BELLEFONTE CHAUTAUQUA. Special Ticket This Year for Country Patrons.

On Friday, June 15th, the guarantors of the Bellefonte Chautauqua met and decided matters of importance for this year's Chautauqua. The conditions specified in the contract were reaffirmed and it was emphasized that there is to be no distribution of unsold tickets. Everyone desirous of buying a season ticket must purchase it before the opening of Chautauqua on July 25th. The guarantors are anxious to sell every season ticket and ask the co-operation of Bellefonte. However, in the event of any tickets remaining they will be destroyed and the amount necessary to complete the guarantee will be made up equally by the local guarantors.

A special privilege has been secured for out of town people this year in the shape of a package ticket. This is good only for those patrons who live beyond the three mile limit from Bellefonte and for the sum of \$2.50 entitles them to ten single admissions, to be used according to the desire of the purchaser. For example, ten (10) people can come to one program, five to two numbers, two to five, and so on. This is a particular favor to those who live so far that they cannot enjoy the benefit of a season ticket. Those who have come from a distance in the past years will appreciate the value of this concession—a singe admission in the evening is regularly 50 and 75 cents.

Buy your ticket early and help the local guarantors raise their contract price. Believing in your appreciation of the best that can be obtained in lecture, music and wholesome entertainment, they annually undertake this burden in behalf of community welfare and uplift.
