—Just nine farmers' excursions from different parts of the State to State College have been hauled over the Bellefonte Central railroad during the month of June, and they were no small excursions, at that. They ran from eight to eleven cars and the total number of people taking advantage of the same was very close to 4,900. Every train was handled by the Bellefonte Central railroad without a mishap and on schedule time.

Titan Metal Company to Increase Plant.

Another Big Building to be Erected and Smelting Room to be Enlarged.

At a meeting of the board of directors of the Titan Metal company, held in this place on Monday it was decided to enlarge their plant at Milesburg by the erection of another large building adjoining the present plant on the north. To do this a concrete retaining wall will be built from the end of the present wall down to the concrete bridge across Spring creek.

The building to be erected will be 89x84 feet in size. It will be seventeen feet high to the sills and will be of structural steel and hollow tile. The contract for the concrete work was given to Rhoads & Knisely, Horatio S. Moore will furnish the structural steel and Gehret & Lambert have the contract for the carpenter work. The building is to be completed in six weeks, barring accidents.

In the new building will be located a recovery plant for the smelting of borings and turnings and the recovery of the metal from slag. This will take up about one-third of the space. The balance of the building will be devoted to a complete cold working plant, such as drawing, grinding, straightening and polishing. An addition of fourteen feet will be built on the east and west ends of the present smelting room, which will increase its size at least one-half. This is being done for the purpose of installing a new open hearth plant, a scrap melting furnace and a zinc retort. All this machinery will be built along plans devised by Dr. Hennig and others. All the castings will be made by the Bellefonte Engineering company, the structural iron and steel by H. S. Moore while the mechanical work will be done in the Titan company's own machine shop. The company estimates that when the new plant is fully installed they will be able to recover much of the metal that now goes to waste. In other words, their average waste now is about five per cent, and they expect to reduce this to less than one per cent. Considering the present cost of the material which enters into the make-up of Titan metal this means considerable in dollars and cents. The entire cost of the improvements planned will aggregate from \$25,000 to \$30,000.

The editor of the "Watchman" made a visit to the plant on Wednesday and was very courteously shown all through it by superintendent W. P. Seig and Dr. C. F. Hennig. Everybody was as busy as nailers and every department running to full capacity. The company has orders to keep it busy for weeks and months and every day receives inquiries regarding some special design or work. That the plant will continue to grow in the future is an assured thing and the "Watchman" wishes it all the success possible.

Child Dies from Burns. Ralph Durkee, the five year old son of postmaster and Mrs. William Durkee, of Pleasant Gap, died at the Bellefonte hospital about 4:30 o'clock on Wednesday morning from burns received on Tuesday morning. When the family got up Tuesday morning Ralph was asleep and left in bed. The child awoke shortly thereafter and getting out of bed found a box of safety matches. From all appearances he had lighted and burned almost the entire box before he accidentally set fire to his night dress. Hearing the child's cries of agony Mrs. Durkee ran upstairs and tore the burning garment off of the boy, but not before he was terribly burned and she, herself, was badly burned on the hands and arms. The boy was brought to the hospital but died on Wednesday morning. The parents and four sisters survive. The funeral will be held this afternoon. Rev. McKetchnie will officiate and burial be made in the Pleasant Gap cemetery.

To Celebrate the Fourth. The suggestion made by the G. A. R. through the columns of the "Watchman" last week for a celebration of the Fourth of July has met with a hearty response. Our Boys band of Milesburg will be here to lead the parade. A meeting of the citizens of Bellefonte will be held in the grand jury room at the court house this (Friday) evening at 8 o'clock, to make the final arrangements for the celebration. Every patriotic citizen should attend.

All the stores in Bellefonte will be closed all day on the Fourth, in accordance with an agreement made yesterday.

On Saturday, July 1st, we will offer for sale the celebrated Red Cross vacuum carpet cleaner for \$4.89. Regular price \$7.50.

THE POTTER-HOY HARDWARE CO. The Bellefonte Episcopal parish picnic will be held at Hecla park on Friday, July 14th.

No Paper Next Week.

Owing to next Tuesday being the 4th of July no paper will be issued from this office next week, the entire force taking a mid-summer vacation. The office, however, will be open for business every day, and friends of the "Watchman" are always welcome.

