REBERSBURG.

Victor Brungard got a new Maxwell auto and "she runs all right." Fred Miller and family, of Illinois, are visiting his parents and friends here. Cherries are now fast coming to an end and huckleberries taking their place. A party from here left last week for Atlantic City for salt air and water. Mr. and Mrs. Charles Woodling, of Brooklyn, are visiting friends and relatives in town. Russel Auman went to Lewisburg, where he is now working in a first class barber shop. The baseball team of Rebersburg certainly got done up by the Millheim team in their last game. Mr. and Mrs. D. D. Royer were at Loganton last week to attend the funeral of Mrs. D. M. Morris. Thurston Diehl, living west of Bellefonte, is visiting relatives and friends here. He is on his vacation. Howard Krapp's lamp-post resists all automobiles of whatever make, even if Maxwells and Fords run up against it. Claude Smull has charge of M. C. Horner's store this week and is doing well. He delivers candies, etc., to ladies only. One of our young widows of Rebersburg is on a good way toward matrimony. Who will be the next at west Rebersburg? Mr. and Mrs. Harry Royer and Mr. and Mrs. C. C. Bierley and daughter were in Bellefonte last Saturday and saw the moving pictures. Ed. Hosterman went to Danville for treatment last Friday. He has been ailing for some time and his condition was becoming worse instead of better. Mrs. Emma Rauch and children, of Williamsport; John Frank, wife and children and David Guisewhite, all of Eastville, were the guests of Mr. Ed. Frank last Sunday. The potato bugs are now getting about as much attention in discussion as the European war. Everybody is busy killing them, but they seem as numerous as the Germans. Notice is hereby given to the general public that any one who says I am not through hay making will be arrested for slander and sued for breach of promise, for not helping me. A horse of C. E. Long became ill last week and had to be cared for a few days at the school east of our town, where it became ill. The health of Mr. Horse has now been restored. Cutting weeds along the public roads is an excellent idea. Continue the good work until the weeds are conquered completely. The public roads are the breeding places of many weeds in our fields. Rev. Noah Fehl, of Pittsburgh, preached a fine sermon last Sunday night in the Lutheran church. Noah is a Baptist minister and has good success in his work in the western part of the State. The Millheim boys go to see the Rebersburg girls; the Aaronsburg boys the Rockville girls, and where do our Brushvalley boys come in? Why they go to see the Millheim Texas girls in order to get even. President Wilson has selected Hon. Henry Meyer, of this place, as one of the presidential electors of Pennsylvania. Mr. Meyer well deserves this recognition because of his valuable service to his party for many years. It seemed as if he had retired from politics for a time, but it now appears that he is getting back into the game. Last week one night when George Waite's chimney fell down a few of our people concluded that the world was coming to an end at once, and the "Old Feller" was getting after them with stones. But after a little investigation it was found that Waite's chimney had fallen. People around the hotel are becoming a little scared and superstitious.

BOALSBURG.

Miss Mary Corl visited friends at Pleasant Gap. Miss Louella Ross visited friends in Centre Hall. Mrs. Mabel Mothersbaugh and son, of Aaronsburg, are visiting in town. Wm. Mrs. Bruce Lonebarger and sons, George and Fred, are visiting in Vienna, Va., with friends. Mr. and Mrs. Samuel Reitz and son, of Oak Hall, spent Sunday with Mr. and Mrs. Henry Reitz. Misses Verna and Isabelle Rowe, of Centre Hall, spent the week-end at the home of George Rowe. Misses Margaretta Goheen, Maude Houtz and John Patterson, who are attending school at State College, spent Sunday at their homes in town. Prof. E. H. Meyer, with his wife and daughter, motored from Newark, N. J., and will spend the summer with their parents and friends in town. Miss Lillie Dale returned from a six week's visit in Philadelphia. Mrs. George Dale and children accompanied Miss Dale and will remain for an indefinite visit. Hon. Cyrus Woods and wife, of Greensburg, visited with relatives in town a short time ago. Dr. Geo. Woods and family, of Pine Grove Mills, also spent some time here. —Have your Job Work done here.

EAST BRUSH VALLEY.

Wilbur R. Brungard is assisting his brother-in-law, at Bellefonte, through haying. Now that haying is over, harvest is being looked forward to with great expectations. Master Ward Feidler, of Madisonburg, was among his East Brushvalley friends over last Sunday. Miss Berenice Crouse, of Smullton, visited her friend, Miss Anona Yearick, of this place over Sunday. Messrs. Ira Brungard, W. A. Winter and S. C. Yearick autoed to Spring Mills on Saturday of last week. Mr. and Mrs. H. A. Meyer, of this place, were visitors at Woodward during the latter part of last week. The huckleberry crop is being harvested at this time, the fourteen mile Narrows being the general trend. Thos. B. Stitzer says that potato bugs and stones would not be missed, should there be a deficiency at any time. Miss Mary Stover was entertained at home by J. E. Harter, at Coburn, during the latter part of last week. The cherry theorem was cited and the result of the demonstration was black hands, which were acquired by all who were familiar with the proposition. Yes, we'll all help to sack Roosevelt this fall. Give honor to whom honor is due, thus attributing to Wilson the sweet breath of peace. This is no suitable time to put a new wheel on the shaft, as the old one runs as it never ran before.

AARONSBURG.

