Brief Meeting of Council.

At the regular meeting of borough council on Monday evening of last week a communication was received from H. J. Thompson, superintendent of the State-Centre Electric company, stating that unless other arrangements can be made the company will terminate its contract for pumping water on July 28th. A resolution was then passed embodying the fact that having tried the electric pump one year the borough would exercise its option and continue the contract for a period of ten years, as per written and signed agreement and the secretary of council and borough solicitor were instructed to so notify the secretary of the State-Centre company.

Only routine work was reported by the various committees. The Finance committee reported a balance due the borough treasurer on July 2nd of \$218.47, and also asked for the renewal of notes for \$2,000, \$1,500 and \$5,000, all for one year, which was authorized.

On recommendation of the Fire and Police committee council authorized the purchase of the siren fire alarm which has been here on trial for some time and instructed the committee to see that it is properly erected. Bills to the amount of \$1,653.09 were approved and council adjourned.

COUNCIL SUSTAINS ITS ACTION.

Affirms Passing of Ordinance for Sale of the Pruner Property.

At the last meeting of borough council Burgess Edmund Blanchard presented a letter from A. W. Templeton, of Tyrone, in which he stated that some time ago he had made an offer of \$22,000 for the Pruner property in Tyrone known as the Hoover block, and that his offer still held good. Burgess Blanchard also presented a letter from A. G. Morris in which the latter stated that he knew Mr. Templeton personally and he was well able to carry out any financial obligation made.

In order to set council right in the matter president Walker appointed Dr. J. M. Brockerhoff and Harry Flack a committee to ascertain if Mr. Templeton's offer was a bonafide one and report same at an adjourned meeting of council on Monday evening of this week.

When council convened on Monday evening it was with eight members present. A delegation of Tyrone councilmen headed by Burgess Richard Beaton and John S. Ginter, was also present. Dr. J. M. Brockerhoff reported that he had written Mr. Templeton regarding his offer and suggested that if it was bonafide he include with it a certified check for \$5,000 and a bond to cover balance. On Monday he received a letter from Mr. Templeton in which he declined to put up the money or furnish bond, but averred that his offer was bonafide and he would make good if it was accepted upon the delivery of a proper deed.

The Tyrone delegation was then given an opportunity to be heard and Burgess Beaton, Mr. Ginter and John K. Ray all spoke in defense of selling the site to the United States government, Mr. Ginter going so far as to say that Mr. Templeton only last Friday confessed to him and several Tyrone councilmen that his offer was made to the Bellefonte council merely to block the sale of the property.

In defense of his position in the matter Burgess Blanchard stated that he had acted solely in the interest of the borough and for what he believed to be right, but it was possible that he had been wrongly informed and under those circumstances of course he would not persist.

Mr. Brockerhoff then introduced a resolution to have the ordinance as passed published and put in force at Cherry, Flack and Harris voting against the resolution. The ordinance as passed will be found in this issue of the "Watchman."

CENTRE COUNTY COURT NEWS.

H. A. Ellis Sent to the Penitentiary. Menchio Held for Trial.

At a brief session of court last Friday morning H. A. Ellis, who was convicted at the May term of court for stealing chickens from Wesley Biddle, was sentenced by Judge Quigley to not less than two years nor more than three years in the western penitentiary, and he was taken to that institution on Monday by Sheriff Yarnell.

Clem Sager, who pleaded guilty to desertion and non-support, was also paroled in the custody of Mr. Richard for a period of six months.

HABEAS CORPUS PROCEEDINGS.

A habeas corpus hearing was held on Monday afternoon in the case of Thomas Menchio, of Philipsburg, who on May 24th stabbed Walter Young in the neck and as a result the man died over two weeks later. The hearing disclosed the fact that the stabbing was the result of a family broil a day or two previous, but the evidence against Menchio was such that the court held him without bail for trial at the next term of court.

Badly Injured in Railroad Accident.

