WHY SUFFER WITH BACKACHE, KIDNEYS OR RHEUMATISM NOW

Letter Tells of Long Looked - for Prescription.

Letter Tells of Long Looked-for Prescription. Dear Readers — I am making a per-sonal appeal to those of you who are bothered with kidney and bladder trouble, that you give up the use of harsh salts or alcoholic kidney medi-cines and in their place take a short treatment of "Anuric." I have taken many of Dr. Pierce's medicines for the past twenty-five years with good results. I suffered with kidney trouble for some years. I recently heard of the newest discovery of Doctor Pierce, namely, his "Anuric." Kidney Tablets. After using same I am completely cured of my kidney trouble. I recommend, heartily, all sufferers to Dr. Pierce, for what he has done for me cannot be estimated too highly. A doctor pronounced me a well preserved woman for my age, all due, I believe, to Dr. Pierce's medical aid. Yours very truly,
