### A Chestnut Confection.

Select quite sound chestnuts and slit the skins. Place in boiling water until the outer and the inner skins can be peeled off. Drain them, and place in a clean pan with enough sugar syrup (one pound of sugar to three-quarters of a pint of water, boiled) to cover. Add a vanilla pod, and simmer until the chestnuts are tender. Put them in a basin, and let them stand (covered) until next day. Reboil them in the syrup. Take them out, and set on a seive to drain. Mean-Postmaster Robert M. # Most Eminent Medical Authorities Endorse It.

Dr. Eberle and Dr. Braithwaite as well as Dr. Simon - all distinguished authors—agree that whatever may be the disease, the urine seldom fails in furnishing us with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can thus be obtained. If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica or you suspect kidney or bladder trouble just write Dr. Pierce at the Surgical Institute, Buffalo, N.Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr.Pierce's chemist has examined the urine - this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy which he finds is thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, go to your best druggist and ask for a 50-cent box of "Anuric" put up by Dr. Pierce. Dr. Pierce's Favorite Prescription for weak women and Dr. Pierce's Golden Medical Discovery for the blood have been favorably known for the past forty years and more. They are standard remedies to-day—as well as Doctor Pierce's Pleasant Pellets for the liver and bowels. You can get a sample of any one of these remedies by writing Dr. Pierce.

Doctor Pierce's Pellets are unequaled as a Liver Pill. One tiny, Sugar-coated Pellet a Dose. Cure Sick Headache, Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach

### THANKSGIVING PROCLAIMED.

President Wilson Formally Designates Thursday, November 30. Washington, D. C., Nov. 17.—President Wilson today formally by proclamation designated Thursday, November 30, as Thanksgiving Day.

The proclamation follows: It has long been the custom of our people to turn in the fruitful autumn of the year in praise and thanksgiving to Almighty God for His many blessings and mer-

cies to us and the nation. The year that has elapsed since we last observed our day of Thanksgiving has been rich in blessings to us as a people, but the whole face of the world has been darkened by war. In the midst of our peace and happiness, our thoughts dwell with painful disquiet upon the struggles and sufferings of the nations at war and of the peoples upon whom war has brought disaster without choice or possibility of escape on their part. We cannot think of our own happiness without think-

ing of their pitiful distress. Now, therefore, I, Woodrow Wilson, President of the United States of America, do appoint Thursday, the thirtieth of November, as a day of national thanksgiving and prayer, and urge and advise the people to re-sort to their several places of worship on that day to render thanks to Almighty God for the blessings of peace and unbroken prosperity which He has bestowed upon our beloved country in such unstinted measure.

And I also urge and suggest our duty, in this our day of peace and abundance to think in deep sympathy of the stricken peoples of the world upon whom the curse and terror of war has so pitilessly fallen and to contribute out of our abundant means to the

relief of their sufferings. Our people could in no better way show their real attitude toward the present struggle of the nations than by contributing out of their abundance to the relief of the suffering which war has brought in its train.

### Hood's Sarsaparilla.

Catarrh Leads to

Consumption IT REQUIRES A BLOOD REMEDY-HOOD'S SARSAPARILLA IS THE

BEST.

Catarrh is as much a blood disease as scrofula or rheumatism. It may be re-lieved, but it cannot be removed by simply local treatment. It causes headache and dizziness, impairs the taste, smell and hearing, and affects the voice, hurts the stomach, deranges the digestion, and breaks down the general health, One of its worst effects is the weakening of the delicate lung tissues, which leads to consumption.

Old reliable Hood's Sarsaparilla is found to be of great service in the treat-ment of catarrh. It goes to the seat of the trouble, purifies the blood, and is so successful that it is known as the best remedy for this common dissease.

Hood's Sarsaparilla strengthens and

tones the whole system. It builds up Ask your druggist for Hood's, and get i