To Care for Soldier's Families. Every loyal citizen of Bellefonte is urged to attend a meeting to be held in the court house this (Friday) evening at 7 o'clock, to make some arrangements to take care of the dependent families of members of Troop L, who have volunteered for the anticipated war with Mexico. As this is a matter that must be attended to promptly it is necessary that everybody willing to aid should attend.

A special meeting of the West Susquehanna Classis was held in the Reformed church, Bellefonte, Friday, June 23. The call extended to the Rev. Richard F. Gass, as pastor of the Nittany Valley charge, was confirmed and a committee to install him was appointed. The installation service will be held in the Reformed church at Howard, on Saturday morning, July 1st, at 10 o'clock. The pastoral relation existing between the Rev. W. M. Hoover and the Hubersburg charge, was dissolved and a committee on supply was appointed.

Of the twenty-one men who took the examinations last week for entrance to the State Forest Academy at Mont Alto, fifteen have been accepted. Five have been assigned to the Clearfield State forest, five to the Greenwood forest in Huntingdon county, and five to the Buchanan forest in Franklin county. They will spend six weeks in practical woods work, at the end of which an additional examination will be given, and the ten men with highest standing will be admitted to the Academy. Among the men accepted is Robert A. Hoy, of Bellefonte, who will be sent to the Clearfield station.

In these days of the uncertainty of war with Mexico everybody is naturally wrought to a high nervous tension and any means of even a temporary relaxation is welcome. The scenic offers the very medium needed. There the mind is diverted from the every day questions of life by watching the interesting programs of moving pictures, and for an hour or two one is able to enjoy the varied phases of human life as pictured upon the screen. Then again, as fast as moving pictures of happenings in the Mexican affair are produced they will be shown at the Scenic. Therefore, don't miss anything.

Judge Henry C. Quigley, county treasurer David Chambers and Henry Kline spent part of Tuesday and Tuesday night at James C. Furst's fishing camp on Fishing creek. The men fished late in the evening and Mr. Kline was the first to return to camp. As he did so he saw something traveling through the brush which he first thought was a man, but on close examination he saw it was a bear. Returning to camp Charles Chandler told him that just shortly before his arrival he heard something in the rear of the tent and going out surprised a bear trying to get through the wire fence. Mr. Bruin was evidently hunting something good to eat.

Train Dispatching by Telephone. The telephone train dispatching system on the Bellefonte branch of the Pennsylvania Railroad company, between Bellefonte and Montandon, has been placed in service. This is the first portion of the Williamsport division to be changed from telegraph to telephone operation. The telephone circuit extends from "DR" tower, near Montandon to "DR" tower, Bellefonte, with connection at all intermediate offices where train operation is handled. The train dispatcher is located at Lewisburg passenger station.

Each tower is equipped with two telephones, so as to avoid the possibility of any office being without means of communication. The lines are arranged at the various block towers, so that any employee calling up from an outlying telephone may obtain direct communication with the train dispatcher. This arrangement is desirable, in order to give the dispatcher first hand information from points on the road, where telephones are located, when occasion requires. The dispatchers' wire is so arranged that any office may be called individually by means of a bell. The dispatcher knows when a call is being given at one office, since a slight "tone" in the telephone receiver indicates that the bell is ringing.

The Bellefonte Chautauqua.

Begin to make your preparations to attend the Bellefonte Chautauqua and the best way to do it is to buy a season ticket.

The town has been divided into districts for ticket sellers, and each district put in charge of one or two canvassers as follows: Curtin and Beaver streets, Mrs. J. E. Ward.

Lincoln street, Miss Mary Blanchard. Lamb, Penn and Ridge street, Mrs. J. L. Montgomery. High from Bridge on Spring to Logan and Allegheny from Parrishes to Aiken's, Mrs. H. C. Yeager. Bishop street, Miss Daisy Keichline, Miss Lillie Smith. Logan, Reservoir and Quaker Hills, Mrs. Helen Shugert. Water, Willowbank and Bush Addition, Mrs. R. S. Brouse.

