PINE GROVE MILLS ACADEMY REUNION In the shade of the old historic building, and amid the sublimeness of nature, many of the ex-students of the Pine Grove Mills Academy held their annual reunion on Friday, June 23rd.

At an early hour many of the ex-students began to gather on the old historic grounds, renewing old acquaintances and exchanging greetings. By eleven o'clock a large and happy crowd had assembled and were exchanging reminiscences of early school days.

The forenoon meeting was called to order by the president, W. Miles Walker. The invocation was pronounced by Dr. L. N. Fleck, after which the president gave a short address of greeting.

The address of welcome was delivered by Dr. C. T. Aikens, president of Susquehanna University, of Selingsgrove. Dr. Aikens had taught a number of terms at the Academy. He spoke along the lines of the need of Christian education. Music was furnished by the Citizens band.

The hour for dinner having arrived, many bountiful tables were spread throughout the woods, and all enjoyed the many good things prepared by the women of the community. The afternoon was taken up by many excellent addresses. The first speaker was the Rev. Wm. Gemmill, of Millville, Pa. He told of the raising of a company of soldiers composed of the students of the Academy, who took part in the Civil war.

Dr. E. S. Dorworth, of Bellefonte, gave the next address, which was enjoyed by all present. A poem was read by Mr. Charles Dannley, of Medina, Ohio, entitled, "Mountain Echo." It was written by Miss Kate Moser, of Washington, D. C.

The next speaker was Dr. T. C. Houtz, of Susquehanna University, who taught at the Academy in 1884-85.

Others making addresses were J. H. H. Mattern, of Warriorsburg; G. W. Rumberger, Fleming; A. H. Waring, of Philipsburg; Darius Grazier, of Topeka, Kans.; Wm. H. Clark, of Altoona, and Prof. John Hamilton, of State College.

Many letters were received by the committee from ex-students expressing regret that the writers were unable to attend. Letters from the following were received:

Mary J. Beal, J. H. Ward, Charles Groom, Miss Kate L. Moser, Robert A. Wilson, Rev. J. H. Hosterman, Prof. Jacob Kepler Chadman, Rev. A. A. Kerlin, Mrs. Annie Lytle Duff, Hon. P. O. Stover, Dr. H. A. Thompson, LL. D., Rev. D. M. Moser, Rev. Henry Webb, Dr. L. C. Thomas, Mrs. R. O. Miller, Mr. and Mrs. J. M. Musser and W. K. Goss.

Since the last reunion held July 7th, 1915, the following have answered the great roll call: Mrs. Gustie King, J. W. Fry, Col. D. F. Fortney, C. B. Hess and Daniel McBride.

The day proved most short for those present, and as all departed for their respective homes they pronounced it the most successful reunion ever held by the ex-students of the Academy and the committee is to be commended for making it a day to be enjoyed by all present. Special credit must be given Capt. W. H. Fry, who labored untiringly before the reunion and was the busiest man on the day it was held.

Delightful Entertainment by the Parochial School.

Garman's opera house was well filled on Tuesday evening by those anxious to witness the commencement exercises of St. John's school. The patriotic feature of the program was a drill given by the older boys, each proudly bearing an American flag. The different manoeuvres were given with a snap and vigor that would have done credit to a more seasoned troop. After the drill the boys sang "Is There Any Better Country than the U. S. A."

A comedy, bearing upon the rules of parliamentary law, was instructive as well as amusing. This was presented by the older boys. After a long and entertaining struggle a chairman was elected and a constitution drawn up—for the cultivation of smiles and the discountenancing of frowns. A scarf dance by the Senior girls was well executed. The little boys sang and did a funny little dance, and the little girls sang "Daisy Fair," their dance being done by each bearing aloft a wreath of daisies.

The operetta, "Snow White," a festival on the occasion of Snow White's birthday, was presented in four scenes. The cast of characters was as follows: Princess Snow White.....Miss Aileen Hull Queen.....Miss Adeline Anderson Prince.....Master Joseph Sourbeck Carl, the huntsman.....Master John McCulley Seven Dwarfs Chorus of Forest Children Piano, Misses L. Hartle, E. Brown, M. Beezer.

