—The Emerick motor bus line resumed service between Bellefonte and Lock Haven last Saturday, after a suspension of about two weeks on account of the deep snow and drifted roads.

—The balance of the stock of the J. S. Gilliam store, which inventoried \$4,100, was on Saturday moved from the room in Crider's Exchange to the room in the Bush Arcade lately occupied by Doll's bakery.

—Smartness is a feature of the hats Miss Cooney is now sending out from her work rooms on High street. These hats for all occasions and all seasons are designed for the individual, which is so essential to a well dressed woman. 14-1t

—Melvin Hughes Bassett, son of Mr. and Mrs. Frank P. Bassett, of Philadelphia, and a grandson of Rev. James P. Hughes, of this place, has been recommended by Congressman John R. K. Scott for appointment to the Annapolis military academy.

—On Friday afternoon Mr. Monroe Armor lost six dollars on the street between the Brockerhoff house and the Centre County bank, and although he retraced his steps immediately the money had evidently been picked up by some one who so far has made no effort to discover the loser.

—A wrestling meet will be held in Garman's opera house next Friday evening, April 14th, when the star attraction will be the "Masked Marvel," Mort Henderson, of Altoona, and Godeski, the Polish giant. Athletes from State College and the Bellefonte Academy will also have a place on the program.

—Robert Klingner and Daniel Miller, under the firm name of Klingner & Miller, have opened a new grocery store in the Houser store room on Pine street. The young men expect to devote their attention strictly to business and, as they are both young and ambitious, with plenty of push and determination, there is no reason why they shouldn't succeed.

—Mrs. Leggett, who has been head nurse at the Bellefonte hospital since her graduation from the institution in 1910, will leave there within a very short time, to take charge of a new hospital at Dennison, Ohio, her home town. The Bellefonte people regret greatly their inability to keep Mrs. Leggett while the Dennison people are to be congratulated upon securing her, for there are few better fitted for the position she will fill.

—On Tuesday, April 11th, Dr. Eloise Meek will speak to the Study course. Her subject will be "Cashmere, India," and she will show lantern slide pictures and some interesting exhibits. Notice the change of date and subject from those given in the program. You and your friends are invited to attend the meetings of this course. They will be held in the High school building and begin promptly at 8 o'clock.

—Do you want to learn the truth about our army, navy and coast defenselessness? If so, you must see "The Battle Cry of Peace," or a call to arms against war. A wonderfully realistic war drama that will highly entertain and enlighten you. Shown at the Scenic April 11 and 12, morning, afternoon and evening. This big spectacle will hold your attention for more than two hours, and will thrice startle and surprise you.

—In another part of today's paper will be found a proclamation by Burgess Edmund Blanchard regarding the observance of tomorrow (Saturday) as tag day for the relief of the Belgian sufferers. The burgess explains the object very fully but he failed to state that when you are tagged tomorrow don't offer the tagger anything less than seven cents. That is the exact amount it takes to keep a Belgian one day, and that is the minimum sum the taggers hope to be given. Of course you can give as much more as you like.

PROCEEDINGS OF BOROUGH COUNCIL.

Every member was present at the regular meeting of borough council on Monday evening and this fact alone portended a lively session. In fact the very atmosphere of the council chamber was surcharged as if with electricity and naturally the newspaper men present scented a good story. Council was opened with the usual proceeding by president Walker and Secretary Kelly read the minutes of the previous meeting as clearly and concise as ever before. When he concluded Dr. Brockerhoff arose to a point of order and personal privilege, but what he said later must keep until after the next meeting of council, because the press was effectively muzzled prior to adjournment of council and some very vital interests being at stake the press stood for the muzzle.

Under the head of routine business Secretary Kelly read a letter from the State Highway Department acknowledging the receipt of the agreements relative to the state-aid route on south Water street.

