REGULAR MEETING OF BOROUGH COUNCIL.—The Bellefonte borough council held a regular meeting on Monday evening, the first in five weeks. Seven members were present, the absentees being Dr. Brockerhoff and W. R. Shope.

A delegation of Odd Fellows from Centre Lodge was present and S. D. Gettig, as spokesman, told council of the Odd Fellows celebration to be held in Bellefonte on April 26th, and asked that council arrange for proper police protection for that day and also have the streets over which the parade will pass kept clear of vehicles, so as not to impede the line of march. He also extended an invitation to the burgess and council to join in the big parade. The matter will be considered in due time to make the arrangements necessary.

William Doll and Charles Anderson, representing the Undine fire company, appeared before council and presented an itemized statement of the company's electric light bills for the year 1915, which totalled \$113.51. At the beginning of 1915 council voted to allow each company \$75.00 a year for light, any excess to be paid by the company, but as the above amount included the electricity for the fire alarm the matter was referred to the Fire and Police committee for investigation and report at next meeting.

A petition was received from residents of west Beaver street asking that some work be done on that thoroughfare to put it in a presentable as well as passable condition; and that either one large light or two small ones be installed there. The matter was referred to the Street committee for investigation and report.

A complaint was received from D. W. Woodring regarding the burning of objectionable waste matter and refuse on the dump on east Howard street, which he claims is not only very offensive to residents on that thoroughfare but a menace to the health of the community. The matter was referred to the Street and Sanitary committees.

The Street committee reported the treasurer's receipt for \$98.88 received from Centre Hall borough for the use of the steam road roller. The committee also recommended the election of Harry B. Kerns as street commissioner and Norman R. Wright as borough engineer.

The only report of the Water committee was on the breaking of the big main on Water street on February 7th.

The Fire and police committee reported the burgess' check for \$10.00, for fines collected.

The Finance committee asked for the renewal of two notes dated February 7th, one for \$2,000 for six months and one for \$1,000 for four months.

The demand of Wilfred I. Miller for the payment of a bill of \$5.13 for damages sustained by his automobile in running over an ash pile on east Howard street was tabled permanently.

The request of Lieut. George L. Jackson Camp No. 90 Spanish-American war veterans for an appropriation of \$14.50 as payment for certain expenses incurred on Memorial day, 1915, was also tabled permanently.

In the matter of the request of the policemen that council pay for telephones installed in their residences by the United American Telephone company, on authorization of F. E. Naginy prior to the expiration of his term as councilman, the Fire and Police committee recommended that council decline to accept the contracts or pay for same. The recommendation was approved.

President Walker re-appointed G. Fred Musser a trustee of the Pruner orphanage and A. Miles Barr auditor for the same, and both appointments were approved by council.

Secretary W. T. Kelly presented the bonds of Thomas J. Morgan, overseer of the poor, for \$2,000, with the Bellefonte Trust company as surety; Alexander Morrison, overseer of the poor, for \$2,000, with R. B. Taylor and John P. Harris as surety, and Leander Green, high constable, for \$100, with Henry Kline and John P. Harris as surety. The bonds of Thomas Morgan and Leander Green were approved and the other returned with the request that either the Trust company or a surety company bond be given.

Bills to the amount of \$1,816.10, being the accumulation of five weeks, were approved and council adjourned.

On Friday of last week constable W. W. Pettingill went to Marsh Creek where he arrested R. B. Mann on the charge of false pretense, taking him to the Clinton county jail. Some time ago Mann secured seventy-five dollars from the Mill Hall bank on a note endorsed by John DeHaas. Mann, it is alleged, represented to Mr. DeHaas and the bank that he owned more than a sufficient amount of real estate to cover the value of the note. The latter was allowed to go to protest, however, and the endorser was compelled to pay it, hence Mann's arrest.

GROSS.—Mrs. Barbara Gross, widow of the late Philip Gross, died at the home of her son-in-law, J. M. Cunningham, on south Potter street, at six o'clock last Thursday evening, after an illness of several weeks with general debility.

She was a daughter of Joseph and Anna Bezer and was born in Strassburg, Germany, on February 21st, 1832, hence had she lived until Monday of this week would have been eighty-four years old. When fourteen years of age her parents came to this country and located at St. Mary's, Elk county. Three years later she came to Bellefonte and before she was twenty-one years of age she was united in marriage to Philip Gross and all her life thereafter was spent in Bellefonte. She was a faithful member of St. John's Catholic church and a woman of many noble qualities.

