatics on Friday evening, in which many tribes from other places, with bands, will take part and compete for the prizes offered.

EVERYBODY IS cordially invited to partake of the cordial hospitality of Lock Haven's people on this gala occasion.
—Our Boys band of Milesburg will hold their big mid-summer festival on the green at Milesburg tomorrow (Saturday) evening, and all who attend are assured of a good time. While the members of Our Boys band will be engaged mostly in looking after the wants of the crowd, they will play one or more pieces in their own particularly pleasing manner. But there will be no lack of music, as both the Howard and Runville bands will be present and take turns in discoursing patriotic airs while the guests fill up on ice cream and cake. No personal invitations are being sent out. This is a purely public affair and the public is invited. The more the merrier the crowd will be.

—Among the many good things that Lock Haven is promising for its Old Home week there is one that Centre countyans can heartily commend, and that is J. E. Richter in his daily aeroplane flights. Aviator Richter made seven ascensions during the Centre county Old Home week and his flights are as graceful as a bird, with just enough daring connected with them to give a crowd the kind of a thrill that will make them long to see them again. Mr. Richter is also a very agreeable and courteous gentleman.

—Appropriate memorial services will be held in the Baptist church at Milesburg, at three o'clock on Sunday afternoon, to the memory of Lester McClellan, a member of Our Boys band who died from diphtheria shortly after the Centre county Old Home week. On account of the contagious nature of the disease no funeral service was held at that time. Rev. S. S. Clark will have charge of the memorial services on Sunday and Our Boys band will attend in a body.

SMITH.—Mr. and Mrs. Witmer W. Smith are mourning the death of their infant son, Malcolm Witmer Smith, who died on Sunday of catarrhal bronchitis. He was one month and twenty-four days old. The funeral was held on Tuesday afternoon, the remains being taken to Centre Hall for burial.

OSMER.—Following a general breakdown in health on account of his advanced age Edward G. Osmer died at his home in Bush's Addition at an early hour last Saturday morning.

He was a son of Reuben and Catharine Osmer and was born at Filmore on February 13th, 1834, making his age 81 years, 5 months and 22 days. He followed farming all his life until his retirement a number of years ago. He was a member of the Methodist church and an exemplary citizen.

On March 6th, 1856, he was united in marriage to Miss Lydia Eckenroth, who died last October. Surviving him are the following children: John J. Osmer, of California; Alfred G., of Lincoln, Neb.; Miles E., of Oberlin, Ohio; Clarence H., of Somerset; Charles H., Mrs. A. Hibler and Mrs. Horatia Williams, of Bellefonte. He also leaves one sister, Mrs. Clark, of Bellefonte.

Funeral services were held at his late home at two o'clock on Monday afternoon by Revs. Yocum and Shuey, after which burial was made in the Union cemetery.

HOWLEY.—William Joseph Howley died at the home of his sister, Mrs. Harry C. Taylor, on Penn street, at four o'clock on Saturday afternoon, following a prolonged illness with Bright's disease.

He was a son of John and Catharine Howley and was born in Bellefonte on June 25th, 1860, making his age 55 years, 1 month and 12 days. Practically his entire life after he grew to manhood was spent as a clerk in hardware stores. He was a member of the Catholic church and a charter member of Bellefonte Council No. 1314, Knights of Columbus.

In April, 1890, he was united in marriage to Miss Christina Ceader, who preceded him to the grave several years ago. Surviving him, however, are one brother and two sisters, namely: Thomas Howley, Miss Ella Howley and Mrs. Harry C. Taylor, all of Bellefonte. Funeral services were held in the Catholic church at ten o'clock on Tuesday morning by Father McArdle, after which burial was made in the Catholic cemetery.

MCDERMOTT.—After being an invalid most of her life Miss Susan McDermott died at 1.30 o'clock last Friday afternoon as the result of an attack of Bright's disease.

She was a daughter of John and Elizabeth McDermott and was born in Bellefonte on July 20th, 1868, making her age 47 years and 17 days. She was a consistent member of the Catholic church all her life and was highly respected by all who knew her. Surviving her are the following brothers and sisters: C. K. McDermott, of Charleston, W. Va.; Mrs. James Burns, of Snow Shoe; Mrs. John Sweeney, of Pittsburgh; Mrs. A. W. Harris, of Vineland N. J.; Misses Josephine, Julia and Marjorie, and James and John, of Bellefonte.

Funeral services were held in the Catholic church at ten o'clock on Monday morning by Father Caprio, after which burial was made in the Catholic cemetery.

