May Term of Court.

The regular session of the May term of court convened on Monday morning with Judge Quigley on the bench. H. C. Yeager, of Bellefonte was made foreman of the grand jury.

The first case taken up was that of the Kato Coal company vs. Taylor Walker, John Anderson and Charles Herr, the defendants being brought into court to show cause why an attachment should not issue against them for the violation of a writ of estrepments. Mr. Herr was discharged, Anderson was sentenced to pay the costs, one dollar fine and ten days' imprisonment in the county jail, while Walker was directed to pay to the clerk of the court the value of the coal removed from the premises until a final disposition of the case was made, and was given until next Monday to make the payment.

Commonwealth vs. Gray W. Croyle, indicted for desertion and non-support, was sentenced to pay the costs of prosecution, one dollar fine and pay his wife \$15 a month, and give bond for the faithful carrying out of the sentence. The above amount was later changed to \$10 a month.

PAUL SWARTZ GETS A SALTY SENTENCE. Monday afternoon B. Paul Swartz, of Howard, who was convicted at the February term of court for sending threatening letters and attempted extortion, and in whose case a motion for a new trial was pending, was called before the bar and after stating that he had refused the motion the court sentenced Swartz to not less than ten years nor more than fifteen in the western penitentiary. Attorneys for Mr. Swartz at once gave notice that they would appeal the case. Charles Colobine, who was convicted with Swartz, failed to appear in court to receive sentence and his bail was directed to bring him into court next Monday.

Commonwealth vs. T. A. Fye and W. E. Fye, indicted for larceny by bailie, prosecutor U. R. Shirey. This case was the result of a horse deal between the above parties and the jury returned a verdict of guilty subject to certain questions of law reserved by the court.

HAYES SCHENCK PLEADS GUILTY.

On Wednesday afternoon counsel for the Commonwealth and the defendant in the case of the Commonwealth vs. Hayes Schenck, under indictment for bounty swindling, reached an agreement whereby the case that was to have come up this week was continued on condition that counsel of Mr. Schenck would withdraw the motion for a new trial of the case on which he was convicted in February and allow him to go before the court for sentence on the part conviction, which was done, and Mr. Schenck gave bail in the sum of \$1,000 to appear next Monday for sentence.

The grand jury completed its work in one day and in the usual report recommended repainting of the ceiling in the recorder's office and better ventilation for the treasurer's office. At the jail the office chairs were found in bad condition and new linoleum is needed in the office. The woman's department should be lined with sheet iron to keep the men from cutting holes in the side of the cells; the floor in the kitchen is in bad shape, the cellar windows need repairing and the barn re-roofed.

Court adjourned Wednesday evening until next Monday morning.

—This is the very first local item that has ever been set on an Intertype for use in the Democratic Watchman. It may not be of much significance to the reader of this paragraph now, but the time will come shortly, we hope, when the great efficiency of the Intertype will reveal itself in a much more readable paper for you.

—While residents of Bellefonte and Centre county are anxiously looking forward to the appearance of the Carl Hagenbeck-Wallace big show in Bellefonte on May 31st, they should bear in mind that there is a big show at the Scenic every night and it costs only ten cents to see it all. There are no side show arrangements or extras, but a great big program of motion pictures such as cannot be seen anywhere else in this part of the State. Manager T. Clayton Brown always keeps the Scenic a little in advance of other picture shows.

—At a special session of court on Saturday Frank Kohan, of Whitecock, pleaded guilty of selling liquor without a license and sentence was suspended upon the payment of the costs. George Mothersbaugh, of Taylor township, also pleaded guilty to shooting at some lumbermen and after hearing the evidence and the gravity of the case Judge Quigley told him he would suspend sentence this time but he would have to arrange to pay the costs; and if he ever came back on the same or a similar charge that he would send him to the penitentiary.

—On Tuesday evening sixteen members of the Bellefonte Civic club went to State College and engaged in a debate with members of the Civic club of that place on the question of moving pictures. Those who took part in the debate were Miss Overton and Miss Hill, of Bellefonte, and Mrs. Dupree and Mrs. Ernesta, of State College. Music was furnished by the College orchestra and Mrs. Horn favored the gathering with a song. At the conclusion of the debate Mrs. William Foster entertained the visitors as well as members of the State College club and orchestra with refreshments.

