Just as Good.

A small boy was leading an unusually fine looking dog, when a sportily dressed man stopped to admire it. "Has that dog of yours got a pedigree?" he asked.

"I don't know," replied the boy, "but he's got over a bushel of bones buried in our back yard."—New York World.

Dangers of a Cold

BELLEFONTE PEOPLE WILL DO WELL TO HEED THEM.

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Bellefonte resident's example:

Mrs. B. Holter, Pine St., Bellefonte, says: "I have used Doan's Kidney Pills off and on for about two years. Whenever a cold or strain causes a dull, constant ache across the small of my back, I use a box of Doan's Kidney Pills and get relief. I believe I did not take Doan's Kidney Pills long enough to be cured, but when I take them, a few doses always fix me up."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Holter had. Foster-Milburn Co., Props., Buffalo, N. Y. 62-20

Food Substituted for Cotton.

Baltimore.—A warning that each section of the United States must feed itself or go without food was voiced here by Carl S. Vrooman, Assistant Secretary of Agriculture. He said that with cotton at 22 cents a pound Southern planters are plowing the land that has already been sown with cotton and putting in foodstuffs. "We must awaken," he said. "The submarine is a much more potent weapon than we imagined. The Allies were losing the war when we entered it, and will lose it unless we expend every effort of men, money and economy. It is now a war of conservation of resources."

Shoes. SHOES FOR THE FAT LADY

I have taken the agency for AUNT POLLY'S OUT SIZE Shoes for stout women.

This line of shoes is scientifically constructed to fit the stout woman with short, fat feet and wide ankles. The average woman who has a foot of this kind, must get a shoe two or three sizes longer than her foot in order to get the width, but with a pair of AUNT POLLY shoes she can get the shoe just the right length.

A pair of AUNT POLLY shoes number 7 will not look any larger than a number 5 of the ordinary shoes. I have all sizes from 3 to 10.
