AARONSBURG.

Mr. and Mrs. Eben Bower and two lady friends, of Bellefonte, came down to enjoy the commencement on the 23rd.

Mrs. Bohn, of Tusseyville, came to pay her parents, Mr. and Mrs. James Wert, a visit; also to witness her son's graduation. The Messrs. Wert, of Tusseyville, were also guests at the Wert home.

Mr. and Mrs. Coxy and their bright little daughter, of Altoona, are visiting Mrs. Coxy's mother, Mrs. Koch. Mrs. Coxy was present to witness the graduation of her niece, Miss Katherine Koch.

Word has just been received of the death of Prof. C. E. Edmunds, of Akron, Ohio. Prof. Edmunds was raised in this town but for many years lived in Mazonia, Pa., until a short time since he went to Ohio.

The past week has been a very busy one for the High school, as they made splendid preparation for their commencement on April 23rd, which came off with glowing success. The exercises were held in the Lutheran church and notwithstanding the rain the church was filled and everybody seemed delighted with the program. Following is the program as rendered by the class:

Overture, Orchestra.
March, Orchestra.
Invocation, Rev. M. D. Geesey.
Salutatory, "The Value of High School Education," J. Edward Bohn.

"The World State," Helen Bower.
"The Power of Public Opinion," John Winkleblech.
Music, Orchestra.

"The Country of Tomorrow," Marian E. Schauer.
"The Consolidated School," Kathryn Koch.
Valedictory, "Tonight We Launch, Where Shall We Anchor?" Rhoda Bower.

Music, Orchestra.
Commencement Address, Dr. Llewellyn Phillips, of Bucknell University, Lewisburg.
Presentation of Diplomas by Director M. I. Stever.
Music, Orchestra.

Dr. Phillips is a man of very pleasing personality and a speaker whom every one should have heard. He brought so many good things that it would be an impossibility to give. He came out strongly on the very critical situation we are in as a nation. I am sure there are many who would again gladly sit under the sound of his voice. We hope the occasion may again present itself wherein we may hear him speak on some such pleasant occasion.

The class of 1917 has passed out of school with honor, both to teacher and themselves. The speaking throughout the program was excellent, each one nobly doing their part. The scene on the platform will long remain a "memory picture" in the hearts of the many warm friends of the class, who sat in the audience, and while they were each speaking wondrously, "Where they would anchor," hoping it might be to the "Rock of Ages," that thus they would go through life a blessing and blessed.

So closed the school days of the High school class of 1917, and we can but wish them all a most successful life.

PLEASANT GAP ITEMS.

The Extravagance of Buying Cheap Tires.

(Caution by Arthur Brisbane, Noted Editor.)

Mr. Geo. A. Beezer, of the Beezer Garage, in this place, in speaking recently on the subject of tire economy, referred to a timely editorial by Arthur Brisbane, that appeared last Sunday in all the Hearst newspapers.

Mr. Brisbane, who is probably the highest paid editorial writer in the world and who is himself an ardent motorist, has strong convictions on the tire question, and his views are well worth repeating for the information of others who are desirous of getting the most value possible when they buy tires. The Brisbane editorial says in part:

"Automobile extravagance is based oftener on the buying of tires and tubes without character than on any other department of automobilism. The making of tires is an absolute science, to which engineers and manufacturers have devoted years of study and millions of dollars in experiments. The well-made tire represents actual cash invested. It has its fixed value, and do not let anybody persuade you to the contrary. Beware of a dealer who tells you that he can sell you 'this tire cheaper and just as good.' It has no name on it that you ever heard of before. 'But it is made by a big factory,' says the dealer, 'and they sell it to me cheaper.' Such talk is misrepresentation and cheating. Study the tire question for yourself; act in the purchase of tires as you would in the purchase of materials for your business. Buy of reliable concerns that have millions of dollars, years of experience and a reputation more valuable than their invested capital back of their product. To buy cheap tires, cheap tubes, wastes money and destroys pleasure. This applies especially to the man who owns one of the lower priced cars and drives it himself. To him the bursting tire means money and hard work. The man driving his own car knows that a well-made tire is one-half the pleasure of automobilism. Fortunately the makers of the best tires devote special attention to the light cars. There is nothing more extravagant than a cheap, poorly made tire on one of the lower priced automobiles. Dollar for dollar the good tire will give more than double the mileage and five times the pleasure. Mr. Beezer, who is the local Michelin dealer, says that his business this

Hood's Sarsaparilla.

Four-Fold Benefit

From Two Grand Medicines in Spring.

You know that physicians often give two prescriptions, perhaps more, or medicines to be taken together, or alternately or at different times. One reason may be that the medicines are "incompatible" - do not agree when closely mixed in taking - or that desired results cannot be secured by one medicine alone. The most successful combination spring medicine treatment that we know of - because perfectly "compatible" and productive of the best results - is in Hood's Sarsaparilla and Peptiron Pills. The former thoroughly searches out and expels impurities from the blood, while Peptiron Pills give the powerful tonic - they literally "put iron into your blood." Hood's Sarsaparilla should be taken before meals and Peptiron Pills after meals - patients taking them so report the benefit is four-fold 62-17

year has been better than ever before. He attributes a large measure of his success to the Michelin Universal tread which is a tire of the very highest quality, yet the price is extremely moderate. Mr. Beezer agrees with Mr. Brisbane, that a good tire represents so much invested cash, so much fixed value, so that it pays to buy the best, especially now that you can get a tire like the Michelin Universal tread, a tire that has an international reputation for quality and that is sold at such a moderate price. Perfect Confidence

BELLEFONTE PEOPLE HAVE GOOD REASON FOR COMPLETE RELIANCE. Do you know how - To find relief from backache; To correct distressing urinary ills; To assist weak kidneys? Your neighbors know the way - Have used Doan's Kidney Pills; Have proved their worth in many tests. Here's a Bellefonte testimony. Wm. McClellan, 244 Lamb St., Bellefonte, says: "I suffered for a long time from pains and lameness across my back and some mornings, I could hardly get out of bed. My back ached constantly and the kidney secretions were irregular in passage. Doan's Kidney Pills cured me and I am now enjoying good health." Price 50c, at all dealers. Don't simply ask for a kidney remedy - get Doan's Kidney Pills - the same that Mr. McClellan had. Foster-Milburn Co., Props., Buffalo, N. Y. 62-17
