THINGS ABOUT TOWN AND COUNTY

The summer course for school teachers at State College is fast drawing to a close.

Harvesting is now on throughout the county and the farmers have had the right kind of weather the past week.

Col. H. S. Taylor did his bit last Friday by helping John S. Yearick with his hay and the result was they got in eight big loads.

William J. Gates and family moved from Tyrone to Bellefonte last Thursday. Mr. Gates is a fireman for the Pennsylvania railroad and was transferred to Bellefonte as fireman on the shifter in the Bellefonte yard.

The twelfth annual reunion of the Eberhart family will be held at the Union county fair grounds, Brook Park, Pa., Thursday, August 2nd, 1917. All members and friends of the family are most cordially invited to attend.

First Lieut. Wilbur F. Leitzell was on Monday promoted to captain of the Boal machine gun troop to take the place vacated by Capt. Theodore Davis Boal when he was assigned to the staff of Major General Charles M. Clements.

Owing to the increased cost of leather Jacob Ghaner, the shoemaker of Benore, has been compelled to increase his prices for soles and heels men's shoes from 80 to 90 cents; ladies shoes 60 to 70 cents and children's 30 to 35 cents.

On Sunday M. A. Landry took his partner, W. L. Antrim, or a motor trip to Philipsburg, just to show him the beauties of the mountain scenery enroute. They went by way of Port Matilda and returned via Snow Shoe, and Mr. Antrim was enraptured with the trip.

Two traffic regulation markers were placed in the Diamond on Saturday and one at the intersection of south Water and High streets, with the simple notice "Go to the right." If all automobilists do as the sign says and keep within the speed limit they will not get into trouble.

Having already given to charity over one hundred dollars, the proceeds from her fortune telling during the past year, Mrs. E. B. Callaway has consented to continue her work and announces that she will meet parties of three or more at any time by appointment. Bell Tel. 286-R.

Mr. Clarence F. Brey, (formerly with Steinway's, Phila.) and now concert tuner for Mason & Hamlin, New York and Boston, will spend his vacation in this part of the State and will devote some of his time to piano work. Mail appointments to Bellefonte postoffice, general delivery.

Supt. J. K. Johnston, of Tyrone, was the principal speaker at a big flag raising at Osceola Mills on Sunday afternoon. It was a big event for that town, three bands, including the P. R. K. band of Tyrone, were present as well as a squad of the Third regiment N. G. P., under command of Col. Kemp.

If you do not know your correct weight and what you should eat to maintain it, figure it out from the table on page 2 column 3, "How to Regulate Your Weight." This is the first thing to know in scientific nutrition and that is what Mr. Herbert Hoover is trying to have us learn from his now famous motto, "Eat plenty, wisely, and without waste."

In anticipation of the bumper crop of vegetables now being grown on the penitentiary farms superintendent J. W. Herron and Frank P. Bartley will go to Pittsburgh next week where the latter will enter the big Heinz canning establishment to take a course in canning so that he will be in a position to take charge of the work when the crops are ready to handle at the penitentiary.

The Lock Haven Express came out last Thursday enlarged to a seven column, eight page daily, which allows for an increased advertising as well as reading capacity. The Express always was a newsy, readable paper and if the management keeps it up to the standard set by the first few days of its increased size its patrons surely will have no kick coming because of the change in price from ten to twelve cents a week.

Notwithstanding the hot weather the scenic is well patronized every evening, all of which shows that a high-class motion picture show is properly appreciated by the people of Bellefonte and vicinity. Manager T. Clayton Brown has always made it a point to get the best in motion pictures possible to procure, even paying high prices for the same, in order to please his patrons, and he continues to maintain this high standard of excellence.

On Tuesday of last week deputy sheriff Harrison Kline took his father's Buick runabout and accompanied by George Keeler and Charles Brown went to Altoona where Kline enlisted as a member of the marine corps. He returned home on Thursday and after spending a few days here took his departure on Monday afternoon for Altoona to be sent wherever Uncle Sam needs his services the most. Up to this writing sheriff Yarnall has not appointed another deputy.

Watch and Money Stolen.

Mr. F. W. Crider, of this place, was the victim of an early morning robbery one night last week while a guest at Galen Hall, Atlantic City, and the light fingered gentleman who did the job did it so completely that he didn't leave a single penny in the pockets of the well known Bellefonter's clothes.