—E. S. Bomberger, of Palmyra, Lebanon county, was found guilty in the criminal courts of Westmoreland county at Greensburg, last Thursday, on the charge of false pretense, having obtained money from a number of farmers of that county by representing himself as treasurer of an alleged organization known as the "Pennsylvania State Cattleman's Protective Association." Prior to going to Westmoreland county Bomberger visited Centre county, but failed to find this a lucrative field for operations, owing to no cases of the foot and mouth disease in this section. Within two weeks after leaving this county he was arrested at Greensburg.

—Miss Anna Shuey, daughter of Mr. and Mrs. C. A. Shuey, of this place, and who is a Senior student at Dickinson College, Carlisle, was accorded high honors recently when she was elected Miss Queen by the student body for the presentation of "The Triumph of Spring," a masque by Linn Harold Harris, a Dickinson graduate. The play was given last Wednesday and the papers contained very flattering comments on the part taken by Miss Shuey, whose identity was not generally known until she appeared in her royal robes. Last Thursday's Philadelphia Press contained a very good picture of Miss Shuey as well as the other co-eds who took part in the play.

—The Centre county debating team lost out in the final debate of the Central Pennsylvania debating league held at State College on Saturday afternoon and evening. The two teams in the final debate were those from Dauphin and Clinton counties and the former was declared the winner, thus entitling them to the handsome silver loving cup offered by Vance C. McCormick, of Harrisburg, to the winning team. Naturally the friends of the young men who represented Centre county in the debate would have liked to see them win, but as the judges decided otherwise, and their judgment is beyond question, we can only compliment them on being able to make the very good showing they did, and trust they will have better luck next time.

MORROW—STRAUB—Announcement has just been made of the marriage of Miss Mary E. Straub, a daughter of Mr. and Mrs. Milton E. Straub, of this place, and J. Emmett Morrow, a Senior at State College, the wedding having taken place at Bedford, Pa., on November 26th, 1915. The ceremony was performed by Rev. Nalin Bishara, pastor of the Presbyterian church. Mr. Morrow is a resident of Mercer, Pa., and at State College he is an Alpha Chi Sigma man and a member of the college band and orchestra. He will graduate in June and immediately thereafter the young couple expect to locate in Pittsburgh where Mr. Morrow has a good position awaiting him.

The bride is a graduate of the Bellefonte High school and a charming young lady in every way. For several years she has been a teacher in the Methodist Sunday school and has taken a great interest in church work. For several years past she worked as a seamstress in Bellefonte and in her various associations formed many friends who will be sorry when she leaves Bellefonte to make her home in the Smoky city, but the best wishes of all for a happy and prosperous married life will go with her.

CARPENETO—FLACK.—The wedding of Joseph J. Carpeneto, son of Mr. and Mrs. Louis Carpeneto, and Miss Ethel M. They were attended by Benedict Beizer and Miss Helen Shaughensy. Following the ceremony a wedding breakfast was served at the bride's home, after which the young couple left for a wedding trip in the bridegroom's automobile. Upon their return they will go to housekeeping in their already furnished apartments in Crier's Exchange.

WAITE—REESE.—A quiet wedding was solemnized at the United Brethren parsonage on Tuesday, May 16th, at 11 o'clock a. m., when Miss Rhoda M. Reese, daughter of Mr. Christ Reese, of Port Matilda, and G. Ralph Waite, a son of W. W. Waite, of Halfmoon valley, were united in marriage by Rev. T. Hugh MacLeod, the ring service being used.

After the ceremony was over the young couple left for a trip east. On their return they will reside at Juniata, where Mr. Waite is employed by the Pennsylvania Railroad company.

