Treasurer John D. Miller had issued but seventy-five hunters' licenses. While this number may be thought small in comparison to the almost four thousand date the usual number of licenses will likely be taken out.

----Announcement has been made of the marrige of Miss Margaret M. Potter of Philadelphia and Ellis Bierly, of Milesburg. The wedding having taken place at the home of Mrs. Potter's sister Mrs. John W. Little at Rutherford, N. J., on

THE TITAN METAL COMPANY.-From pessimism any movement looking toward the formation of a new project or the establishment of a new business enterprise, and this is probably one reason why the new Titan Metal company has not been more widely exploited hereabouts. Be that as it may, however, the promoters of the company have gone quietly along with the enterprise and have not only built -A little daughter was born to Mr. their plant but on Tuesday the first and Mrs. Herbert Auman, on Tuesday billet of the new metal-Titan bronze--Rosh Hashonah, the Jewsh New goes along as now planned it will not be

The promoters and incorporators of the company are C. H. Kerk, of Philadelphia; C. Y. Wagner, F. E. Naginey, William P. Seig, John S. Walker, John Mc-Coy and A. Fauble, of Bellefonte, and the object is to manufacture Titan bronze according to a process invented and patented by Dr. C. T. Hennig, formerly of niece, Miss Marjorie Achison Lyon, to Pittsburgh but now of Bellefonte. The public school-with 19 years general praccompany has been capitalized at \$100,-000, and has been financed almost entirely by local capital.

When the company was first organized admitted to practice at the bar of that the question of finding a suitable plant - Lamb street from Allegheny to to be considered.