A communication was received from the Civic club relative to flushing the brick paved streets the coming summer, stating that in past years it had cost in the neighborhood of sixty dollars to do the work, practically all the money for which had been solicited and collected by the ladies. And inasmuch as said flushing was a benefit to the entire town the ladies would appreciate any help council saw fit to give. Permission to do the flushing was granted and council voted the club an appropriation of five dollars a month for five months.

A letter was received from John M. Keichline stating that he was unable to get the water rent from the Bellefonte Gas and Steam Heating company and giving the amount now due the borough as \$690.12, exclusive of the first quarter of 1916; asking instructions as to what he should do. On motion Secretary Kelly was instructed to notify the company that if the amount was not paid or satisfactorily arranged for the water would be turned off within twenty-four hours.

The Street committee reported logging Linn and Howard streets. The Water committee, preferred the request of George Doll for an extension of the water service to his artificial ice plant south of town so that he could use spring water for his ice. Wallace Markie also asked that the water be extended up Pike alley to his property, a distance of about 350 feet. Both requests were referred to the Water committee.

The Finance committee reported that \$350 had recently been paid on tax liens and there was a balance in the treasury of \$234.78. The committee also asked for the renewal of three notes, for \$1,500, \$1,000 and \$630 for one year from April 7th and a new note for \$600 for six months from April 5th, all of which were authorized.

Regarding the requests for new lights Dr. Brockerhoff suggested securing the services of Charles Kinsloe, of State College, for one evening to go around the town and inspect the present lighting system, then do as he says; otherwise council would be continually bothered by some one wanting a light at a certain place. Dr. Brockerhoff also stated that the State-Centre Electric company was ready to paint the electric light poles as soon as council designates the color they would like to have them. As nobody seemed ready to suggest a suitable color the matter was referred to the Special committee.

The Water committee reported the receipt of \$12.50 from the Bellefonte Engineering company for scrap iron purchased by them.

After approving bills to the amount of approximately \$1,050 council adjourned.

HUNTINGDON PRESBYTERY.—The regular spring meeting of the Huntingdon Presbytery will be held at Milroy next Monday and Tuesday. Rev. Wesley M. Hyde will preach the opening service. At 3.30 a service in honor of the memory of Rev. W. Henry Schuyler, Ph. D., will be held. Before entering the ministry Dr. Schuyler was an educator of some note, having been an instructor in Lafayette college and later having been at the head of the public schools in some of the large towns of the State. As the church of Milroy is located near where he formerly labored a large attendance of his friends is anticipated.

Calls for the following ministers will be presented at Milroy: Bellefonte congregation for the Rev. William H. McKinney, Ph. D., of Danville, Pa.; Bellwood congregation for the Rev. Albert C. Busch, of Trenton, N. J.; Berwindale for Rev. Joseph Howard Varner; Spring Creek, Pine Grove Mills and Buffalo Run for Louis V. Barber, who will be ordained; Fulton Memorial, Everett and Wells Valley for the Rev. J. R. Dalling, and Bethel, Boardman, Glen Richey and Bigler congregations for the Rev. T. C. Henderson.

Several young men will be taken under the care of Presbytery to become students for the ministry.

The meeting Monday evening will be in the interest of foreign missions. Rev. Henry Howard Stiles, D. D., will preside and introduce the Rev. Robert Bartlett Elmore, of Valparaiso, Chile, who is expected to deliver a thrilling message. Commissioners to the General Assembly, which meets in Atlantic City May 18th, will be elected. So far no candidates for Moderator of the meeting have been announced.

—Mr. and Mrs. William Derstine moved yesterday from the Shoemaker flats on Spring street, to the apartments over Lyon's store, recently occupied by Mrs. Hile.

—The King's Daughters bible class of the U. B. Sunday school will hold another parcel post social in the basement of the church on Thursday evening, April 13th.

—Members of the Free Methodist church at Unionville last week tendered their pastor, Rev. Isaac Cox, a surprise party. In addition to furnishing the refreshments for the evening a purse of twenty-three dollars was given the reverend and enough groceries contributed to keep the larder replenished for some weeks.

