The Great Copper Boulder of the On- and transport it to Washington, and tonagon.

Rumors of the existence of copper was clearly inadequate, General Cunalong the shores of Lake Superior were generally current anmong the Indians east of the Mississippi from an early time. The first explorers the schooner Algonquin. It was exhibited there for a month; then the United States government demanded and missionaries frequently came upon copper in the possession of tribes that were remote from any mineral it, and it was sent to Washington by way of Buffalo, the Erie Canal, and New York city. The rock was taken to the quarterregion, and when they made inquiries learned that it had been obtained by barter from a people who lived "on a river that emptied into a big lake." master's bureau of the War Department, left in the yard, and almost for-

At last the gossip of the wilderness became explicit. The source of all gotten for many years. Later it found a home in the National Museum of the underwent some time ago was not as successful as was first thought. Her condition is now quite aritical less, some readers of this article have ley of the Ontonagon River, six or eight leagues only from its mouth in Lake Superior. The first white man

who actually saw the boulder was

got lost in the woods and failed to find it. Through one of the men who had been a member of the Cass expedition, Mr. Julius Eldred, a merchant Cannon and Mr. Martin left for Phila- of Detroit, became interested, and bedelphia Sunday. Mrs. Martin will be gan to plan how he could remove the

boulder to civilization. In 1841, Eldred went in from Sault Sainte Marie to the Ontonagon country, and began negotiations with Chief O-ko-no-do-kan for the purchase of the boulder. After some discussion a bargain was struck for Clarence A Houtz is spending a week remove the boulder. But with the

means at his command he was only able to clear the earth away from its base, and get it up a few feet on

In 1843, Mr. Eldred returned to the task. He had got from the United States mineral agent permission to exploit for mining purposes the sec-tion on which the boulder was located, but was surprised to find on his arrival that a party of Wisconsin min ers were already operating under a permit from the Secretary of War. Mr. Eldred solved the difficulty by

buying the rock from the new claim ants for \$1,365. After a week's work the men got the boulder, which weighed about

three tons, up the fifty-foot bank to level ground. Next they cut timbers, hewed out log rails for a track, and

finally got the huge mass on a car that could be dragged by means of a Nelson Jones' son and D. H. Knepp's daughter were operated upon, last Wed-nesday for enlarged tonsils, and both are swamp, and forest, they toiled with

At the mouth of the river, Mr. Eldred met an order from the Secretary of War directing General Cunningham, the land agent, to seize the rock

Burden

Woman's lot is a weary one at best. But with backache and other distressing kidney ills life indeed be-comes a burden. Doan's Kidney Pills have made life brighter for many Bellefonte women. Read what Mrs. Wyland says: Mrs. Isaac Wyland, Wilson St.,

Bellefonte, says: "I was exposed to severe weather and caught cold, which settled on my kidneys. My back began to ache and there was

an almost unceasing pain. I was in bed for a week. Even then, I didn't rest properly and in the morning, felt all out of sorts. Often the pains

were so severe that I cried. My

housework was a burden. The slightest exertion caused misery.

Dizzy spells were common and my sight was blurred. Doan's Kidney Pills took hold of the trouble at once and after I had finished one box, the

pain in back left and I was as strong as ever. Doan's Kidney Pills deserve

Price 50c, at all dealers. Don't simply ask for a kidney remedy— get Doan's Kidney Pills—the same that Mrs. Wyland had. Foster-Mil-
