The Bellefonte Public Schools. The public schools of Bellefonte will open September 18th, or on such a date as the State Commissioner of Health may designate.

The attention of parents is called to the new course in household arts that is being organized for the girls of Bellefonte and surrounding community, who expect to enter the High school this fall. The purpose of the course is not to train girls for domestic service, as is understood by some who have made inquiries. The specific aim is to prepare any girl to become a better woman in her future home. Having this end in view, the subjects studied will cover a wide range of household interests, a cursory examination of which will show the general character of the studies in which it is believed every girl who desires to attain the highest degree of usefulness in her coming home ought to qualify. It is felt that the Bellefonte schools have placed at the disposal of the young women of this community one of the best courses that a standard High school is able

The course that will be outlined Arts Course." It will cover a period of four years, with three-fifths of the time devoted to strictly household subjects, and the remaining portion to regular academic studies. The curriculum, with the number of recitations a week given in numerals, is indicated in the following outline:

First Year: English (5), history or Latin (5), cooking (5), sewing (5), drawing (2), sanitation (1), and first aid (2).

Second Year: English (5), history or Latin (5), cooking (5), sewing (3), drawing (2), laundry science (2), household accounts (1), marketing (1), personal hygiene (1), and serving (1).

Third Year: English (5), citizendrawing (2), home nursing (2), milli-Fourth Year: English (5), elec-

bacteriology (3), and care of children (1).

Pennsylvania Roads.

Some automobilists are prone to condemn wholesale the roads in Pennsylvania because they find hard traveling in one portion of the Commonwealth. Such, in fact, must be the case with a Hazelton banker, who wrote a letter of protest to the "Public Ledger," of Philadelphia, and one day last week "Girard," one of the 'Ledger's" special writers, commented upon the fact as follows:

has been bumping the bumps of Luzerne county in his car, has not a kind word to say for Pennsylvania roads. to say the final "yes."

"Whenever the writer"—his letter Miss Freas and Smith had been lies before me—"wishes to tour he close companions from childhood. gets out of Pennsylvania as quickly Later the sturdy captain paid her

Too bad, because this son of a dis-tinguished and philanthropic father is season of 1915 closed Dr. Winters bemissing some of the finest drives in gan paying court to Miss Freas. the land. There is nothing in the The announcement of the eng vaunted Berkshires of Massachusetts Columbus of this district was held at which surpasses such glorious regions as the Nittany and Penns Valleys in central Pennsylvania.

And the new State roads in Pennylvania are a match for those in the Old Colony. At least they were a fortnight ago, when I went over scores of miles of them.

One of Mr. Carnegie's millionaire "boy" partners, who often drives a car from Pittsburgh to New York, is my authority for saying that the Keytone roads now distinctly outclass the Jersey roads, which a few years ago were far the better.

It is true there are still thousands of miles of Pennsylvania highway which disgrace America's richest Commonwealth. But why damn the whole fish because of some bones in

Pearl C. Gray vs. The P. R. R. Co. Medical Society Held Annual Meeting.

> The annual meeting of the West Branch medical society was held at the Clinton Country club last Thursday. About fifty physicians from Centre, Clinton and Lycoming counties were present. A delicious lunch was served at one o'clock after which Free, of DuBois.

The following officers were elected for the ensuing year: President, Dr. Melvin J. Locke, of Bellefonte; first vice president, Dr. Charles W. Youngman, of Williamsport; second vice president. Dr. G. G. Green, of Lock Haven; secretary and treasurer, Dr. Eckley and her daughter Mary. Re-J. M. Corson, of Chatham's Run. The place for holding next year's meeting -They are all good enough, but the will be selected by the officers of the Correspondent's Column.

This column is at the service of those of our people who desire to express their views on any subject of general or local interest. The "Watchman" will in no way be responsible for their ideas or statements. The real name of the author must accompany all communications, but will be withheld from publication when the request is made.

Protests Against Tax on Fishermen. I notice in the newspapers lately that a tax on fishermen is proposed in order to raise more money for the Fish Commission to be expended in the enforcement of the fish laws and in the propagation of more fish. As far as the propagation of fish and the enforcement of amount not TOO much to spend on A splendid poultry building offers a payment of bounties and propagation of show their stock and make sales for money paid by the Commonwealth has another season. A small premium decreased in the last two years, under Fish Commission have 25 cents out of every dollar collected from hunters' lihorticultural products will be a fea- censes? This would give the Fish Com. mission between \$75,000 and \$100,000 to be expended in their line of endeavor and it seems to me that there would still be enough and plenty left for all possible needs of the Game Commission. It seems that our sportsmen do not consider the poor man enough in their framing of the sporting laws. The hunter's license brings in now over one third of a million dollars of new revenue, and still more is wanted.

A PROTECTOR OF GAME.

Former Academy Student Proves a Modern Lochinvar.

The following dispatch appeared in last Saturday's papers and will be of interest here because the "Red" Smith referred to is the young man who spent several years at the Bellefonte Academy, during which time he took a prominent part in all kinds of athletics:

Pittsburgh, Pa., Aug. 25.—Wayne B. "Red" Smith, captain and guard of the 1915 University of Pittsburgh football eleven, with the aid of a high-powered motor car succeeded in making Trila Imogene Freas, of Punxsutawney, his wife despite the fact that her betrothal to Dr. Ellis C. Winters, of Ford city, was announc-

ed July 19. The couple were married in Wheeling, West Virginia. Fearing that Miss Freas might prove capricious on A Hazelton bank president, who the journey to Wheeling, Smith locked the doors of his car to prevent her leaving until she had an opportunity

constant attention throughout

The announcement of the engagement came as a great surprise Smith, and, according to close friends, he "mooned" continually over the coming event. Words of encouragement from his college chums finally stiffened Smith's faltering determination to ask Miss Freas to change her mind.

Watching his chance he drove from his home in Punxsutawney, Saturday, August 19th, located Miss Freas in this city, invited her into his car and locked the doors.

The ride to Wheeling was made at breakneck speed. A minister was sought, but it was found that he was absent from home. Fearing that the bride-to-be might change her mood, if they left the house, Smith decided they would "wait for the minister." After a two-hour vigil the reverend gentleman made his appearance and the knot was tied. Nothing was known of the affair

until Wednesday, when a friend of the fermer foot ball star received a telegram from him stating that the newly married pair were in Atlantic City.
Miss Freas is the daughter of the

late P. O. Freas, former mayor of Punxsutawney. She is a graduate of Mrs. Smallwood's School, Washington, D. C.

Williams Family Reunion.

The crowd that attended the William's family annual reunion in the John Q. Miles grove, near Martha last Saturday, was variously estimated at from twelve to fifteen hundred people. At that the attendance would probably have been larger but for the infantile paralysis scare sweeping over the country and the belief of many people that children would not be permitted to attend.

Addresses were made by Rev. Gordon A. Williams, of Altoona, and Clement Dale Esq., of Bellefonte. A ball game furnished some exciting entertainment for the crowd until a shower of rain caused many to leave the field. Music was furnished by the Sandy Ridge band. A number of Bellefonters were in attendance.

The Hazel--Schaeffer reunion at Madisonburg, last Thursday, also drew a big crowd from the lower end of the county. In fact the delightful weather of that day doubtless had a lot to do with the large attendance. There were the usual number of speeches, sports and a big basket dinner. One thing noticeable at this gathering was the absence of political candidates.