EVERHART.—James Everhart, a well known and highly respected citizen of College township, died at his home on the Branch at five o'clock last Thursday evening, after two week's illness as the result of paralysis.

He was a son of Benjamin and Margaret Johnson Everhart, pioneer settlers in that locality, and was born at the old homestead on July 21st, 1850, making his age 65 years and 15 days. His entire life was spent upon the farm on which he was born. He was a good neighbor and a man esteemed by all who knew him. He is survived by one brother, Alexander Everhart, of Altoona, and a number of nephews and nieces.

Funeral services were held at his late home at two o'clock on Saturday afternoon by his former pastor, Rev. W. K. Harnish, after which burial was made in the Branch cemetery.

CATHERMAN.—Mrs. Sarah Jane Catherman, widow of Frederick Catherman, died at her home in Millheim on Thursday of last week of general debility. She was a daughter of Philip B. and Elizabeth Musser and was born in Gregg township, being at her death 82 years, 5 months and 15 days old. She is survived by one son, W. P. Catherman, of Millheim. She was a faithful member of St. John's Lutheran church of Millheim for many years, and Rev. Kurtz, of Centre Hall, had charge of the funeral which was held in the church on Monday, August 9th, burial being made in the Fairview cemetery.

HARTMAN.—Mrs. Frances Hartman, widow of Frank Hartman, of Williamsport, died at the home of her daughter, Mrs. J. Clair Hickoff, in Lock Haven, last Wednesday evening. Her maiden name was Frances Brickley and she was born at Romola, this county, on March 16th, 1857, hence was in her fifty-ninth year. She is survived by two sons and four daughters, as well as six brothers and one sister. Burial was made at North Bend on Saturday morning.

CROTHWAITE.—Dr. Benner Herbert Crothwaite died at his home at Niles, Ohio, last Thursday, following an illness of some months. He was a native of Bellefonte and was sixty-two years old. He leaves his wife and three children, one brother and a sister. Burial was made in Niles on Monday.

FOOT CUT OFF IN MOWER.—Sumler Wentz, the twenty year old son of Mr. William Wentz, of Aaronsburg, had his left foot cut off by a mower, right at the shoe top, on Friday morning of last week, while assisting farmer James Geiswhite in his oats field.

The oats had been knocked flat by recent rain storms and it was impossible to cut it with a binder, consequently the mower was being used. Mr. Nichol, a young man who has been an inmate of the Geiswhite home for years, was driving the team hitched in the mower and had a partially broken colt on the off side.

The colt was inclined to lag behind and was more or less troublesome in making the turns. At the corner where young Wentz was working the colt became rather fractious and Wentz took hold of its bridle and led it around. He then gave it a slap on the side to make it go, expecting to jump out of the way of the cutting bar, but the colt gave a plunge and the bar caught the young man's left leg cutting off the foot as clean as if done with an axe.

The leg was bound tightly to prevent loss of blood and as soon as possible he was brought to the Bellefonte hospital and an operation performed to properly dress the injured leg. He is now getting along all right and if no complications arise the leg should quickly heal.

ROUSE—BULLOCK.—Miss Margaret Bullock, second daughter of Mr. and Mrs. Forrest Bullock, of this place, was married in Baltimore at four o'clock last Saturday afternoon to Birkhead Rouse, a prominent young business man of that city. The bride is a graduate of the Bellefonte High school class of 1913. Following her graduation she studied nursing and since last November has been following her profession in Baltimore. She left Bellefonte last Saturday morning, after a brief vacation at the home of her parents, and her marriage followed shortly after her arrival in Baltimore. Mr. Rouse is a member of the firm of Rouse, Hentstone & Co., large wholesale dealers of Baltimore. The young couple will go to housekeeping at once and as now planned will take a wedding trip in October, when they will visit Bellefonte.

JUDY—DETERS.—Ralph Judy, of Baileyville, and Miss Annie Deters, of Grayville, took a quiet trip to Altoona on Monday where they were united in marriage and are now on a wedding trip through the western part of the State. The bride is a daughter of Mr. and Mrs. George Deters and is an excellent young woman. The bridegroom is a son of Mr. and Mrs. George Judy and is a successful young farmer. They have the best wishes of many friends for a long and happy married life.

HAND—REESE.—Bernard R. Hand, of Tyrone, and Miss Myrtle Reese, of Port Matilda, were married at the United Brethren parsonage on Wednesday morning by the pastor, Rev. A. B. Sprague.

