Doings of the Borough Dads. Seven members were present at the regular meeting of borough council on Monday evening, the absentees being Messrs. Lyon and Shope.

Burgess Edmund Blanchard was present and again called the attention of council to the urgent necessity of installing some kind of a fire alarm system. Mr. Walker, president of council, informed the burgess that there is now on the way an electric horn which will be put up on approval.

The burgess also called attention to the fact that some kind of a marker ought to be put in the Diamond to aid in regulating the street traffic. A marker built of concrete of some neat design, with a red light for night, would answer the purpose. The matter was referred to the Fire and Police committee.

John Curtin, secretary of the Board of Health was present and asked for the annual appropriation of \$250. The same was granted.

Requests were received from the W. L. Steele heirs, Mrs. B. F. Shaffer and Mrs. F. P. Michaels for an adjustment of water taxes and all were referred to the Water committee.

Mr. Harris, of the Street committee, reported that if nothing unforeseen happens the Bishop street sewer will be completed this week.

The Water committee reported that Russell Witmer had thawed out the frozen water pipes at two places on the street with his electric thawer and that the frozen pipe on Ridge street had been opened up by the State-Centre company.

The Fire and Police committee reported the burgess' check for \$25.00 for fines and licenses collected.

The Finance committee presented the treasurer's report showing a balance in the treasury on March 1st of \$8,065.93. He also asked for the renewal of a note of \$1,000 for six months from March 2nd, one of \$1,000 for six months from March 4th, and one of \$700 for six months from March 4th, all of which were authorized.

Mr. Harris stated that the Bell telephone company wanted to move their pole line from north St. Paul street to Thomas street owing to the close proximity of the high tension wires of the State-Centre Electric company, which they claim not only interferes with the efficiency of their service but are a constant menace in time of a storm or the accidental breaking of wire. While no official action was taken council was opposed to the moving of the pole line and suggested that the proper proceeding would be for the State-Centre company to insulate their wires.

An ordinance was presented to council providing for the sale of the Hoover block, of the E. J. Pruner estate in Tyrone, to the United States government for the sum of \$18,000, and a tract of land in Ness county, Kansas, to N. R. Wilson for \$2,400, the same being presented by the managers and trustees of the Pruner orphanage. The ordinance passed first reading.

Dr. Brockerhoff called the attention of council to the fact that the State-Centre Electric company had received almost the maximum amount agreed upon for pumping water for the current year and the secretary was instructed to confer with superintendent H. J. Thompson regarding the matter. Bills to the amount of \$1,683.03 were approved and council adjourned.

There is an ordinance in Bellefonte requiring property owners to clean the snow and ice off of their pavements within twenty-four hours, else the same will be cleaned by the borough at the expense of the owner. During the winter the borough cleaned off a number of pavements because of the delinquency of the owner, and the Street committee has bills for this work aggregating about \$120.00. These bills were recently given to the State-Centre Electric company's collector to collect and most of the people so far approached refuse to settle. These bills are legitimately due the borough and unless they are paid liens will promptly be entered against every property the owner of which refuses to pay.

The automatic indoor baseball which was conducted in a room in the Bush Arcade the past two months, literally faded away last week. It at no time was well patronized and of late so few people played the game that it was a continuous loser, and the proprietor simply packed up and left for some other town.

ADAIR.—Mrs. John A. Adair, brief announcement of whose death was made in last week's "Watchman", expired at the home of her sister, Mrs. Eliza McCracken, in the Glades, at noon on Thursday. Though suffering with a cold Mrs. Adair came from her home in Indiana, Pa., to her sister's home several weeks previous, being accompanied by her friend and pastor, Rev. Mr. Lawrence. She stood the journey very well but a week or so later developed an aggravated attack of the grip which caused her death.

Her maiden name was Susan Ferguson Campbell, a daughter of John and Jane Oliver Campbell, pioneer settlers in the Glades, where she was born on January 13th, 1835, hence at her death was 82 years, 1 month and 16 days old. She received her education in the public schools of Ferguson township and at Jacksonville, and later taught school in both Centre and Clearfield counties, being among the most efficient teachers of her day. Early in life she developed a penchant for writing and being an ardent member of the Presbyterian church and greatly interested in missionary work she decided to devote her life to the cause. Before she completed arrangements to leave this country, however, she was stricken with an illness which confined her to bed for twenty years. Her bright intellect was unimpaired by her illness and during that long term of years she wrote many tracts which were printed and used in missionary work. She also wrote the memoirs of her brother, Capt. J. O. Campbell, as published in the history of the Forty-fifth regiment Pennsylvania volunteers, she being an honorary member of the survivors association.

On November 10th, 1901, she was united in marriage to Rev. J. A. Adair, a well known Presbyterian minister of Indiana, and that city had been her home ever since, though she made annual visits back to the home of her childhood. Rev. Adair died on February 18th, 1907, but surviving her are two step-sons, Rev. W. C. Adair, of Bristol, Col., and Prof. Calvin Adair, of Idaho. She also leaves one sister, Mrs. Eliza McCracken, of Ferguson township.