Miss Sallie Steffin returned home from a visit of several weeks among relatives. Miss Eva Kreamer, of Spring Mills, spent Sunday with her parents, Mr. and Mrs. H. D. Kreamer. Mr. and Mrs. B. F. Stover and Mrs. Kreamer spent Sunday with their nephew, John Detwiler, of Centre Hall. Mr. and Mrs. A. S. Stover and son John spent Sunday with Mrs. Stover's sister, Mrs. Perry McKinney, of Pottery Mills. Master Robert Wetherhold, of Altoona, is visiting his grandmother, Mrs. Mayes; also his aunt, Mrs. Wm. Guisewhite. Miss Ethel Farley, of Mifflinburg, circulated among subscribers of the "Review of Reviews," whose interests she has been serving the past two summers. Mr. and Mrs. Adam Benders and daughter Edna, Mr. and Mrs. Lloyd Wingard and son Lewis, all of Bellevue, Ohio, spent a week very pleasantly with their brother, Ed. Fehl and family. On Tuesday morning they left for home, going by way of Buffalo, N. Y. Mrs. Flickinger and son Arthur, of Brooklyn, N. Y., are visiting Mrs. Flickinger's parents, Mr. and Mrs. H. A. Ocker. Their visit was hurried on account of the epidemic of infantile paralysis now prevailing in those cities. They will remain until cooler weather sets in.

LEMONT.

Huckleberries will soon be on the market. The farmers are through haying and busy cutting wheat. The hay crop that has been housed is the largest for a number of years. The rains that have been falling of late, with the warm days and nights, are making the oats and corn grow. The house erected by E. W. Evey, for dairy purposes, is the finest equipped and arranged place of its kind in this part of the State. The directors of College township have chosen the following teachers for the ensuing term, viz. Lemont grammar—Nan Bailey. Lemont primary—Miriam Dreese. Oak Hall—Henry Hosterman. Branch—Margaret Glenn. Centre Furnace—Mary Bailey. Houseville—Ernest Johnston. Dales—G. W. Williams.

Medical.

A Twice-Told Tale ONE OF INTEREST TO OUR READERS. Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Bellefonte woman is confirmed after six years. Mrs. J. C. Johnson, 365 E. Bishop St., Bellefonte, says, "I was a great sufferer from backache and pains across my loins and I could hardly get about the house. Dizzy spells came over me and I nearly fell. I was restless at night and my kidneys caused me a lot of annoyance. Two boxes of Doan's Kidney Pills, which I got at Green's Pharmacy, did me more good than anything I had previously tried. The backache and pains disappeared and my kidneys became normal. I now feel better in every way." (Statement given October 21, 1907.)

A PERMANENT CURE. Over Six Years Later, Mrs. Johnson said: "Time has proven that Doan's Kidney Pills are a reliable remedy. The cure they made for me some time ago has been permanent." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Johnson has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. 61-28

HENRY KELLEY OF THE BIJOU SINGERS.

He is a big fellow, with a ready smile and a winning way. You are bound to like him personally and his voice. Hear it and pass your own comment.

As a boy, Kelley ushered at the Boston Opera House. The great singers of worldwide reputation who sang there taught him the little secrets and arts of singing.

Gradually as his powers developed Kelley became noticed by the best critics in Boston and New England. They predict for him a wonderful future.

His voice is a rich, resonant baritone, of excellent timbre and under perfect control.

No Witnesses.

"You are charged with stealing nine of Colonel Henry's hens last night. Have you any witnesses," asked the justice sternly.

"Nussah!" said Brother Jones humbly. "I specks I see sawtuh peculiar dat-uh-way, but ain't never been mah custom to take witnesses along when I goes out chicken-stealin', suh."

Medical.

Girls With Beautiful Faces or Graceful Figures.

American girls have a world-wide reputation for beauty, but, at the same time, there are girls in Pennsylvania who possess neither beauty of face nor figure because in these instances they suffer from nervousness, the result of disorders of the womanly organism. At regular intervals they suffer so much that their strength leaves them; they are so prostrated that it takes days for them to recover their strength.

Of course, such periodic distress has its bad effect on the nervous system. The withered and drawn faces, the dark circles and crow's feet about the eyes, the straight figure without those curves which lend so much to feminine beauty are the unmistakable signs of womanly disorders.

Johnstown, Pa.—"I was always ailing and had severe headaches up to the time I used 'Favorite Prescription.' I used remedies from several doctors but none helped me much. I learned of 'Favorite Prescription' through a little book thrown in the door. I had also heard of Dr. Pierce's remedies through some friends, so I began using the 'Prescription.' I was glad to see that it helped me, so I kept on using it until 6 or 7 bottles had been used. I got all over my headaches and my health was improved. I was put on my feet. The awful headaches never came back and my general health has been better than in years. If I should again feel the need of a woman's medicine I would use 'Favorite Prescription' on account of what it did for me on the above mentioned occasion."

—Mrs. LILLIAN BUTLER, 307 Market St., Johnstown, Pa.

Dr. Pierce's Pleasant Pellets are the original little Liver Pills, first put upon the market 50 years ago. They regulate and invigorate stomach, liver and bowels. Much malice, but never equalled. Sugar-coated and easy to take as candy.

Going to it Gently.

"Can you bear it if I tell you something serious?" ventured the young husband.

"Yes; don't keep anything from me," gasped the bride.

"Remember, this does not mean that my love for you is growing less."

"Don't break my heart. What is it?"

"Well, my dear, I'm getting tired of angel food every day for dinner. Would it be too much to ask you to have liver and onions?"—Pathfinder.

Hood's Sarsaparilla.

Do You Suffer from Backache?

When your kidneys are weak and torpid they do not properly perform their functions; your back aches and you do not feel like doing much of anything. You are likely to be despondent and borrow trouble. Don't be a victim any longer.

The old reliable medicine, Hood's Sarsaparilla, gives strength and tone to the kidneys and builds up the whole system.

Hood's Sarsaparilla is a peculiar combination of roots, barks and herbs. No other medicine acts like it, because no other medicine has the same formula or ingredients. 61-28
