

With the Churches of the County.

Notes of Interest to Church People of all Denominations in all Parts of the County.

CHRISTIAN SCIENCE SOCIETY.
Service Sunday 11:00 a. m. Wednesday 8 p. m., 9 1/2 E. High street.

United Evangelical Church.—No Sunday school next Sunday. The annual sermon to the old folks will be preached on Sunday, September 3rd, at 10:30 a. m. The Harvest Home sermon and Rally will be in the evening at 7:30 o'clock. Everybody 16 years and above is invited to these special services. There will be a fine display of fruits, etc., for this occasion.

Services will be fully resumed in the Methodist Episcopal church next Sunday. Because of the order of the State Board of Health, however, there will be no session of the Sunday school. The two Adult organized Bible classes, (men and women) taught by the pastor, will meet at 9:45 a. m. At 11:00 the topic will be "The Renewed Covenant." A Labor Day sermon at 7:30 p. m.—"How to Christianize a Competitive World."

REYNOLDS—JACKSON.—The wedding of Miss Mary Katherine Jackson, daughter of Commissioner of Labor and Industry John Price Jackson and Mrs. Jackson, of Harrisburg, and Frank Winthrop Reynolds, of New York city, took place at the Jackson residence in Harrisburg at 7:30 o'clock on Saturday evening, and was a brilliant social event. The ceremony was performed by Rev. William N. Hubbell, of New York city. The bride, who was given away by her father, wore a gown of Duchess satin trimmed with fillet lace and court train, with a garniture of pearls and rhinestones. Her veil was of Princess lace and her shower bouquet of valley lilies and orchids. She was attended by Miss Helen G. Jones, of Ardmore, as maid of honor, who wore a gown of Nile green pussy willow taffeta and white tulle. She carried a shower of fern and roses.

The bridesmaids were Miss Catharine Emma Jackson, a cousin of the bride, of Boston, Mass.; Miss Ruth A. Hunting, of Albany, N. Y.; Miss Margaret McClure, of Lewisburg, and Miss Mary Louise Heckel, of Columbia. George K. Reynolds, of Lancaster, a brother of the bridegroom, officiated as best man. The music was furnished by the Updegrave orchestra. Following the ceremony a wedding dinner was served and reception held after which Mr. and Mrs. Reynolds departed on a wedding trip to the White Mountains, at the conclusion of which they will take up their residence in New York city.

A large number of out of town guests were present among them Prof. and Mrs. Hugo Deemer, Mr. and Mrs. Joseph Wilmer Henszey and Dr. and Mrs. William Frear, of State College, where the Jacksons resided for years while Mr. Jackson was the dean of the School of Engineering.

FABER—QUIGLEY.—Clarence E. Faber, of Williamsport, and Miss Helen Quigley, of Beech Creek, were married at the home of the bride at 5:30 o'clock on Saturday afternoon by Rev. Lewis Nichols, of St. Paul's Episcopal church, Lock Haven. Only a few invited guests were present to witness the ceremony. Following a wedding dinner Mr. and Mrs. Faber left on a honeymoon trip to Atlantic City and other eastern points.

The bride is a daughter of the late Franklin Quigley, a graduate of the West Chester Normal school and during the past three years has been a teacher in the Beech Creek schools. Mr. Faber is a graduate of State College class of 1910, and now holds the position of draughtsman for the Beech Creek Auto Truck company. The young couple will reside in Beech Creek.

BEHRER—BROBECK.—William Budd Behrer, formerly of Halfmoon township but now of Pittsburgh, and Miss May Brobeck, of State College, were married at the parsonage of the Lutheran church in Hollidaysburg at six o'clock on Monday evening, by the pastor, Rev. Julius F. Seebach. Immediately after the ceremony the bridegroom left for Pittsburgh and the bride returned to State College, as they will not take up their residence together in Pittsburgh for several weeks.

JOHNSON—WILLIAMS.—A pretty wedding took place at the home of Mr. and Mrs. Ralph Stover, at Pine Hall last Thursday, when Forest W. Johnson, of State College, and Miss Edna P. Williams, of Scotia, were united in the holy bonds of matrimony by Rev. S. C. Stover, of Boalsburg. Both parties are well and favorably known in their respective communities and their many friends join in wishing them a happy journey through life. They will reside at State College.