TEMPERANCE MEETING.—There will be a meeting of the temperance forces of Centre county in the Methodist Episcopal church of Bellefonte on Monday, August 16th, at ten o'clock, to which all men interested in the cause of temperance are requested, and urged to be present.

F. W. CRIDER, J. H. POTTER, C. C. SHUEY, Committee.

THE WILLIAMS REUNION.—One of the largest one day gatherings in Central Pennsylvania will be held August 21st, in Miles grove, at Martha Furnace. Attend and see all your friends and have a day of pleasure. Lunch and refreshments will be served on the grounds. Music and amusement in abundance. Everybody is cordially invited.

CUT YOUR WEEDS.—There are a number of vacant lots in Bellefonte on which all kinds of weeds are allowed to grow. These should be cut now before the seed has time to ripen and be spread broadcast. There is a law prescribing a fine of \$15 for any lot owner or tenant who fails to cut the weeds on his premises.

—On Tuesday J. C. McClellan, proprietor of the Potters Mills garage and auto livery, passed through Bellefonte with a car load of "budding beauties" of Potter township. To be more explicit he had nine little girls, ten to fourteen years of age, with a chaperone, and he was hauling them around on a sight-seeing trip. After the trip here they returned to Pennsylvania and made the trip through the Woodward Narrows and by way of the Susquehanna valley to Harrisburg where they visited the capitol and other sights of interest, returning home the next day. Mr. McClellan had his car placarded "Fresh Air Children Outing," which was rather superfluous, because any person looking at the rosy-cheeked, smiling faces of the youthful maidens would know that they were really and truly fresh air children.

—On Monday morning while Herbert and Ernest Benner were working in the oats field on their father's farm above Roopsburg they holed three groundhogs. One of the boys kept guard over the hole while the other went for the dog and a pick. They succeeded in digging out the three animals and capturing them alive, putting them in a box with a wire screen on top. At noon Ernest was looking at the groundhogs and got his face pretty close the screen when one of the animals jumped and bit him in the upper lip. A butchering of groundhogs followed almost immediately.

—The Young People's Society of the Milesburg Methodist church will hold a "country store and modern fair" during the last week in October. Many beautiful and useful articles will be for sale. The patronage of the public is solicited.

—The Pathe weekly is now being shown at the Scenic and will probably be continued as a regular feature. The Pathe is one of the best weekly contributions of current events in motion pictures and patrons of the Scenic will appreciate seeing it regularly again. The Charlie Chaplin pictures are also a regular feature on the program so that the Scenic offerings are all up-to-date.

—Another car load of prisoners was brought from Pittsburgh on Wednesday and taken to the new penitentiary at Rockview. There were fifty-five of them and all told there are now over three hundred prisoners at the new institution. Rumor has it that after this week the prisoners will be used entirely to perform all common labor in connection with the building operations and the only outside men to be employed will be carpenters and skilled mechanics. While it will be a saving to the penitentiary it will be a little hard on the laborers hereabouts who have been employed at the new institution and who have figured on it as a permanent place of employment. One prisoner was taken back to Pittsburgh on Wednesday evening owing to some infraction of the honor system of the institution at Rockview.

COBURN.

Mrs. Ralph Kerstetter spent last week visiting her parents at Millifinburg. T. A. Hosterman and A. L. Auman made a business trip to Bellefonte on Friday.

Some of our people have been attending camp-meeting at Central Oak Heights.

Merrill Shively, on account of ill health, has quit work for the P. R. R. Co. for the present.

W. C. Crader broke the record in selling cars the past week, having sold five Maxwells in one day.

Miss Beatrice Shively, of Millifinburg, visited her grandparents, Mr. and Mrs. J. B. Rishel, the past week.

A number of our people attended the festivals at Madisonburg and Aaronsburg on Saturday evening.

Mrs. Clayton Corman and children, of Pitcairn, are visiting Mrs. Corman's parents, Mr. and Mrs. Jacob Meyer.

Mr. and Mrs. Warren Meyer, of Philadelphia, are enjoying a vacation visiting the former's father, Philip Meyer.

Several of our young men have secured employment from the Pennsylvania railroad company, working on the track.

It is rumored that there will be another festival held at this place in the near future, either by the Coburn Cornet band or by the String band.

Mr. and Mrs. A. J. Harter have returned to their home in this place, after an absence of eight years which they spent in the lumbering districts of West Virginia.

Before leaving for the picnic at Madisonburg on Saturday morning a very beautiful selection was rendered on the baritone horn by one of the important members of the Coburn band.

