The Reformed Sunday school decided to have a Xmas Service, but the time has not been set when they will have it. The Lutheran Sunday school will have their Xmas Service Saturday evening, December 23rd.

Mr. and Mrs. Clark Herman, of State College, were guests of Mrs. Herman's brother, A. S. Stover. Mrs. Minnick, also of State College, was the guest of Mr. and Mrs. Durst, they all having come down for the rededication of the United Evangelical church on Sunday.

On Saturday evening, December 2nd, the first services were held for the rededication of the United Evangelical church. The sermon was preached by the Rev. Goble, of Myerstown, where he is connected with Albright College. Dr. Goble preached very able sermons while in our midst. On Sunday morning he again filled the pulpit.

Sunday afternoon the church was crowded to overflowing to hear one who was brought up among the people of Pennsylvania, Rev. John Bowersox, of Clintondale. Rev. Bowersox preached a splendid sermon.

On Sunday evening Dr. Goble again preached the Word. This sermon was especially interesting to the writer. He is a man of deep thought and yet so able to make the children understand him. He has a very winning way with the children.

Then, as to the financial part. The indebtedness was \$2000, of which they raised all but a small sum, which they will surely be able to raise. They now have a beautiful church in which to worship God, and it is the wish and prayer of God's people that they may be able to completely liquidate their debt. There are those among them who have worked faithfully and when it came to the financial part did not flinch. May there be a renewal of zeal among them and let the sister churches take pattern to do like wise in making an effort to repair the House of the Lord.

The Wolf's Store Gun club is composed of Wm. Gilbert, C. C. Gilbert, T. L. Gilbert, Chas. Brungar, Fred Confer, Clyde Waite, Elmer Wolfe, Henry Straham, W. F. Bowersox, L. M. Bowersox and Henry Garrett. They camp in Wolford's gap and we have every reason to believe that many deer will be placed upon the pegs of this camp.

Experiments Have Amply Demonstrated That Employment of Precious Metal Is Advisable.

By some pretty experiments with organ pipes of different materials Dr. Dayton Clarence Miller, professor of physics in the Case School of Applied Science, Cleveland, O., has proved that the quality of tones in a wind instrument depends upon its material far more than is generally believed. Writing of flutes in his book, "The Science of Musical Sounds," he says: "The traditional influence of different metals on the flute tone are consistent with the experimental results obtained from the organ pipe. Brass and German silver are usually hard, stiff and thick, and have but little influence upon the air column, and the tone is said to be hard and trumpet-like. Silver is dense and softer, and adds to mellowness of the tone. The much greater softness and density of gold adds still more to the soft massiveness of the walls, giving an effect like the organ pipe surrounded by water. Elaborate analyses of the tones from flutes of wood, glass, silver and gold prove that the tone from the gold flute is mellower and richer, having a longer and louder series of partials than flutes of other materials."

That Dull Aching

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Doan's Kidney Pills. Read this statement:

Mrs. C. Young, Potter St., Bellefonte, says: "For more than a year I suffered from a dull ache in the small of my back. It was sore and tender and if I bent over, I could hardly get up again. I never felt able to do any housework. I had a languid feeling all the time and in the morning, I didn't feel like getting dressed. I was troubled a lot by dizzy spells and my kidney secretions were unnatural. Doan's Kidney Pills had helped so many people around here that I procured some at Green's Pharmacy Co. The first box cured me. It has been three years now since I have had any trouble from my back or kidneys.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Young had. Foster—Milburn Co., Props., Buffalo, N. Y. 61-48

Why "Anuric" is an INSURANCE Against Sudden Death.

Before an Insurance Company will take a risk on your life the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or the twinges and pains of lumbago, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Send him 10 cents for sample package of his new discovery, "Anuric." Write him your symptoms and send a sample of urine for test. Experience has taught Dr. Pierce that "Anuric" is the most powerful agent in dissolving uric acid, as hot water melts sugar; besides being absolutely harmless it is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Being so many times more active than lithia, it clears the heart valves of any sandy substances which may clog them and checks the degeneration of the blood-vessels, as well as regulating blood pressure. "Anuric" is a regular insurance and life-saver for all big men eaters and those who deposit lime-salts in their joints. Ask the druggist for "Anuric" put up by Dr. Pierce, in 50-cent packages.

STRENGTH AND BEAUTY Come with Dr. Pierce's Golden Medical Discovery. This is a blood cleanser and alternative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart, nerves, brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and strenuous instead of tired, weak and faint.

CHICKADEE Penetrates atricapillus

Length, about five and one-fourth inches.

Range: Resident in the United States (except the southern half east of the plains), Canada, and Alaska.

Habits and economic status: Because of its delightful notes, its confiding ways, and its fearlessness, the chickadee is one of our best known birds. It responds to encouragement, and by hanging within its reach a constant supply of sweet the chickadee can be made a regular visitor to the garden and orchard. Though insignificant in size, titmice are far from being so from the economic standpoint, owing to their numbers and activity. While one locality is being scrutinized for food by a larger bird, ten are being searched by the smaller species. The chickadee's food is made up of insects and vegetable matter in the proportion of seven of the former to three of the latter. Moths and caterpillars are favorites and form about one-third of the whole. Beetles, ants, wasps, bugs, flies, grasshoppers, and spiders make up the rest. The vegetable food is composed of seeds, largely those of pines, with a few of the poison ivy and some weeds. There are few more useful birds than the chickadees.

They are all good enough, but the WATCHMAN is always the best.

Hood's Sarsaparilla.

Catarrh Leads to Consumption

IT REQUIRES A BLOOD REMEDY—HOOD'S SARSAPARILLA IS THE BEST.

Catarrh is as much a blood disease as scrofula or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It causes headache and dizziness, impairs the taste, smelts and hearing, and affects the voice, hurts the stomach, deranges the digestion, and breaks down the general health. One of its worst effects is the weakening of the delicate lung tissues, which leads to consumption.

Old reliable Hood's Sarsaparilla is found to be of great service in the treatment of catarrh. It goes to the seat of the trouble, purifies the blood, and is so successful that it is known as the best remedy for this common disease.

Hood's Sarsaparilla strengthens and tones the whole system. It builds up. Ask your druggist for Hood's, and get it today.