RUNKLE—AIKEY.—Hugh Runkle, of Milesburg, and Mrs. Gertrude Aikey, of Curtin, were married at the parsonage of St. Luke's Reformed church in Lock Haven, on Saturday morning, by the pastor, Rev. William E. Harr. The couple will make their home near Milesburg where the bridegroom is engaged in farming.

A little daughter arrived in the home of Mr. and Mrs. Fearon Showers on Wednesday night of last week, and on Tuesday of this week a son arrived in the home of Register and Mrs. Frank Sasseran.

There are Hughes, Carranza and von Tirpitz—three of a kind with whiskers.

Two Deaths from Infantile Paralysis.

Two children of Mr. and Mrs. Cyrus Powley, of Fairbrook, died last week as the result of infantile paralysis. They were Clarence Powley, aged three years, who died at 8:45 o'clock on Friday morning and was buried the same afternoon, and Sarah Powley, aged 19 months, who died at eleven o'clock Friday night and was buried Saturday morning. None of the other children in the family have so far contracted the disease.

The disease first manifested itself in that locality in the home of Joseph Harpster, when his six year old daughter Myrtle became ill about two weeks ago. She was attacked in the lower part of the body and as a result has lost the use of both legs, unless something can be done in the future to restore their power and action. So far as known no other new cases have appeared in the county.

The spread of the disease, however, has caused a State-wide scare and on last Friday State Health Commissioner Samuel G. Dixon issued a proclamation keeping all schools closed until September 18th, at least. This also includes the Sunday schools, and in consequence there was no Sunday school in Bellefonte last Sunday nor will there be until permission is given by Dr. Dixon. Moving picture managers were also notified to exclude children under the age of sixteen years.

John Curtin, secretary of the local Board of Health, has also started a general clean-up campaign as one of the most effective ways of keeping the disease out of Bellefonte. Every property in the borough will be inspected by a competent person and the resident and property owner notified if a cleaning up is necessary; and such cleaning must be done within forty-eight hours. Every effort will be put forth to keep the disease out of Bellefonte and if everybody observes the rules as laid down by the proper authorities there is no reason why we should not escape an epidemic of the malady, at least.

The State Board of Health on Wednesday sent out a notice that all schools and colleges may open at their regular time, if the management so desire, providing they do not admit children under sixteen years of age before September 29th.

The Pennsylvania State College.
To prevent the spread of infantile paralysis, the State Department of Health has ordered that schools and colleges shall not open before Monday, September 18.

Registration day will be Monday, Tuesday and Wednesday, September 18—20. Re-examinations and examinations for admission and advanced standing will be held on these three days, beginning at 1:30 p. m. Monday. All examinations formerly scheduled for Thursday will be Monday afternoon and evening; those scheduled for Friday and Tuesday will be held Tuesday; those scheduled for Saturday will be held Wednesday. College classes will begin Thursday morning, September 21.

Odd Fellows Picnic Called Off.
Owing to the precautions now being taken throughout the State against the spread of infantile paralysis, the Odd Fellows of Bellefonte and State College on Monday night decided to call off their picnic scheduled to be held next Monday (Labor day) at Hunter's park. Therefore, all readers of the "Watchman" and the public generally who had counted on the day's outing can take this notice as the official announcement that there will be no picnic.

Attention, Comrades!
Members of the Centre county Veteran Association, owing to the rapid spread of that much dreaded and fatal disease, infantile paralysis, our annual meeting and reunion for 1916, set for Pine Grove Mills on September 23rd, is hereby postponed.

JOHN HAMILTON, Pres.
W. H. Fry, Secretary.

LEMONT.

Sunday night and Monday we got a grand rain.

Ernest Johnston and wife are visiting his parents this week.

Miss Guisewhite and brother are visiting at the home of Luther Dale.

The Sunday school picnic held in Philip Wirtz's woods was well attended and all had a good time.

Allen McClellan and Thelma Hazel, were out from Bellefonte attending the Sunday school picnic Saturday.