We notice that the Rebersburg correspondent has considerable trouble with the Millheim "sports." We would consider it wise for him to investigate as to the character of his so called "sports" before passing judgment upon them, as we know that their reputation will be inspection.

REBERSBURG.

[Continued from page 3.]

Mrs. John Breen's condition is reported serious.

Pastor Metzger is entertaining some of his numerous friends.

Newton Weber commenced to thresh wheat on Wednesday.

One Singing Brook plum tree had two bushels of plums, worth \$2 per bushel.

Hackenberg and Ocker made a joint trip to Millifinburg and the East Centre.

Many farmers will thresh soon because of the scarcity and high price of oats. They have been paying sixty cents a bushel, and some can't feed without oats. There is a petition being signed to change the polling place for the central precinct of Miles township from the hotel to another place, probably the old postoffice building. The Sheriff's advertisement has been erroneous for a number of years. He advertises it at Willis J. Weber's wagon shop, which was long since moved away and the election has been held at the hotel of Clarence Long. The Sheriff should correct himself by the record.

U. S. Battleships Ordered to Mexico.

Objects to Interference of Pan-American Affairs in Mexico and Warns Delegates.

In addition to the battleship Louisiana and New Hampshire, which are now steaming southward, the Connecticut, which is in Haitian waters, will be sent to Mexican waters if emergency arises.

Secretary Daniels announced that he had ordered the New Hampshire, Louisiana and Connecticut to go to southern waters, and would make known their destination later. The New Hampshire and Louisiana now are twenty-four hours out of Newport.

Secretary Daniels also said that the situation at Vera Cruz might improve so that it would be unnecessary to send the battleships there. He added that the generally unsettled conditions in southern waters require the presence of greater naval forces. This statement is presumed to refer chiefly to Mexico.

Rear Admiral Benson, chief of operations, after a conference with Secretary Daniels said no order had been issued for the fleet to depart, as had been reported.

General Carranza, through his Washington agents, notified Secretary Lansing that "the Mexican people view with displeasure" any attempt by Carranza's armed forces. Carranza's message referred to the Pan-American conference, and was taken as plainly signifying he would not agree with its action toward Mexican affairs.

Carranza also has sent a similar notification to the diplomatic representatives of all the Latin American republics participating in the Mexican conference, saying that any attempt between them and the American government to solve the internal situation of Mexico, "would involve an act which could not be looked upon with levity, as it would mean on the part of the Latin American nations the acceptance of the precedent that they can take part in any internal affairs of a sister nation with the co-operation of the United States, something absolutely undesirable, not only insofar as it may affect the relations between the Latin American nations themselves, and also, because it might involve the moral support of any future decisions which grow out of similar conferences."

Carranza's communication, delivered on his behalf by his Washington agent, Elesio Arredondo, was regarded as little less than a defiance of the United States in its effort to bring all the Mexican factions into a conference for peaceful settlement of Mexican affairs.

What the next move of the Pan-American conference in session in New York today would be in the face of Carranza's warning that he intended to brook no outside interference in Mexican affairs was eagerly awaited.

In a letter to Secretary Lansing Arredondo expresses surprise that a Pan-American conference had undertaken to devise a plan for the pacification of Mexico, and says reports to that effect "have caused the constitutional government to feel justly alarmed." He declares he has been instructed by Carranza to communicate to the secretary on the subject.

BRITISH WARSHIP SUNK

Auxiliary Cruiser India Sent to Bottom by Submarine.

The British auxiliary cruiser India, of 7900 tons, has been torpedoed off the Swedish coast. Eighty members of the crew were saved.

Berlin, by wireless to Sayville, L. I., Aug. 10.—The British auxiliary cruiser India, of 7900 tons, has been torpedoed off the Swedish coast. Eighty members of the crew were saved.

The India was attacked at a point north of Bodge, when entering Restford. The rescued men were picked up by the Swedish steamship Goesteland. The India belonged to the Peninsular and Oriental Line and was built in 1896.

The British warship Ramsey has been sunk in the North sea by the German steamship Meteor, it was officially announced in London.

The Meteor, as she was being chased by British vessels, was blown up by her commander, the statement adds.

Confesses Robbing Bank. According to the police, Leo Perrin, paying teller of the Cedar Rapids National Bank, in Cedar Rapids, Ia., which was robbed of \$21,300 a week ago, confessed that he committed the robbery. At the time of the robbery, Perrin said that he had been held up by a robber who compelled him to hand over the money and then locked him up in the bank vault. Perrin was found in the vault in an apparently hysterical condition and taken to a hospital. Later the police took him in custody.

