Mr. and Mrs. Alfred Reed and daughter Frances, of Mifflinburg, were week-end visitors at the home of Samuel Mowery. My dear, there's too much caloric in this soup. "Tain't so, for we hadn't such a flavor in the house. Nothin's the matter with the soup except it's too hot." —Baltimore American.

Meyer's sons, who was badly cut on the leg with a scythe, is getting along finely. Brown is visiting his many friends in Brushvalley. It is twenty years since he was minister of the Reformed church here. Although still the same genial gentleman of many years ago, he is now sporting a few gray hair, which is only natural, as he is within two weeks of being fifty years of age, but feels as well and as young as when he was twenty. He preached an able sermon last Sunday night in the Rebersburg church on "Judgment," the subject being suggested by the novel, "The Eyes of the World." He still does some preaching but is mostly engaged in business, as manager of a woolen mill in one of the suburban towns of Reading, Pa. We are told that he has collected quite a pile of shekels. He has excellent executive ability and is meeting with great success. We wish him great success and hope he will come back oftener than once in twenty years to see his Brushvalley friends, otherwise he may forget some of his Pennsylvania Dutch living "right behind Reading."

Not a Weed in Parsons. Mr. William Loomis, of Parsons, Kansas, had an idea. All Parsonites agreed that there was no other town in the United States that could compare with Parsons; but Mr. Loomis, as Commissioner of Streets, was not blind to the fact that even Parsons could be improved. For instance, there were many vacant lots in the town where gaunt, unseemly weeds thrived, waxed, and grew strong in manner of weeds. Mr. Loomis looked long on the weeds. And then came the idea. He would grow potatoes on the lots. Almost all the inhabitants in Parsons were fond of potatoes. Parsons itself would grow the potatoes. Next week the city commissioners authorized him to conduct a municipal potato patch, utilizing all of the sixty vacant lots. Parsons is enterprising. Soon it will grow lettuce, turnips, peas—all that is needed for the salads of the prisoners in the jail of Parsons, who now are weeding instead of breaking stone. Mr. Loomis hopes to persuade the city to buy potato seed and give it to the poor to plant. This would be cheaper than paying to have the weeds cut. Soon there will be no weeds in Parsons. —Subscribe for the WATCHMAN.

Medical. Out of the Gloom. MANY A GLOOMY COUNTENANCE IN BELLEFONTE NOW LIGHTENS WITH HAPPINESS. A bad back makes you gloomy. Can't be happy with continual backache. The aches and pains of a bad back are frequently due to weak kidneys. Doan's Kidney Pills are recommended for weak kidneys. So Bellefonte citizens testify. Mrs. S. S. Leitzell, 118 E. Beaver St., Bellefonte, says: "I was troubled by backache in a severe form and I was nervous and run down. Dizzy spells were common. The kidney secretions caused me annoyance. Doan's Kidney Pills fixed me up right good. Whenever I feel a return of the trouble, I at once get a box at Parrish's Drug Store, and they prevent the attack from becoming serious. Doan's Kidney Pills are worthy of praise." Price 50c. at all dealers. Don't simply ask for a kidney remedy—Get Doan's Kidney Pills—the same that Mrs. Leitzell had. Help Your Children to Keep Cool.

So many of the mothers are apt to become cross and out of patience with their children at the slightest provocation in the hot summer time. Of course, the best thing to try to do is turn your back on the heat and escape to the seashore or the mountains, where it is comparatively cool. Unfortunately for many people this is impossible. To you who have to stay in the hot city, do the best by your children that you can. They are bound to feel the heat intensely and be cross and cranky, and anything but a joy to live with. But if you want to help them, put as few clothes on them as possible and allow them to run barefoot when occasion permits. For the little girls, instead of having the hair long, why not have it blocked real short, thus helping a little to keep them cool? If you do not wish to do that, put the hair up on top of their heads. There are a hundred little ways to help them to keep comfortable. Don't let them eat cheap candy and upset their stomachs. It is bad enough for them to be sick in the winter, but much worse in the summer. And how much more it adds to the mother's cares. Try to get the children to take a nap in the early afternoon, as it is so refreshing. In some cases this is very hard to do, but you will find that it will give you relief also to have them tucked safely away for a few hours each day. Let them drink plenty of cool (not ice-cold) water.

A Logical Inquiry. "Carry yer bag, sir?" said an eager urchin to a man on Forty-second Street hurrying toward the Grand Central Station. "No, thanks!" replied the man shortly. "I'll carry it all the way for a dime," persisted the lad. "I tell you I don't want it carried!" retorted the man. "Don't yer?" "No, I don't!" The lad broke into a quick trot to keep up with his victim's hasty strides, as he asked, in innocent curiosity, "Then what are you carrying it for?" —New York Times.

More than a third of all the carpets are woven in Philadelphia, which, it is claimed, leads any other city in the world in the volume of production. Wilton, in England, has given its name to one of the most widely known and useful rugs in the world, but now the Wilton rug producing center of the world is in Philadelphia. Axminster, too, gave its name to a carpet, but it long ago ceased to produce any of it. Brussels likewise is

Medical. Why Suffer With BACKACHE, KIDNEYS OR RHEUMATISM NOW? Letter Tells of Long Looked-for Prescription. Dear Readers: I am making a personal appeal to those of you who are bothered with kidney and bladder trouble, that you give up the use of harsh salts or alcoholic kidney medicines and in their place take a short treatment of "Anuric." I have taken many of Dr. Pierce's medicines for the past twenty-five years with good results. I suffered with kidney trouble for some years. I recently heard of the newest discovery of Doctor Pierce, namely, his "Anuric" Kidney Tablets. After using same I am completely cured of my kidney trouble. I recommend, heartily, all sufferers to Dr. Pierce, for what he has done for me cannot be estimated too highly. A doctor pronounced me a well preserved woman for my age, all due, I believe, to Dr. Pierce's medical aid. Yours very truly, MRS. MELINDA MILLER.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists at Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles. Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers. Simply ask for Doctor Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and reconstructer for any one.