Rev. Barber, father of Rev. L. V. Barber, the Presbyterian minister of this place, preached here in the pulpit of the latter on Sunday.

The public schools of College township are not to be opened before September 18th, or when ordered to be opened by the Department of Health.

The Sunday schools and young people's meetings were closed, as the State Department of Health requested, until after the 18th of September, and the people of this community think all public gatherings should be closed and every precaution taken to keep the disease from gaining a foothold here, if it can be done.

Will There be a Strike?

So Far Both Sides Stand Firm. P. R. R. Gives Notice of Embargo.

Up until yesterday evening the situation on the threatened railroad strike was unchanged. The strike order has been sent out for next Monday and all efforts of the President and members of Congress to bring about a compromise or postponement have so far proven futile. What the outcome will be no man can predict, but in order to be on the safe side the Pennsylvania railroad company yesterday sent out the following embargo notice:

In view of the impending nationwide strike of the engineers, conductors, firemen and trainmen in the freight and yard services, the Pennsylvania Railroad company, the Philadelphia, Baltimore & Washington Railroad company, and the West Jersey & Seashore Railroad company have been compelled to issue the following embargo notices on freight, to apply to shipments from all points for all destinations:

Item 1. Effective at close of business, Thursday, August 31, 1916, embargo all shipments of explosives and inflammables of every kind and description.

Item 1. Effective at close of business Friday, September 1, 1916, embargo all shipments of perishable freight, including livestock, dressed beef, live and dressed poultry and fresh fruits and vegetables.

Item 3. Effective at close of business Saturday, September 2, 1916, embargo all freight of all kinds from all points for all destinations, as far as possible so that congestion and confusion will be avoided at the opening of the strike, and the management will have the best possible opportunity to reorganize the service with the greatest practicable speed.

In the event that the strike orders should be withdrawn before Monday, September 4th, the embargoes will be cancelled by wire. All freight described under Embargo Items 1, 2 and 3 which may be in transit will not be accepted from the New York, Philadelphia & Norfolk railroad, Cumberland Valley railroad, Cornwall & Lebanon railroad, Sparrows Point and Baltimore railroad, Pennsylvania Lines West of Pittsburgh, or other connecting lines at any junction point after date and hour in each item above named, regardless of date on which shipment was accepted as indicated by date on billing.

All bills of lading issued on and after Wednesday, August 30, 1916, and until further notice, must bear the following notation: "This shipment accepted subject to delay, loss and damage, account of threatened strike."

Station agents at all points of the Pennsylvania Lines East of Pittsburgh are being notified today to urge that special efforts should be made by all parties interested to remove from the premises or cars of railroad all explosives and inflammables before 6:00 p. m., on September 2nd, and all perishable freight on or before Monday, September 4th. This applies to all explosives, inflammables and perishables whether in stations or in transit.

The management of the Pennsylvania railroad has notified the Adams Express company that after today all shipments over the lines of the Pennsylvania railroad must be accepted subject to delay and that no live stock or perishables should be accepted that cannot be delivered on or before Saturday, September 2nd. Notice is also given that the developments of the next day or two may determine whether or not it will be necessary to place express shipments under a complete embargo pending the results of the strike call.

About seven o'clock last Saturday evening fire was discovered in an old warehouse of the Bellefonte Lumber company, located near the office, and an alarm was sent in. The first men to arrive on the scene broke open the door and found the fire to be a quantity of paper on the floor. How the blaze started is a mystery, but it was a fortunate thing that it was discovered and extinguished so promptly.

To Return 21,000 Troops from Mexican Border.

Washington, Aug. 30.—Orders for the return to their State mobilization camps of 15,000 National Guardsmen now on the Mexican border were issued tonight by the War Department. Gen. Funston was directed to return three regiments from New York, two from New Jersey, two from Illinois, two from Missouri and one each from Louisiana, Oregon, Washington and California.

Secretary Baker announced the order after a conference with President Wilson. Earlier in the day the department had ordered to their home stations 6,000 regular coast artillerymen who have been serving as infantry on the border.

—For high class Job Work come to the WATCHMAN Office.

Rumanians are but a Few Miles from Kronstadt.