Thomas street and High street west of Bridge, Mrs. Chas. Keichline. Milesburg, Miss Ophelia Haupt. Pleasant View, Miss Mary Hoy. Each canvasser will have all pledges for her district on July 1st but will not begin selling tickets until July 5th, in order that any persons desiring to redeem their pledges before sale of tickets may secure same from the canvassers of their respective districts between July 1st and July 5th.

LIST OF GUARANTORS: Mrs. R. S. Brouse, Mrs. H. E. Washburn, Earl S. Orr, J. C. Helfrich, Thomas S. Hazel, W. C. Charlton, Chas. F. Cook, Jno. M. Bullock, N. E. Wright, R. R. Blair, H. S. Taylor, J. L. Runkle, Mrs. Elsie B. S. Beck, J. S. McCargar, F. H. Thomas, Mrs. John P. Harris, C. Y. Wagner, Mrs. Chas. Keichline, Ellis L. Orvis, R. L. Weston, Arthur H. Sloop, B. Frank Harbold, J. J. Kilpatrick, Jas. O. Brewer, Herbert Gray, J. R. Hughes, Mr. Jane R. Hastings, Mrs. Ino. I. Oetwine.

Two Cases Argued.

After being continued twice the case of Charles M. McCurdy, trustee, vs. The Bellefonte Steam Heating company, an action to recover payment on \$30,000 worth of bonds, was argued before Judge Quigley on Monday. John Blanchard Esq., represented the plaintiff and Hon. Ellis L. Orvis the defendant company. At the conclusion of the argument Judge Quigley made a rule requiring the defendant company to file additional affidavits of defense within fifteen days or judgment would be entered for the plaintiff.

Argument was also made in the case of Peter W. Rous, trading as Charles Broadway Rous, vs. J. S. Gilliam, a petition to change the character of an action from a writ of trespass to a writ of assumpsit. On March 25th the plaintiff seized the store of J. S. Gilliam, in this place, on an action in trespass to recover on an alleged account of \$2,711. Two weeks later the above action was withdrawn and a new action brought under a writ of assumpsit. The defendant objected, however, and argument was held on the case. Hon. Ellis L. Orvis represented the plaintiff and N. B. Spangler Esq., the defendant. At the conclusion of the argument Judge Quigley granted the plaintiff the right to bring a new action upon the payment of all the costs, which amount to about \$250.00.

Two Electrocuted.

Gaspar Marturano and Thomas Chickerilla, two Italians of Barnesboro, were electrocuted at the new penitentiary on Monday morning. Marturano went to the chair at 7:08 and after three contacts was pronounced dead at 7:12. Chickerilla followed in the chair at 7:21 and after four contacts was pronounced dead at 7:26 by the penitentiary physician, Dr. Robert J. Campbell. The condemned men were attended in their final moments by Fathers McArdle and McGarvey, of Bellefonte.

Marturano and Chickerilla were electrocuted for the murder of Vito Cavolla, near Barnesboro, over two years ago. Robbery of his pay envelope was the cause of the murder. The two men made a hard fight for life, their case having been before the Board of Pardons several times. Chickerilla is a single man while Marturano leaves a daughter in Italy to whom he transferred his property in Cambria county, valued at about one thousand dollars. The remains of both men were buried in the penitentiary cemetery.

New Armory Board.

Prior to Troop L leaving Bellefonte the Armory Board, which consisted of Capt. H. Laird Curtin, First Lieut. E. R. Taylor and Judge Henry C. Quigley, held a meeting and selected J. Linn Harris and William Burnsides as members of the board during the absence of the captain and first lieutenant of the Troop. They two, with Judge Quigley, will have charge of the armory and everything pertaining thereto.

IN PARTING.

We laughed at our fears. As we joined in the cheers, We smiled through a curtain of Pain. We bade them "Good Bye," With a tear bedimmed eye, As the band played a parting refrain.

Oh, the sad hearts that bled, And the tears that were shed, As we waved them a fond farewell; Came the thought, "What a Price! What a dear sacrifice! Honor asked of the Boys of Troop L."

Our beloved ones Brave, To Old Glory we gave, When stern Duty sounded the "call." Yet our sorrows were sore, Like our fathers of yore, And sadly we smiled through it all.

So here's to Troop "L." The lads we love well, They will always be loyal and true. They will ever stand by Ever ready to die, For the Land of the "Red, White and Blue."