CUMMINGS—FETZER.—Friday afternoon, May 12th, at the Reformed parsonage Bellefonte, Mr. Robert C. Cummings and Miss Elizabeth J. Fetzer, both of Howard, were married by the Rev. Dr. A. M. Schmidt. The bridal party was attended by Mr. John J. McGovern Jr., and Miss Inez M. Bartley, both of Bellefonte. The best wishes of a host of friends are extended to Mr. and Mrs. Cummings. For the present they will make their home at Howard, where Mr. Cummings is in the employment of the Pennsylvania railroad.

CHARLES—STEPHENS.—On Saturday afternoon, May 13th, at the St. Paul's Methodist Episcopal parsonage in State College, Mr. Foster M. Charles, of Boalsburg, and Miss Emeline Stephens, of State College, were united in matrimony by the Rev. J. McK. Reiley. Mr. and Mrs. Charles will go to housekeeping at once in Boalsburg. Miss Stephens, who for several years has been employed in the State College telephone exchange of the United Telephone company, is the daughter of Mr. and Mrs. James Stephens, of East College avenue.

C. V. Burton, of Pittsburgh, representing the Pathe weekly moving picture aggregation, has been in Centre county this week taking pictures and if they turn out all right there is every likelihood that Bellefonte and Centre county will appear upon the screen in most of the cities and towns in the United States in the near future. Mr. Burton was attracted here by the story sent out from State College of the tremendous damage being done in the Seven mountains by fierce forest fires and when he got there he had difficulty in finding a place to get the kind of a picture desired, although he eventually succeeded in getting a few hundred feet of film which he hopes will turn out all right. Mr. Burton is still in Bellefonte and it possible will take a film or two in this immediate vicinity before returning home. Yesterday morning in company with Cyril Moerschbacher, T. Clayton Brown and George T. Bush he went up Spring creek to stage a trout fishing scene, taking along with them as the central figure a fine 16 inch trout young Moerschbacher had just caught. They found a suitable place to make a good picture and while Mr. Burton was arranging his machine Moerschbacher was making casts. Just as Burton got his machine in working order Moerschbacher got a strike and the moving picture man began to grind, and it was well he did because he got a very realistic moving picture of landing a 22 inch trout.

—Forest fires within the past two weeks have done considerable damage in the Barrens and over on the Seven mountains. Scores of men have been out fighting the flames day and night and their labors resulted in the saving of much valuable timber which otherwise would have been destroyed. Among the fire fighters were the students of the forestry school at State College, under the direction of Prof. J. A. Ferguson, director of forestry.

BELLEFONTE HOSPITAL ADOPTS UNIQUE PLAN TO RAISE FUNDS.—At a meeting recently held, the Ladies' Auxiliary of the Bellefonte hospital adopted a novel plan for raising much-needed funds necessary for the building of their X-Ray laboratory. It was decided to compile and distribute cook books made up from the best known and home tried recipes that can be secured in Centre county. It is requested that all ladies of Centre county sufficiently interested in the purpose will send a tried and favored recipe to the secretary, Mrs. Edmund Blanchard, Bellefonte, Pa. From these recipes a book will be made up and sold throughout the county. Every purchaser of the book assists materially in the laudable project of the society.

It is also necessary to have the co-operation of the business interests. To attain this end the auxiliary has arranged with the Misses Carrie and Myrtle Miller to call on the different business and industrial establishments throughout Centre county to explain the plan in full. They will have the endorsed credentials of the society and it is sincerely hoped that they receive the assistance necessary to make the project a most glowing success.

AUTOMOBILE ACCIDENT.—On Sunday Charles Campbell and family, in a Ford car, motored from Philipsburg on a trip to State College. Just this side of Lemont as they were rounding a curve a big seven passenger touring car from State College bore rapidly down upon them head-on and in his endeavor to avoid a collision Mr. Campbell was forced into the fence, wrecking the right front wheel, bending the fender and otherwise damaging the car. Mrs. Campbell also received some painful cuts and bruises. Securing help they got the car fixed, as they supposed, and cranking the machine endeavored to continue their journey, but the steering gear refused to work and before the car could be stopped it went over an eight foot embankment. Fortunately no one was seriously hurt in this mishap. The car that was responsible for the accident never stopped, the occupants simply laughing at the Campbell family's misfortune.