Rumania's invasion of Austro-Hungarian territory continues in the mountainous region from Petrozany, on the railway northeast of Orsovo, to the Gyergygo mountains, 80 miles north of Kronstadt.

On the Danube from the Iron gate to Giugevo, opposite Rustchuk, Bulgaria, there have been reciprocal bombardments at several points by Austro-Hungarian warcraft and Rumanian shore batteries.

Austria's acknowledgement of the retirement of her forces in the mountain region to previously prepared positions in the rear has been followed by claims by Rumania that the troops of King Ferdinand have arrived at a point within three miles of Kronstadt, the chief commercial city of Transylvania. Vienna admits that the Rumanians are engaged with the Austro-Hungarians who have invaded Transylvania some 25 miles northeast of Kronstadt.

While Bulgaria has not entered into the hostilities against Rumania, a news agency dispatch says Rumania has decided to send an ultimatum to Bulgaria, demanding the evacuation of Serbia.

A dispatch from Constantinople reports that Turkey has declared war on Rumania.

In the Macedonia theatre violent fighting continued between the entente allies and the Austro-Germans and Bulgarians. Paris claims that to the west of the Vardar river the French have gained additional ground, and that in the Lake Ostrovo region the Serbs have repulsed attacks by the Bulgarians. On the Struma front, near Lake Dolran, batteries of the entente powers have violently shelled Bulgarian positions.

Drama, in northeastern Greece, has been seized by the Bulgarians after a fight with Greek troops, according to unofficial advices received in Paris. There have been no important changes in the western front or on the front in Russia and Galicia.

—It is said that dogs were voted at the West Virginia primaries the other day but Philadelphia has beaten the Virginians to it by several years.

—War has been declared between Germany and Italy at last but it will probably make no difference with the movement of troops.

Cultry and Quail Eat Strychnine and According to Observers They Appear to Like It.

Experts in universities and colleges of the state have been asked to inform the state department of agriculture why strychnine will kill crows and not affect chickens when eaten. The state live stock sanitary board stirred up the question by sending out a notice urging that crows be exterminated and giving instructions as to use of the poison. Some people wanted to know if chickens would not be harmed by it, but the board officials replied that they would not, and gave the result of an experiment by one man who had written to the department that he had fed strychnine in corn to brown Leghorn chickens and that they had not minded it a bit.

When he threw it out for the crows to eat he had to send out burial parties. On the other hand quail did not seem to mind it a particle.

A number of men versed in chemicals were asked the question why the drug would kill crows and not chickens, but they have passed it along to the folks in colleges.—Harrisburg (Pa.) Dispatch Philadelphia Inquirer.

BOOKS, MAGAZINES, ETC.

"The Philadelphia Record" has hundreds of regular readers who live far beyond the bounds of the wide territory which it particularly aims to serve. Not long ago the management of "The Record" addressed an inquiry to some of these distant readers asking them why they prefer "The Record" to other prominent newspapers published nearer to their homes. Here is a typical reply:

"Because I regard your admirable journal as a fit newspaper for all the members of the home and domestic circle. It is comprehensive in its scope, educational, non-sensational, judicious, fair, and what is most commendable, clear and intelligible to the average as well as the most cultured mind. Moreover, in its arrangement of news, topics, foreign, domestic, State and local, religious and secular, every item or topic may be so easily located. I have often observed in handing my copy to a friend how quickly the attention of the reader becomes fixed, showing that "The Record" is not merely provincial or local in its scope, but satisfying to the wants of the general reader."

The qualities which give "The Philadelphia Record" precedence over other big city dailies in their own fields make it doubly attractive to readers in the territory to which its news columns devote special attention. The intelligent public demands character and backbone as well as enterprise and alertness of journalism, and it finds these indispensable in the daily and Sunday issues of Philadelphia's leading newspaper.

The average Sunday newspaper consists of about 10 per cent. of meat, and 90 per cent. of fat, bone and gristle. "The Sunday Record" is all meat—a fact which obviously accounts for its enormous strides in circulation.

New Advertisements.

FOR SALE.—Columbia Queen range, good as new. Inquire of Mrs. F. F. BARTLEY, E. Lamb St. 61-34-1f
