ADDITIONAL LOCAL NEWS.

BOROUGH COUNCIL PROCEEDINGS .-Seven members were present at the regular meeting of borough council on Monday evening, the absentees being Dr. Brockerhoff and F. E. Naginey.

Burgess Blanchard presented the report of the firemen's conference held on December 8th, which resulted in the election of Orrie Kline, chief fire marshall; John J. Bower first assistant, and Arthur Brown second assistant. The report was approved by council.

J. Orvis Keller, representing the Ocean Accident and Life Insurance society, was present and explained that company's attitude on the Workmen's Compensation insurance, which is the same as any old line stock company. Letters were also received from W. B. Rankin and H. E. Fenlon regarding the same matter, the latter estimating that it will cost the borough about \$125.00 a year to carry the requisite amount of insurance for the employees in the street, water and police departments. Borough solicitor J. Thomas Mitchell advised council to take immediate action to comply with the law, as it is too dangerous a proposition to evade. President Walker therefore appointed the Street, Water and Fire and Police committees and the borough solicitor a committee to take the matter up at once and have the insurance placed to date January 1st, 1916, when the law becomes operative.

A letter was received from Francis Shunk Brown, Attorney General of Pennsylvania, regarding the illegal employment of minors, asking that steps be taken between now and January 1st to see that the law is duly enforced in Bellefonte. The matter was referred to the borough solicitor.

The Street committee reported a number of minor repairs around town but nothing of great consequence.

The Water committee reported replacing the fire hydrant at the Undine fire company building, repairing the hydrant at the Lyric. The new fire alarm has last meeting Mr. Seibert reported that he had seen a number of the parties, some be able to make a definite report.

The Fire and Police committee reported the burgess' check for \$8.00 for fines collected.

The Finance committee asked for the renewal of a note for \$3,000 for six months from December 21st.

The Special committee reported progress in the matter of the requested appropriation to help defray the Memorial day expenses of the Lieut. George L. Jackson Camp Spanish war veterans.

On motion of Mr. Seibert council appropriated \$75.00 for the payment of the light of the Logan fire company during the year and \$12.00 for the light in the council chamber.

Bills to the amount of \$566.29 were approved after which council adjourned to meet at seven o'clock on Monday evening, January 3rd, 1916, when the old seventy years. She had been sick for council will hold its final session and dissolve in time for the new council to organize at eight o'clock the same even-

Everything is distributed in Belleested spectators. It is the purpose of fonte and this vicinity. Because the the company to manufacture trucks for head office is in Philadelphia, it has somemarket and if all the machines are as times been inferred that the garments good as the one seen here yesterday were sent there. Branch work is entirely local. The Guild is absolutely nonsectarian and may not be connected in any way with churches, clubs or other charitable organizations, except the American Red Cross, with which it is affiliated in times of national disaster. The Bellefonte branch sent a splendid box to Dayton, Ohio, at the time of the

The Branch is anxious to extend it's membership, and any town or community in Centre county interested enough in the work to organize a branch, is asked to write to Mrs. John M. Shugert, for information concerning the work.

A PHILIPSBURG FIRE.—The garage conducted by Howard Vail at Philipsburg was entirely gutted by fire last Thursday, which burned seven automobiles and ruined his stock of tools and equipment. Five of the machines destroyed belonged to Mr. Vail, and included two new 1916 Buicks and three second-hand cars. One car belonged to John D. Gill and one to a traveling man from Ohio. Mr. Vail's loss is about \$3,500, with no insurance. The loss on the building is partly covered by insurance. The fire was caused by an explosion of gasoline, can of gasoline.

BELLEFONTE GETS HIGHWAY HEADpartment was announced at Harrisburg on Monday, and in the re-organization Bellefonte is made headquarters for the first engineering district to be composed of the counties of Centre, Clinton, Mifflin and Huntingdon. W. D. Meyer, assistant engineer in charge, will move from Clearfield to Bellefonte. W. O. Bennett will continue as superintendent of Centre county; C. H. Orndorf, a draughtsman attached to district No. 2, at Harrisburg, Organ Prelude "Bethlehem" has been made superintendent of Clinton Processional Hymn... county, and D. A. McCloskey, acting Te Deum Laudamus in E flat. chief of construction of district No. 11, has been made superintendent of Huntingdon county. A new district to be Communion Service in C known as No. 8, has been created out of Seven-fold Amen .. Clearfield, Indiana, Jefferson, Elk and Cameron counties, which will be in charge of engineer F. E. Winter, with headquarters at Clearfield.

The Highway Department has leased Cantata "The Story of Bethlehem" the five rooms on the front and north end of the fourth floor of Temple Court where the district headquarters will be established when engineer W. D. Meyer Duet "O Holy Night".... and his corps of assistants come to Bellefonte. The change will be made between Organ "The Holy Night" now and the first of the year.

The statement shows that 783 deer and 75 bear were killed by 4.174 hunters camping on State forests, and 12,600 hunters not camping, but hunting

The total number of deer killed in the entire State in 1914 was estimated at only 1,100. Such a large percentage of the total kill being made on State land is accounted for by the fact that forest fires while a number of families were given are not allowed to burn unmolested on State land, but are extinguished as promptly as possible. The feeding grounds of the deer are kept in better condition needed it was supplied; if groceries or well protected because of the small ap-

The total number of campers and noncampers hunting on the State forests this season was 20,000. The total number of temporary campers during the year, not including hunting season, was 5,000. In addition to these, 65,000 persons used the forests as outing grounds without campng, and 300 permanent camp sites are leased to about 2,000 people. Thus the total number who have gone to the forests for recreation during 1915 is over 90,000. The total number of camp sites is 1.035.

An effort was made to secure an estimate of the number of people who have visited the forests since the date of their purchase by the Department, but owing to incomplete records kept when the field force was insufficient to handle the work, past four years. In that period over 225. Scouts, camp fire girls, churches and Suntomologists, teachers in search of classroom material, hunting clubs, fishing clubs and individuals and families suffer-