The operetta was well presented, exceptionally well, for such children, reflecting great credit to themselves and the Sisters who trained them. The program was concluded by Father McArdle presenting the premiums for the year, as follows: Gold medal for Christian doctrine, Theodore Kelly. Gold medals for perfect attendance, Ralph Hassenger, Thomas Todsock, Robert Gherrity, John Anderson, Adeline Anderson, Margaret Haupt, Dorothy Hassenger, Christine Gillen and Martha Beezer. Certificates for the Palmer method of business writing, Ralph Hassenger, Anthony Capani, Angeline Carpeneto, Margaret Faupt, Mary Beezer, Catharine Connolly, Bertha Moerschbacher, Louise Hartle, Margaret Mignot and Elizabeth Martin.

After congratulating those to whom medals and certificates were given Father McArdle expressed satisfaction for the work accomplished during the year. In part he said: "Though a thousand matters make urgent demands upon our time and attention in this busy age, they do not divert interest from the liveliest question of the day, 'Education.' It is the one thing that stirs rich and poor alike." He congratulated the people of Bellefonte on their support of the great work and thanked the Sisters for their devotion to duty.

"The object of an education should be a thorough grounding in the three 'A's,' he said. "In these days of 'fads' in education we may be inclined to lose sight of the value of reading intelligently, writing legibly and figuring correctly. Physiology, biology, philology and all the otherologies are all very well in their place, but their value is only negligible in elementary education. More benefit is done the child in properly inculcating and developing the old-fashioned principle."

In conclusion he said: "Many there are who still call the Catholic unpatriotic and decry his church as the 'foe to learning.' The observant great men of our land hold to views which are quite opposite and frequently voice their sentiments on the platform and in the press. The principle upon which the parochial school is based is correct, and consistent with the loftiest patriotism, uniting

Medical.

Dangers of a Cold BELLEFONTE PEOPLE WILL DO WELL TO HEED THEM. Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Bellefonte resident's example:

Mrs. B. Holter, Pine St., Bellefonte, says: "I have used Doan's Kidney Pills often and on for about two years. Whenever a cold or strain causes a dull, constant ache across the small of my back, I use a box of Doan's Kidney Pills and get relief. I believe I did not take Doan's Kidney Pills long enough to be cured, but when I take them, a few doses always fix me up."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Holter had. Foster-Milburn Co., Props., Buffalo, N. Y. 61-26

Amusing Children on the Fourth.

In many families or circles of friends where there are children a Fourth of July picnic is an annual frolic. It keeps the children out of harm's way. A thoughtful mother last year purchased ten cent wicker baskets with handles, and into these she packed twelve individual luncheons. The handles were tied together with red, white and blue ribbons, and each basket was labeled with a patriotic postal, on which the owner's name was printed with red and blue crayons.

Another family in which there is a host of lively children will take on their picnic several rolls of red, white and blue crape paper, a paper of pins, a pair of scissors, a dozen or more toy swords and guns, along with the many good things to eat. Later in the afternoon the clever fingers of an ingenious older sister will convert these materials into military outfits—epaulettes, caps, etc.—to make a patriotic little army of youngsters.

"Surprise pies" are not new or novel; still when they are presented in some new guise they never fail to please. A gigantic firecracker can easily be made by using a full sized sheet of pasteboard rolled into a cylinder. Cover this with two sheets of smooth red paper, having a piece of string showing at the end to represent a fuse. Have both ends of the cracker covered with a thin layer of paper and through small slits have protruding strings or ribbons attached to the gifts inside.

Hood's Sarsaparilla.

Severe Rheumatic Pains Disappear

Rheumatism depends on an acid which flows in the blood, affecting the muscles and joints, producing inflammation, stiffness and pain. This acid gets into the blood through some defect in the digestive processes, and remains there because the liver, kidneys and skin are too torpid to carry it off.

Hood's Sarsaparilla, the old-time blood tonic, is very successful in the treatment of rheumatism. It acts directly, with purifying effect on the blood, and through the blood on the liver, kidneys and skin.