John T. Miller, of Potters Mills, was badly injured in a railroad accident at the Centre Hall station about half-past three o'clock on Tuesday afternoon. Miller was engaged in hauling crushed limestone for the state road work at Centre Hall and was on his way to that place with a load just as the Lewisburg freight west happened along. He saw the train slowing up for orders but evidently believed it would stop. Station agent Frank Bradford called to him to stay back but as he is hard of hearing he evidently did not hear the call and drove onto the track in front of the train.

It was impossible for the engineer to stop his train in so short a distance and the result was the locomotive caught the rear end of the wagon and shoved it around off the track. The jar threw Mr. Miller out of the wagon onto the ground and he sustained a broken collar bone injuries to his neck and spine, internal injuries and lacerations and contusions of the head and body, so that his condition is considered extremely serious. The horses were uninjured and the wagon only slightly damaged.

Miss de Lagarde Wedded.

A wedding that was considerable of a surprise to the bride's many friends in this place was that on Monday morning of last week of Miss Cecile Denis de Lagarde and Owen Johnson, the novelist, the ceremony taking place in the private chapel at the home of Capt. Theodore Davis Boal, at Boalsburg, at eight o'clock and being performed by Rev. Father B. A. O'Hanlon, of State College. Only a few intimate friends were present.

The wedding is the culmination of a romance that had its inception over a year ago when both Mr. Johnson and Miss de Lagarde were engaged in relief work on the blood-stained fields of France. Miss de Lagarde was born at Chigens, Haute-Savoie, France, but many years of her life have been spent in this country with her brother-in-law, Capt. Theodore Davis Boal, at Boalsburg, and at his home in Washington, and with Theodore M. Davis, the Egyptologist, at Newport. When the European war broke out she gave her home at Chambray, France, to the French government for a hospital and she herself volunteered as a Red Cross nurse, doing duty at Chambray and Cannes. She was awarded a Red Cross medal and at her wedding elected to be married in the blue uniform of the organization. She returned from France this spring and has been engaged in soliciting funds for hospital work in her native land.

Mr. Johnson is a native of New York and graduated from Yale in 1899. One year later he married Miss Mary Galt Stockley, of Lakewood, N. J., who died in 1911. The following year he married Miss Esther Ellen Cobb, of San Francisco, a singer known to grand opera as Mme. Cobianna. The wedding took place at the Little Church Around the Corner in New York. They have three children and on May 21st of this year Mrs. Johnson secured a divorce at Reno, Nev., on the grounds of desertion, claiming that Mr. Johnson left home because he could not stand to have the children around when he was writing. Mr. Johnson, by the way, is author of "The Salamander" and other well known books.

Mr. and Mrs. Johnson will spend the month of August at York Village, Me., and their plans are to return to France early in September.

Killed on the Railroad.

Walker Shutt, a well known resident of Boalsburg, met a horrible death on the railroad between Mill Creek and Huntingdon, last Thursday afternoon, when he was struck by a train and his head almost completely severed from the body. Shutt was foreman of the concrete mixing gang for contractor Edward Evans on the state highway between Mill Creek and Huntingdon. Between one and two o'clock Shutt went onto the railroad to examine a water pipe laid under the tracks for the purpose of getting water from the river, said pipe having become clogged. He had completed his work and raised his head to get up when train No. 15 west came along and struck him, causing instant death. A coincidence of the unfortunate affair is that it happened just one year to the very day from the time he went to work for contractor Evans.

Walker Gray Stine Shutt was a son of Jonathan and Mary Ann Shutt and was born near Pine Grove Mills on December 27th, 1872, hence at his death was 44 years, 6 months and 8 days old. His boyhood life was spent in Ferguson township but for a number of years past he had resided at Boalsburg where he was regarded as an exemplary citizen in every way. He was a member of the Reformed church of Boalsburg and the Boalsburg Lodge I. O. O. F.