Her husband died many years ago but surviving her are the following children: Mrs. Rachael Crotty, of Lewistown; Mrs. Theresa Taylor, of Bellefonte; Mrs. William Brooks, of Centre Hall; Joseph Gross, of Bellefonte; Mrs. Thomas Jennings, of Clarksburg, W. Va.; Jacob and Mrs. J. M. Cunningham, of Bellefonte; Mrs. James Riley, of Huntingdon, W. Va., and Miss Emma, at home. One daughter, Catharine, died about sixteen years ago. She also leaves two sisters, Mrs. Yetzberger, of St. Mary's, who is eighty-six years old, and Mrs. Andrew Dusing, of Spring township.

Funeral mass was held in St. John's Catholic church at ten o'clock on Monday morning by Rev. Father McArdle, after which burial was made in the Catholic cemetery.

CAMPBELL.—Mrs. William H. Campbell died at her home in Washington, D. C., on Wednesday night of last week as the result of an abscess on the liver, aged about eighty years. She with her family formerly lived in Milesburg, this county, where Mr. Campbell operated a planing mill in the neighborhood of where the brick yards are now located. Since leaving Centre county Mrs. Campbell spent her summers at Emporium and winters in Washington, D. C.

A peculiar incident happened after her death. A neighbor woman told Mrs. Campbell's son that his mother had left written directions in a book, as to where she desired to be buried which she had in her possession, and she was sure the place was Emporium, notwithstanding the fact that her husband and most of her relatives are buried in the Bellefonte Union cemetery. The woman, however, could not find the book, and when the son left Washington with the remains he did not know where to take them. He came to Sunbury and there found a telegram from the Washington woman stating that she was mistaken and that there were no directions. He therefore brought the remains to Bellefonte and they were buried in the Union cemetery Saturday afternoon at two o'clock, Rev. E. H. Yocum officiating.

FIEDLER.—Mrs. Susan Harter Fiedler, wife of Michael S. Fiedler, died at her residence on Penn street, Millheim, at eight o'clock Saturday morning, February 19th, of diseases incident to her advanced age, which was 75 years and 25 days. She leaves to mourn her departure her husband and one sister, Mrs. Kate Neese, of Rebersburg, and one brother, G. W. Harter, of Millheim. Four sisters and five brothers, two in infancy, preceded her to the spirit world. Deceased was a daughter of George and Mary (Wolfe) Harter. She was born in Millheim, on January 24th, 1841. On February 12th, 1866, she was united in marriage to M. S. Fiedler, of Penn township. In 1868 the family moved to Haines township, and from there moved to their present home in Millheim, in 1893. In her younger years Mrs. Fiedler united with the United Brethren church of Millheim, and lived a faithful, christian life up to the time of her death. Funeral services at the residence, conducted by Rev. J. Adam Bright, of Topeka, Kansas, assisted by Rev. M. D. Geesey, of the Aaronsburg Lutheran charge, Tuesday, February 22nd, at ten o'clock a. m. Interment was made in the Fairview cemetery, Millheim.

BAIRD.—Mrs. Henrietta Baird, wife of Harris Baird, died at her home in Bethany, Ill., on Thursday afternoon of last week, as the result of a tumor on the brain. She was a daughter of Mr. and Mrs. John Baird and was born near where the Bellefonte fish hatchery is located at Pleasant Gap. She and her husband were here on a visit last October, after being away for quite a long time. In addition to her husband she is survived by two children, Mary and Forrest, both at home. Burial was made at Bethany, Ill., on Saturday afternoon.

VOGT.—Word has been received from San Diego, Cal., of the death in that place, on Wednesday of last week, of Bettie Vogt, the ten months' old daughter of Mr. and Mrs. A. L. Vogt, after a brief illness with pneumonia. Burial was made on Friday. Mrs. Vogt before her marriage was Miss Emily Alexander, a daughter of the late Dr. J. F. Alexander, of Centre Hall, while Mr. Vogt was a native of Tyrone.

NOLL.—Mr. and Mrs. B. L. Noll, of Jacksonville, are mourning the death of their infant son Fred, who died on Friday morning of acute indigestion, aged 9 months and 28 days. Burial was made in the Jacksonville cemetery on Monday morning.

O'BRYAN.—Walter G. O'Bryan, a well known resident of Ferguson township, died at his home in Pine Grove Mills at eight o'clock on Sunday morning. He had been a sufferer for several months with rheumatism and heart trouble, but his condition was not considered serious and his death occurred shortly after he had eaten a hearty breakfast.