Duke Supplants von Sanders. The grand duke of Mecklenburg according to the Athens correspondent of the London "Star," has been appointed commander-in-chief of the Turkish forces in the Dardanelles succeeding Field Marshal Liman von Sanders.

Specific for 'Black Death' Discovered. The discovery of a specific for cerebro-spinal meningitis was announced in Melbourne, Australia, by Dr. Richard Bull, director of the bacteriological laboratory of the University of Melbourne. Doctor Bull stated that eucalyptus would destroy the germ.

A GENERAL SURVEY OF THE WAR

THURSDAY.

Warsaw, with its population of almost 1,000,000, and the third largest city of the Russian empire, capitulated to Emperor William. The fortress was stormed by Bavarian troops under the leadership of Prince Leopold of Bavaria. The evacuation of the Polish capital had been under way for several days and most of the governmental institutions had been removed.

The Germans have captured a section of the French trenches on the crest of Lingekopf, in the Vosges, after a violent artillery and infantry attack. Account of a French success at Ban de Sapt, in the same region, is given out by the Paris war office.

Advices from the Italian front tell of violent counter attacks by the Austrians on the forces which have nearly enveloped Gorz and Tolmino.

FRIDAY.

Petrograd has officially admitted the fall of Warsaw and Ivangorod, two of the three great fortresses which held the Austro-German drive at bay for so many weeks. It is reported that Novo Georgievsk, the other strong hold to the north of the Polish capital, is under bombardment and its fall is imminent. The Germans in the north are advancing on Riga, the Baltic port, and are reported to be within ten miles of their goal.

Both Petrograd and London are confident the fall of Warsaw will not bring about the crushing of the czar's armies. It is confidently predicted that the Grand Duke Nicholas will extricate his forces which are retreating eastward, and evade the German enveloping movement.

The French war office reports the repulse of German attacks along the western line. The hardest fighting was in the Argonne and on the heights of the Meuse.

SATURDAY.

The threat of danger to the Russian troops from Warsaw, supposed to be still making their way eastward into Russia, seems to be greatest from the north. The advance of the German forces in the territory south of Dvinsk is set forth in considerable detail in news dispatches, and this military movement, supported by railroad connections from Libau and Shavli, constitutes a real menace to the forces of Grand Duke Nicholas.

An indication of the extent of the German progress in the Baltic provinces is found in a dispatch from Copenhagen which says that the city of Kovno, some fifty miles to the west of Vilna, is being evacuated by the civilian population. Riga, at the mouth of the Dvina, is expected to pass to German possession at any time.

SUNDAY.

The fate of the Russian armies that have retired from Warsaw and its vicinity is hourly becoming more hazardous. Dispatches from Berlin say that the Germans have occupied Serock and that they have crossed the Bug north of Serock and south of Wyszok. This means that they are within five or six miles of the Warsaw to Petrograd railway, which if cut before the Russian troops have escaped, will mean the almost certain capture of an enormous army.

The German forces in the Argonne attacked with great vigor and momentarily drove the French back in the western portion of the forest north of Fontaine Houeyette. They were driven from their conquered trenches very shortly, however, managing to retain only a listening post.

In the Vosges, where the Germans attacked Saturday with extreme violence, the French troops were entirely victorious.

MONDAY.

Vienna official announcements say the Austro-German forces under Field Marshal von Mackensen have split the Russian line near the Lublin-Choim railway, in south Poland, driving part of the defending army northwest to ward Brest-Litovsk. Petrograd indicates the retreat was made under orders, after the main part of the army demanding Warsaw had withdrawn to a position of safety.

German forces in the west have begun an offensive movement involving the entire line from the North sea to Switzerland, with the heaviest attacks centering against the British and Belgian troops along the Yser canal, and the French in the Argonne region.

Rome reports that Gorz, north of Trieste, is in ruins from the Italian bombardment, that food riots have occurred, and that the fall of the city is imminent.

TUESDAY.

Citizens of Vilna, an important center on the line of the Petrograd-Warsaw railway, are evacuating that city before the advance of the Germans. In this advance Lomza has fallen, according to Petrograd, and heavy fighting is reported at Kovno. The shelling of Novogeorgievsk and Ossowiec, in north Poland, continues.

Petrograd announces that German warships, trying to enter the gulf of Riga, were driven off, and that three of the vessels were damaged by mines and aeroplanes. German troops are said to have been driven back twenty-five miles from Riga.

Thirty thousand Austrian troops, according to a Geneva despatch, have arrived from Poland on the Italian front. In a desperate attack near Gorz, the Austrians were thrown back.
