PINE GROVE MENTION.

Earnest Royer was a Sunday caller at the G. Mac. Fry home.

Roy S. Peterson is manipulating the wheel on a little Buick Six car.

Samuel Hess and Adam Hartsock each brought home a fat gobbler on Friday.

Margaret Shirk was a week-end visitor at the William Glenn home at Lemont.

The Reformed church here is being re-roofed with cedar shingles. Dunlap Tanyer has the job.

Mrs. Mary Wright is back from an all summer sojourn in the Buckeye State, looking hale and hearty.

Miss Agnes Campbell is visiting her brother, J. O. Campbell, at Fairbrook, the home of her youth.

Hugh C. Dale, accompanied by Miss Lillian Dale were in Williamsport on Tuesday consulting an eye specialist.

Mr. and Mrs. James Fry, of Philadelphia, have returned home after spending a week with relatives in the valley.

William Cramer flitted last Friday to the Andy Lytle tenement house at White Hall, which means a Wilson vote lost.

While on their way to Boalsburg Mr. and Mrs. Harry Saugert, of Altoona, spent a brief time with friends here last Thursday.

The poles for the Bell telephone lines are now up to within two miles of town, and it will not be long until Bell phones will be installed here.

Prof. C. A. Weaver was recently chosen principal of the Sandy Ridge High school, and we recommend him as the right man in the right place.

R. G. Goheen last week shipped three car loads of hand picked apples from Pennsylvania Furnace, and will try to make it four car loads this week.

Dr. Kidder is building a large straw shed, 35x60 feet, on his farm tenanted by William Klinefelter. An old time raising-bee was held the other day to put up the heavy timbers.

William R. Dale, in his new Dodge car, took a crowd to Sandy Ridge and Philipsburg on Saturday. The return trip was made by way of Snow Shoe, Bellefonte and State College.

We are sorry to note that George Koller and Frank Crosthwaite are not recovering as rapidly as their friends would like to see. They are both patients at the Bellefonte hospital. Roy Rossmann, another patient, is getting along splendidly.

Fred and Ray Williams, the hustling cider makers, last Thursday squeezed out 2,500 gallons of the juice, and had it not been for a breakdown in the week makes three 3,000 gallons, the biggest days squeezing they have so far done.

Mr. and Mrs. Harry Grubb, of Pittsburgh, are visiting relatives hereabouts before going to Mr. Grubb's home near Philadelphia. Mr. Grubb is a graduate of State College class of 1915, in the agricultural course and Mrs. Grubb before her marriage was Miss Mary Homan, of White Hall.

HOMAN.—Mr. and Mrs. Charles Homan are mourning the death of their little son Edgar, who died at five o'clock last Thursday afternoon as the result of an attack of infantile paralysis. He was aged five years and was ill only three days. Burial was made the same evening in the Pine Hall cemetery.

On Saturday another of the children became ill with the disease and still another one on Sunday morning, which with the little daughter stricken earlier in the week makes three now ill with the disease. None of the three are in a dangerous condition, however. A number of other children in the neighborhood are ill but so far show no signs of the disease. In the meantime the Oak Grove, Branch and Shingletown schools have been closed for a time, the Branch school being the one attended by the Homan children.

BOALSBURG.

Mrs. L. Mothersbaugh spent several days in Bellefonte visiting friends.

Mr. and Mrs. Geo. C. Williams and Miss Thomas, of Lemont; the latter's guest, Mrs. D. C. VanStavern, of Kansas City, Mo., and J. C. Ethers, of

Oak Hall, spent a short time with friends in town on Friday.

Rev. and Mrs. Courtney and daughters, Miss Rhoda, accompanied Mr. and Mrs. Luther Dale, of Oak Hall, to Bellefonte on Sunday to visit Mrs. David Bohn at the hospital. Mrs. Bohn is recovering nicely from her recent accident.

The Civic Club will welcome you at their Hallowe'en masquerade next Tuesday evening at Boal hall. Prizes will be offered for the best historical, comic and most artistic costume. Everybody is invited to compete for these prizes, the children as well as the grown folks. Music will be provided for dancing. Admission 25 and 15 cents. Grand march at 8 p. m.

NITTANY ITEMS.

Boiling applebutter is one of the main things on the farmer's program these days, and Joe Emerick is credited with making the best in the valley.