Deceased was a son of James and Sarah O'Bryan and was born in Pine Grove Mills on May 29th, 1842, hence was 73 years, 8 months and 22 days old. When a young man he assisted his father, who had charge of the mail and coach route from Centre Hall to Spruce Creek. He was one of the students of the Pine Grove Academy in the early sixties. After his marriage he engaged in farming, an occupation he carried on very successfully until about sixteen years ago when he retired and moved to Pine Grove Mills. He was a member of the Presbyterian church from youth, a Democrat in politics and a citizen who was a credit to any community.

In the year 1867 he was united in marriage to Miss Charlotte Lytle, to whom he had three children, Mrs. J. Homer Decker, of Spring township; George W. O'Bryan, a merchant of Axe Mann, and Percival, on the old homestead in College township. Mrs. O'Bryan died in 1898 and two years later he married Mrs. Wilhelmina Livingstone, who survives. He also leaves one sister and two brothers. The funeral was held at 10 a. m. on Tuesday. Rev. Harnish officiated and burial was made in the Branch cemetery.

GROSS.—Mrs. Catharine Gross, widow of the late Jacob Gross, died at her home at Axe Mann at 5.30 o'clock yesterday morning following a week's illness with heart trouble. She was a daughter of Mr. and Mrs. Martin Apt and was born at Hubersburg August 23, 1840, hence was 75 years, 6 months and 1 day old. When a young woman she was united in marriage to Jacob Gross and most of her life since had been spent at Axe Mann. She was a member of the Catholic church all her life and was a woman who had a large circle of friends who sincerely mourn her death.

Mr. Gross died in July, 1907, but surviving her are the following children: Henry Gross, of Kenton, Ohio; William, of Mill Hall; George, at home; John, of Evansville, Ind.; Mary, at home; Mrs. Ira Proudfoot, of McKees Rocks, and Frank, of Bellefonte. She also leaves two sisters and a brother, Mrs. Albert Lilly and Miss Nellie Apt, of Lock Haven, and Joseph Apt, of Bellefonte. At the time of going to press arrangements for the funeral could not be learned.

NEARHOOF.—WILSON.—On Thursday afternoon of last week Elmer Blair Nearhoof, of Port Matilda, and Miss Willa Evalyn Wilson, of Tyrone, were married at the parsonage of the United Brethren church in Tyrone by the pastor, Rev. E. G. Sawyer. Following the ceremony the young couple left on a wedding trip to Chicago and intermediate points. After March first they will be at home in Tyrone where the bridegroom holds a good position at the paper mill.

HARPSTER.—PARSONS.—On Tuesday of last week Isaac Harpster and Miss Ruth Parsons, both of Ferguson township, went to Cumberland, Md., where they were united in marriage, returning home the next day. Word comes from Philadelphia to the effect that the VARIES are either going to lick PENROSE or make him eat out of their hands. Certain it is if they really come to a fight it will be a big one and it wouldn't matter much if each licked the other clear out of Pennsylvania politics.

Next Wednesday evening, March 1st, a special train will leave Bellefonte for State College over the Bellefonte Central railroad to convey the degree team of Centre Lodge No. 153, I. O. O. F., the lodge orchestra and as many members as care to go to State College to confer the third degree on a large class of members of the State College Lodge. The special train will return to Bellefonte immediately upon the conclusion of the work.

PENNINGTON AND MARCH ELECTROCUTED.—After one of the hardest legal fights made in years in Pennsylvania to save anyone from the consequences of their crime Roland S. Pennington and George H. March, convicted of the murder of S. Lewis Pinkerton, of Delaware county, on the night of November 7th, 1913, were electrocuted at the new penitentiary in Benner township on Monday morning.

Pennington was the first to go to the electric chair and, accompanied by his spiritual advisers, Rev. C. M. Miller, chaplain of the penitentiary, and Dr. Ezra H. Yocum, pastor of the Bellefonte Methodist church, he walked with unflinching steps and without any show of fear from his cell across the corridor into the death chamber and seated himself in the chair. The current was turned on at 7.20 o'clock. Four contacts were made. The first was of 2100 volts and 15 amperes; the second 2000 volts and 14 amperes; the third 1900 volts and 12 amperes, and the fourth 1900 volts and 10 amperes. At just 7.26 he was pronounced dead by Dr. R. M. Campbell, the resident physician of the penitentiary.

March was taken to the chair within eight minutes and he also exhibited splendid courage. The current was applied to him at 7.34, and he also was given four contacts. The first was of 2100 volts and 14 amperes; the second 1900 volts and 13 amperes; the third 1900 volts and 10 amperes, and the fourth 1800 volts and 8 amperes. At 7.42 he was pronounced dead. Neither of the men made a statement.

