Centre County Sunday School Convention.

The annual convention of the Centre county Sunday school association held at Centre Hall on Tuesday and Wednesday of last week was largely attended and every session was replete with good things. In fact, the 'Watchman" would like to publish a detailed account of the same but owing to an unusual demand on its columns this week the space will not permit. It can be said, however, that the very complete program arranged was carried out in full and the musical part of the program was one of its delights.

Treasurer C. C. Shuey reported that he had received during the year the sum of \$237.21. Had paid the pledge of \$175.00 to the State work, \$56.50 of incidental expenses and had a balance on hand of \$41.71.

The following officers were elected President, I. L. Harvey; vice president, C. E. Robb; secretary, Darius Waite; treasurer, C. C. Shuey; elementary superintendent, Mrs. C. E. The officers elected for the Federation of the O. A. B. C. are: President, Prof. F. L. Pattee; secretary, dent, Prof. T. L. Pattee; secretary, Earl S. Orr; treasurer, C. C. Shuey.

Resolutions adopted declared emphatically for temperance and warmly thanked the people of Centre Hall for their open-hearted hospitality in entertaining the convention.

THESE ARE THE MEN.

The registration assessor in the 2nd Ward, Philipsburg having failed to mark the age of those registered we are unable to publish the list of those subject to registration in this precinct.—Ed. Tuesday of Next Week, June 5th.

Following is a list of the men between the ages of 21 and 31 which was reported by the Registration Assessors in Centre County for Military enrollment last fall.

It is as near complete, for each district in the county as the assessors ere able to make it.

Every man on this list will have to register next Tuesday or expose himself to the certainty of going to prison for a year. The only exceptions will be those who were thirty years old when the list was made and have attained the age of thirty-one between that time and June 5th and those who tained the age of thirty-one between that time and June 5th and those who long, George S. Merriman, B. J. Morgan, Thomas Morgan, Morg have since permanently removed from the county. And those who are at Morgan, Thomas present members of Troop L, Bellefonte, Pa., the Boal Machine Gun Troop, Nelson, David Nelson, Andrew, Oswalt, Earle Military service.

No excuse whatever will be accepted from any one who is eligible for failure to do so.

Men who were twenty years old when this list was made up and have attained or will attain the age of twenty-one between that time and June 5th must register. Their names are not on this list for the reason that they were not of the required age at the time it was made.

Any whom the Assessors failed to list last fall, who are of the required age, must also voluntarily present themselves for enrollment.

The "Watchman" publishes this list at considerable sacrifice of space because it fears that there may be some eligibles in isolated sections of the county who don't read the papers and are unaware of the serious plight they will be in if they should fail to register through ignorance or lack of information. We appeal to you, if you know of any such in your community, to personally look them up at once and give them an intelligent idea of what is required. You will not only be doing a work of patriotism, but possibly you may thereby save some poor soul from going to prison because of an innocent violation of a law that will accept no excuses.

REGISTRARS APPOINTED.

Sheriff George H. Yarnell has appointed and sworn in the judge of the election in each precinct as the official registrar and they are empowered to make selection of their own assistants who will likely be the other members of the election board. The list of registrars sworn in is as fol-