—Announcement has been made by Mrs. William Jasper Nicolls, of the engagement of her daughter, Miss Claire Lyon Nicolls and William James Hearn, of New York city. Miss Nicolls and her mother have lived at the Bush house since coming here from Philadelphia a year ago; Mr. Hearn living there also while being connected with the new penitentiary at Peru.

—C. C. Shuey is one of the latest men to invest in an automobile, he having purchased a five passenger Dodge-Wayne D. Meyer, state road superintendent in charge of this district, is driving a Dodge Chevalot. John Harper, son of Mr. Jared Harper, expects to have a seven passenger Studebaker by Easter, a gift from his father.

—The Manhattan Players have been drawing good houses at Garman's this week and giving splendid satisfaction. Their presentation of the popular drama is equal to the best. To-night the bill will be "The Girl He Couldn't Buy." Tomorrow afternoon's matinee will be "Rip Van Winkle," and the closing performance Saturday night "Dr. Jekyll and Mr. Hyde." If you have not heard these players, go and hear them before they leave.

—The snow has about gone, the roads are opened up and travel has become normal, but the road to the Scenic is always open. Crowds wend their way to this popular place of amusement every evening and they go away satisfied that they have seen one of the best programs of moving pictures shown in Bellefonte. Nothing old or out of date shown at the Scenic. Watch for "The Battle Cry of Peace" on April 11th and 12th. It is a picture you don't want to miss.

—A chicken and waffle supper will be held at the home of Mr. and Mrs. C. L. Smeltzer, on Buffalo Run, on Friday evening, April 14th, for the benefit of the Buffalo Run Presbyterian church. The supper will be 15 and 20 cents and considering the high quality of the culinary art of the ladies of Buffalo Run this is so cheap it is almost like giving it away. Ice cream, cake and coffee will be extra. The good ladies interested in the patronage of the public at large, and it ought to be just as large as there are people in that locality.

—The W. C. T. U. will hold a "Dues Social" at the home of the president, Miss Rhoads, on west Linn street, next Thursday evening, April 13th, at eight o'clock, to which all members and their friends are cordially invited. The girls' orchestra, (the Harmonic club) will be present and assist in rendering a musical program, light refreshments will be served and the young L. T. L.'s will do their part to help make the evening a pleasant one. No offering will be taken, but all members who have not paid their 1916 dues will please come prepared to pay same, or if unable to come themselves will please send their dues.

—The plans of the Daughters of the American Revolution to celebrate King Albert's birthday, Saturday, April 8th, by a sale of flags, in the hope of raising \$1,000,000 for Belgium's great need, should be taken note of by Bellefonte people, that they do their share in this noblest of all causes. Being conducted as a tag day, no flag will be sold under seven cents, the price of a day's food for a Belgian, the flags to be worn both Saturday and Sunday, when this birthday benefit will be observed in all the churches. Do not go on the street Saturday without your seven cents and if possible seven times seven, and then you are only giving one person food for a week.

—A rather valuable collection of furs is on exhibition this week in the window of Montgomery & Co's clothing store. It includes the pelt of a polar bear, snow white, of course, and with fur as soft as silk. The pelt measures nine feet from tip to tip and perhaps a better idea of its size can be had from the fact that the animal when killed weighed an even ton. The pelt is valued at \$200. In the collection are a dozen or more ermine pelts, a white fox pelt and a mixed fox pelt. There is also a walrus tusk that is estimated to be several hundred years old. The collection was loaned to Montgomery & Co., by W. B. VanValin who brought it east with him ten days ago when he and his brother Raymond came for a visit to their old home at Unionville. William VanValin with his wife and little daughter are residents of Turlock Cal., but they spent four years at Point Barrow, on the northernmost boundary line of Alaska, and it was while there that he acquired the skins now in his collection.

CENTRE COUNTY DEBATING TEAM CHOSEN.