The crime for which Pennington and March paid with their lives was a most brutal one. Pinkerton was overseer on the G. Searing Wilson farm in Delaware county and was also tax collector. On the night in question the two men lay in wait for him and when he returned in his spring wagon struck him on the head with an axe. They then hauled the body three miles to a woods and after taking over seven hundred dollars and the man's watch they buried the body. It was three weeks before they were found out.

They were convicted in April, 1914, and since then their case has been before the Supreme court and four times before the Board of Pardons, and only late Sunday night another application was made to Governor Brumbaugh for a respite in order that their case might again be taken before the Board. The Governor declined to interfere and the death penalty was inflicted on Monday morning.

One reason given for the strenuous fight put up is that Pennington's ancestors were Quakers, and that never in the history of the Commonwealth has a man with Quaker blood been convicted and put to death for such an offense. It failed, however, to save Pennington from the electric chair. The execution of the two men on Monday morning makes five who have suffered death by electrocution since the new law went into effect in Pennsylvania.

March's body was taken in charge by an undertaker from Warwick and shipped to Glenmore, Chester county, for burial, while Undertaker F. E. Naginy prepared Pennington's body and shipped it to Media.

A FAREWELL PARTY.—On Tuesday evening the neighbors and friends of E. T. Tyson and family gathered at their home on the G. Murray Andrews farm near Zion and tendered them a farewell party. The evening was very pleasantly spent with music and playing games. At eleven o'clock delicious refreshments were served. Those present included C. C. Baumgardner and family, Harvey Truckenmiller and family, Harvey Corman and family, Merrill Kerstetter and family, Merrill Weaver and family, Ray Zimmerman and family, Allen Harter, wife and baby; Lloyd White and family, Jennie, Paul and William Harter, Charles, Rhoda and Myra Rockey, Pearl Sharfer, Mary Corman, Clara and Helen Eby, Margaret Glossner, Edna Weaver, Tillie Neff, Pearl Garbrick, Mary Reaick, Elizabeth Wilson, Ruth and Lulu Hazel, Della Yarnell, Fred and Frank Corl, Harry Brown, LaRue Hazel, Charles Barner, Norman, Nevin and George Rothrock, Boop Hockman, Austin Hoy, Emanuel Love, Epley Gentzel, and Earl Gentzel. It was in the wee sma' hours when all departed for their homes with a feeling of regret that they were so soon to lose such good neighbors and kind friends.

SWALLOWED MERCURY TABLETS.—Considerable of a sensation was created in Lock Haven on Wednesday afternoon of last week when it became known that Mrs. Verna Davidson, wife of Atlee G. Davidson, a passenger brakeman on the Bald Eagle Valley railroad, had swallowed a number of bichloride of mercury tablets, evidently with suicidal intent. Mr. Davidson was at home at the time and as soon as his wife acquainted him with what she had done he ran for a doctor.

In the meantime the large dose of poison the woman had taken caused her to vomit up most of the drug and the application of a stomach pump removed the rest of it, thus saving the woman's life. Both Mr. and Mrs. Davidson have relatives in Centre county and they will all be glad to know that her attempt at suicide was frustrated.

It is stated that misguided friends, supposedly in jest, had told Mrs. Davidson that her husband was enamored of some one else, and the fear that she was losing his affection so preyed on her mind, it is presumed, that she decided to end her existence.

The Yoder Bros. are going to sell a car load of Kansas horses at Centre Hall next Monday and Mr. Yoder has stated that he will have an exceptionally fine lot of animals in this shipment. A Protest Against the Paving of Bishop, Spring and Pine Streets.

To the Commissioners of Centre County and the Members of Bellefonte Council: GENTLEMEN:

In protest let it be said that the contemplated brick paving of Bishop St., from Allegheny to Spring St., and Spring St. to Pine as far as the borough line will not be looked upon with favor by the majority of property owners living along said streets. It will be remembered that more than a year ago a remonstrance to this effect was submitted to you. It is earnestly hoped that the wishes of those owners whom it most directly concerns together with their reasons for opposing such a step will receive your very thoughtful consideration.

The following are some of the reasons given by the property owners against the paving of the above mentioned streets:

First:—It will mean the expenditure of a considerable amount of money which most of the property owners cannot afford. True the State will pay a portion, but the greater part will be left for the borough and property owners to pay. The borough is already greatly in debt. Would it be wise for the sake of the few who are urging this work, to add to that indebtedness? Will the returns from such an investment sufficiently warrant putting this added burden of debt on the tax payers?