The farmers are now busy husking corn. The crop is only a fair one in this vicinity. Potatoes are a short crop and high in price. Of course the Republicans are blaming it all on Wilson.

Mr. and Mrs. Thomas Hinds, of near Shingletown, are mourning the death of their infant daughter, who died on Friday and was buried in the Hublersburg cemetery on Sunday afternoon, Rev. W. J. Shultz officiating.

A lot of shooting is being done on the mountains in this vicinity, but not much game killed. The writer, however, acknowledges the receipt of a nice fat gray squirrel from J. D. Miller, of Hublersburg, who has our very appreciative thanks for the same.

Several car loads of apples have been shipped from Lamar and Hublersburg by George F. Hoy, who pays 30 cents a hundred pounds for apples off the ground and 80 cents for hand-picked fruit. When you consider the fact that a quarter peck in the cities costs 12 to 15 cents, it looks as if there was something wrong with our marketing system.

The state road through here is being treated to a dose of oil, or some kind of sticky, stinking stuff. Automobileists try to keep out of it by running to one side of the road, but eventually they get in it and then there is some hard thinking, if not talking. Wagon loads of screenings are dumped every few rods and after some of it is used the balance is gathered up and carted on ahead. One of the men said that the screenings had been moved four or five times, but the State pays the bill.

Mr. and Mrs. William B. Plank, of Pittsburgh, and Mr. and Mrs. Percy K. Miller, of Punxsutawney, spent last week at the home of the parents of the two ladies, Mr. and Mrs. J. H. Beck, at Snyderdown. Mr. Miller, who is an engineer on the B. & P. railroad, is a son of Frank Miller, of Hublersburg, and every month he comes home to look after the welfare of his father, who is an invalid. Mr. Plank, who is a graduate of Penn State class of '08, is in the Pittsburgh office of the U. S. bureau of mines. Last Friday morning he received a telegram to return to the city at once, owing to the death of Mr. Jones, head man in the office. Jones and several others had gone to Fairmont, W. Va., where there had been a mine explosion. They all went into the mine to investigate the cause of the explosion and all were overcome by gas. Jones was dead when taken out but the other men were revived. Mr. Plank and little daughter and Mrs. and Mrs. Miller returned home on Monday.

Mrs. J. F. Thal, 23 W. Thomas St., Bellefonte, says, "I suffered from backache and severe pains across my loins. I also had headaches and dizzy spells when I got up in the morning. My kidneys caused me a lot of annoyance. My attention was called to Doan's Kidney Pills and I began taking them, procuring my supply at Green's Pharmacy Co. One box removed the backache and corrected the trouble from my kidneys." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Thal had. Mr. and Mrs. Daniel Geary and son Charles, of Newport, Ferry county, and Mrs. Clara Kerstetter, of Coburn, paid Mrs. Geary's brother, Thomas Hull and family a short call on Monday. They made the trip from Newport in an automobile, visiting relatives along the route.

Backache Just Like a Toothache!

Dear Mr. Editor—Sometime ago I had backache very bad; it would ache just like a toothache. I tried a new discovery of Doctor Pierce's, called "Anuric." This is for kidneys and backache. I soon felt relieved of all backache and had no more pain, and I hope others troubled in the same way will try this wonderful new remedy. Yours, MRS. LINCOLN STEARNS, Route 1, Meadville, Pa.

NOTE: It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "Anuric," has been discovered by Dr. Pierce, and is the cause of a drainage outward of the uric acid which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "Anuric" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues. Dr. Pierce, who is director and chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has been testing this wonderful medicine for the relief of over-worked and weakened kidneys. The relief obtained by sufferers has been so satisfactory that he determined to place "Anuric" with the principal druggists in town where people could get this ready-to-use medicine. "Anuric" is not harmful or poisonous, but aids nature in throwing off those poisons within the body which cause so much suffering, pain and misery. Scientists assert that its potency is 37 times more potent than lithia.

For Diabetes and Bright's Disease this remedy is building up a reputation as good as Dr. Pierce's Invalids' Hotel and medicines which have been proven reliable during nearly fifty years, such as Doctor Pierce's Favorite Prescription (for women), Doctor Pierce's Pleasant Pellets, the liver regulator, and Doctor Pierce's Golden Medical Discovery for red blood.
