REBERSBURG.

C. C. Bierly is suffering with an attack of the quinsy. Miss Kreider has returned home

rom teaching school. Levi Fulmer, whose health was in a bad condition, is improving.

The flag poles are now on the school grounds and will be ready for erection in a few days.

Mrs. Metzger, with her son John, returned last Sunday from Maryland, where they laid to rest the body of Rev. Metzger.

The war began down at Smullton last Sunday with the shooting of chickens. Smullton people like to break the monotony of village life.

Soon, and not too soon, we will have a 'Good Roads' day, and give every citizen in Brushvalley an opportunity to work on the public roads of our valley. The hills of our village have been so badly washed out that the road needs repairing badly. So let us all make up our minds to devote one day free to putting the roads. in better repair so that travelers through the valley will have good reason to comment on their splendid condition.

Our little valley is truly patriotic. The same spirit that sent from old Brushvalley soldiers for the Revolu-tion, Mexican and Civil wars is again awakening, not only the youth of the land, but also the surviving Civil war veterans. Meetings are being held and the duty we owe our country advocated in very emphatic terms. Foremost in the work of exhorting the youths of our valley in the spirit of patriotism is Hon. Henry Meyer, who presided at two meetings held in who presided at two meetings need in the Rebersburg school house. It is indeed inspiring to see an old veteran with an arm off telling his fellow citizens what they owe this country, in preference to all other individual interests or enterprises. Yes, we still have left some of the spirit that fought the Indians and drove them west of the Alleghenies. Fighting Germans now-a-days is different from what it was in Caesar's time. Our young men who have no knowledge tions of the Hohenzollerns do not rea-Mr. and Mrs. Earl Kline, of State lize the present situation in Europe many be victorious. The local meetings do much by way of educating the youth to the true situation of affairs. Europe and its welfare is now as close to us as an adjoining State. And now is the time for old Brushvalley to come to the front and voluntarily offer its contribution of soldiers as

Last week Mr. and Mrs. Thomas Jodon motored to Niagara Falls, where they will spend a few days with the former's brother. Ephriam and Earl Keller, of Philadelphia, motored to the Gap on Saturday, where they expect to spend a few days with friends and relatives.

LEMONT.

This week has been cool and rainy. A few of the farmers are through

sowing oats. Mrs. Norris Martz has improved very little, if any, this week.

The wheat is looking much better since the wet weather set in. All the schools of College township have closed, excepting the Pleasant

View school. Assessor Clement Dale is busy making his rounds among the people of College township.

The people of this community are busy putting out as large an acreage as they can manage to help remedy the food shortage.

Mrs. Anna Lenker has a curiosity, in the form of a tomato, measuring about one and one-half inches in diameter, which will soon ripen.

-It is estimated that from \$400,-000,000 to \$500,000,000 monthly of the United States war loan of \$7,000,000,-000 will be spent in this country for foodstuffs, munitions, and other supplies for the Allied nations. Thus, the vast sum of money to be derived from bond sales will be taken by Uncle Sam, so to speak, from one pocket of his ample waistcoat and deposited in another. It will be necessary only to reverse this movement occasionally in order to keep the Allies

Hood's Sarsaparilla.

Four-Fold Benefit

From Two Grand Medicines in Spring.

You know that physicians often give two prescriptions, perhaps more, or medicines to be taken together, or one reason may be that the medicines are "incompatible"—do not agree when closely mixed in taking or that desired results cannot be se-

cured by one medicine alone.

The most successful combination spring medicine treatment that we know of—because perfectly "compatible" and productive of the best results—is in Hood's Sarsaparilla and Peptiron Pills. The former thoroughy searches out and expels impurities from the blood, while Peptiron Pills give the powerful tonic—they literally "put iron into your blood."

Hood's Sarsaparilla should be taken before meals and Peptiron Pills after meals-patients taking them so repor the benefit is four-fold