The streets mentioned should be improved that is beyond question, but a state-road similar to the other part of Bishop St. would be recommended as more serviceable and less expensive. A good Macadam road would be more desirable.

Second:—The sharp turn at the corner of Bishop and Spring Sts., and the hill on Spring St., has diverted traffic to Water St., which is level and affords easier access to the center of the town. Why not extend the paving on up High St., and connect the real business sections of the town, thus doing away with the view from the station of so much patch work in road-building.

Third:—The greater number of automobiles and vehicles that enter town by way of Pine St. continue on out Logan St. and thence down Allegheny in order to escape the dangerous curve at the foot of the hill. But still more automobiles enter by way of Water St. as can readily be seen. If Water St. then is to be paved and if the council is willing to increase the borough debt by paving still another entrance into the town, would it not be wiser to select a street or streets leading into the town from an altogether different direction, say, for instance the entrance from Milesburg, a road which is extensively used. When that road was improved the northern part of Allegheny St. was not paved due to the objection of property owners. For the same reasons the people of Bishop, Spring and Pine Sts. object.

A beautiful and well built road would be more in keeping with the natural beauty and scenery of the town. In response to the public notice served on the tax-payers of the borough of Bellefonte by the Bellefonte Council, we would advise that the Council be prepared to show in written form the signatures of persons owning two-thirds of the feet, frontage, along the streets in question, together with their approval before any steps are taken in the matter.

Signed, A PROPERTY OWNER.

Congressman Charles H. Rowland has introduced a bill in Congress providing for the erection of a public building in Philipsburg, and residents of Tyrone are already becoming jealous of the town across the mountain. Now as to Bellefonte, of course after the State College public building is erected if Congress should insist on thrusting one upon us, we might take it, providing we can find a suitable place to put it.

Mr. and Mrs. Andrew Thal gave a Washington birthday party at their home at State College on Tuesday evening. Among the guests were the Misses Lillian and Barbara Bezer, of Roopsburg. The large crowd present thoroughly enjoyed every minute of the time. Refreshments were served during the evening and the guests regretted very much when time compelled them to retire to their homes.

One night last week after the service was over in the U. B. church Rev. MacLeod and wife were invited to the church basement on a pretense. When the light was turned on it disclosed the congregation that the pastor thought to be at home. After a short social period the friends departed leaving the pastor and family quite happy over their great pound ing, which amounted to about \$25.00 worth of groceries.

BIG DANCE AND OTHER SOCIAL AFFAIRS.

One of the most elaborate dances given in Bellefonte during the winter was that given by the young men of the town in the armory on Friday evening. The Meyer Davis orchestra, of Philadelphia, evidently proved a big attraction as guests were present from Williamsport, Lock Haven, Altoona, Lewistown Tyrone and State College. A fair crowd went early to enjoy the half hour's classical concert before the dancing began and it proved a most delightful entertainment. Upwards of three hundred people were in attendance and it was five o'clock in the morning when the dance broke up.

Though a little late it was given in honor of Miss McFarlane's graduation as a professional nurse, and was quite elaborate in detail, the refreshments being served in courses.

In celebration of her son Mark's twelfth birthday, Mrs. J. D. Hunter entertained twelve of his friends Monday night. Miss Harriet Bullock was hostess at a party Tuesday evening, given in honor of her house guest, Miss Adaline Robb, of Pittcairn. Fourteen of Miss Robb's former friends were the guests.

During the week there have been numerous excursions to the country on straw rides, etc., to spend an afternoon or evening. On Friday afternoon Miss Marjorie McGinley took her school pupils on a ride to the J. L. Marshall home on Buffalo Run, Miss Nellie Smith accompanying them. On Monday evening the Potter-Hoy Hardware company gave its employees a motor truck ride to Boalsburg where they had a chicken and waffle supper at the hotel.

On Wednesday evening Mr. and Mrs. Thomas Murphy gave a farewell party for their daughter Catharine, who will leave on Saturday with Mrs. Henry Keep and family for Toronto, Canada, where the latter goes to join Mr. Keep, who will be busy there the next four months. Miss Murphy's intention is to remain with the Keep family as nurse girl as long as they are in Canada and when they leave to enter a hospital there as a nurse in training, if there is an available opening.

The venerable Emil Mignot, who has been ill at his home near the Empire lime kilns is so much worse that little hope of his ever being able to be about again, is entertained.

The banks and the postoffice observed Washington's birthday on Tuesday, otherwise there was little to indicate that it was a national holiday.