An interesting inter-county debate was held in the court house last Saturday morning for the purpose of selecting the team to represent Centre county at the district meeting of the Central Pennsylvania debating league to be held either in Williamsport or Altoona the latter part of this month. There were nine contestants in the three debating teams, from Bellefonte, State College and Boalsburg respectively. Supervising principal Jonas E. Wagner presided and music was furnished by the Bellefonte High school band and orchestra. The question debated was as follows:

Resolved, That peace will be best promoted by general preparedness on the part of all the great powers.

The judges were Prof. J. H. Frizzell, of State College; R. K. Raper, principal of the Tyrone High school, and H. C. Rothrock, of Port Matilda. They named as their first selection Miles Thomas, a son of Mr. and Mrs. Dison Thomas, of Shingletown; second, Lee Frazier, a son of Mr. and Mrs. Foster Frazier, of Spring Mills, and third, Ray Durst, a son of Mr. and Mrs. Cyrus Durst, of Boalsburg. The two latter are students of the Bellefonte High school.

The Central Pennsylvania debating league is composed of twenty-two counties in the State and is divided into four districts. Each county will be represented with a team of three debaters in the district meeting at which time a team will be selected to take part in the general debate which will be held at State College the latter part of May. The district debate of which Centre county is a part if held in Williamsport will be entertained by the Board of Trade, and if held in Altoona by the Chamber of Commerce.

Vail, '16, bass; L. R. Austin, '17, monologist; and H. N. Reed, '18, accompanist, will appear at the High school auditorium next Monday evening, April 10th.

The reputation of this Quartet is well established and Bellefonte people need have no fear of the quality of the production which will be given here. It is a well known fact that they have traveled from coast to coast on two different occasions and they have also journeyed a like number of times to the Panama Canal zone. A return engagement by both the Santa Fe railway and the United States government must be evidence of satisfaction. The program for the concert is as follows:

PROCLAMATION.—WHEREAS, The Commission for Relief in Belgium, through its National committee named by President Woodrow Wilson, states that the need for food and clothing for the 3,000,000 destitute in the war occupied zones of Belgium and Northern France continues;

WHEREAS, The National Society of the Daughters of the American Revolution in co-operation with the Commission for Relief in Belgium, have agreed to celebrate April 8th as a national "Flag (Tag) Day" in commemoration of King Albert's birthday, and

WHEREAS, The great humanitarian work of this Commission is strictly neutral, being approved by the civil and military authorities of the Belligerent Powers.

I, Edmund Blanchard, Burgess of Bellefonte, therefore urgently request that all of our citizens respond liberally to this appeal, so that we may do our share in relieving the dire distress of these helpless and innocent victims of the war across the seas.

Signed, EDMUND BLANCHARD.

APPEALED THE LONG LICENSE CASE.—Following close upon the granting of a license to Clarence E. Long for the Rebersburg hotel for the ensuing year, Thomas A. Auman, J. G. Meyer, N. G. Kreider and J. W. Zeigler, of Miles township, came to Bellefonte on Friday morning and through their attorney, W. D. Zerby Esq., took out an appeal to the Superior court to have the judgment of the lower court set aside. The case has been entered for a hearing in regular order, which will not be until the fourth Monday of October, 1916, unless a writ of supersedeas is granted when it will be heard sooner.

The last of the licenses granted by Judge Ellis L. Orvis before retiring from the bench was lifted on Friday, so that none of the landlords in Centre county allowed their business to lapse for a minute.

—Henry Lesh, a well known resident of Zion, was a business visitor in Bellefonte on Tuesday and a caller at this office. He told us that there were two inches of snow down Nittany valley that morning but of course that was nothing to what they had down the valley during March. Mr. Lesh stated that the kind of weather he had the past winter was very hard on the state road and with the exception of a few high places it is becoming quite rough. —W. F. Keller, of Centre Hall, was in town Saturday evening looking after a few business matters that claimed his attention on this side. He was quite the reverse.
