Paint Means Prosperity

An unpainted, run down home simply can't belong to a prosperous owner. The absence of paint shows neglect and waste. Paint means prosperity because it is protection against depreciation and decay.

—John Woodring, the popular conductor on the Tyrone work train, concluded his fifty years of labor with the Pennsylvania railroad on Monday and on Tuesday was placed upon the retired list. Mr. Woodring was born at Huntingdon Furnace and in 1867, when he was but fifteen years old, he went to work as a track hand on the Middle division. Two years later he was transferred to the Tyrone division and in 1869 he began work as a brakeman. A little over a year later he was promoted to a conductor and during the strike of 1877 he was put in charge of the work train, a position he filled ever since. Mr. Woodring is now sixty-five years old but in splendid health and ought to have many years ahead of him yet in which to enjoy the fruits of his labor.

—Charles G. Avery recently resigned his position as cashier of the Moshannon National bank of Philipsburg, which became effective May 1st, and has been succeeded by D. Harold Crosby. Mr. Avery resigned so as to give all his time to his coal and other business interests.

—The Always Faithful class of the United Brethren Sunday school will hold a bake sale and social in the basement of the church, Saturday afternoon and evening.