Mr. and Mrs. Crider had been at Atlantic City visitors for several weeks. The night of the robbery Mr. Crider looked at his watch to see the time at two o'clock in the morning. In the morning when he was ready to get up he discovered that his clothes—vest and trousers—which he had hanging near the head of the bed, were not there. Getting out of bed he discovered them lying on the floor at the foot of the bed and piled neatly alongside of his clothes were his pocketbook, papers and other articles he had in his pockets except his money and watch, that was all gone, every last cent of it. The money included \$370 in bills and some change, probably about \$375 in all. His gold watch was gone with the chain and a Masonic charm valued at \$55, so that his total loss was between five and six hundred dollars.

Mrs. Crider's trunk was in the same room and though it was standing open the burglar made no attempt to ransack it, as not a thing in it was disturbed, although Mrs. Crider's pocketbook containing between twelve and fifteen dollars was in the tray of the trunk.

The management of Galen Hall was promptly notified of the robbery and an examination disclosed the fact that the only way the robber could have gained access to the room was by climbing a tree to the porch roof and entering through the window, Mr. and Mrs. Crider having occupied rooms on the first sleeping floor; that is if the job was not done by some one who had taken a room in the house.

Detectives were put on the case immediately but up to the time of Mr. and Mrs. Crider's return home they had gotten no trace of the robbers, but there is a probability that his watch and charm may be recovered some time if the person who took it attempts to pawn it.

Ankle Broken in Automobile Accident. Miss Margaret Noonan, daughter of Mrs. James Noonan, of the Brant house, is laid up with a broken ankle sustained in an automobile accident on Sunday afternoon.

She is in company with her sister Geraldine and their cousins, the Misses Ruth and Louise Seaman, of New York, had accepted an invitation from Mr. and Mrs. Wilfrid I. Miller to accompany them on a trip to Tyrone and return. They went up the Bald Eagle Valley road and a short distance above Unionville Mr. Miller turned out to allow another car to go by and as he did so the bank at the side of the road gave way, throwing the car down over a ten foot embankment.

All the occupants were thrown out and fortunately clear of the car so that all escaped without a scratch save Miss Noonan. In some way her left foot caught in one of the braces of the top of the machine, breaking her ankle. She was brought home as quickly as possible an taken to the Bellefonte hospital where the fracture was reduced, but the injury will keep her confined to the house for some days.

Highway People After Release.

Under the present ruling of the State Highway Department it is necessary to secure release from all questions of damages from abutting property owners along all roads taken over by the State and to rebuild by the State. The release is asked simply as a matter of protection to the State and not because the Department is rebuilding a road expects to do any damage. In fact great care is always exercised against doing any damage.

In this connection the Highway Department officials here are now asking releases of all abutting property owners along the old pike between Bellefonte and Pleasant Gap. Some of these releases have been given very readily, but others have not yet signed. And in failing to do so they are holding up the rebuilding of that piece of road. The "Watchman" has it on reliable authority that as soon as the releases are all given bids will be asked for the rebuilding of the road into a permanent highway, and every abutting property owner knows what that will mean to the value of his property.

Floor Breaks with Weight of Heavy Woman.

East Curtin street had a rather exciting time on Sunday afternoon when one of the flooring boards in an outside toilet at the home of Mr. and Mrs. Howard Casper broke under the unusual weight of Mrs. Leo Marks, of Hollidaysburg, and her left foot went through the hole thus made badly bruising and spraining her ankle.

Mrs. Marks is a sister of Mr. Casper and has been visiting at his place since July 2nd. She is a woman of stout build and weighs in the neighborhood of three hundred pounds. When she broke through the floor on Sunday afternoon she attracted a large crowd by her frightened screams, as she no doubt feared the whole floor was going down, but fortunately it was only a weakened board and aside from a sprained ankle she was otherwise unharmed. Being a woman of unusual weight, however, the injury to her ankle will prove very inconvenient, for a time at least.

Notice to Public.

A public meeting will be held in the office of Blanchard & Blanchard at 7:30 o'clock this (Friday) evening, for the purpose of making arrangements for a fitting farewell to Troop L.

EDMUND BLANCHARD, Burgess. Misses' and children's \$3 shoes will be \$2 at Yeager's on July 27 and 28. 29-1t

Men's and young men's suits, beginning at \$10.00 and ending at \$17.00. They are wonderful values at their respective prices.—See Cohen & Co. 29-1t

Cornelius Sheppard, a southern negro who killed a man in Harrisburg without provocation less than a year ago, was electrocuted at the new penitentiary on Monday morning. Going to the death chair at 7:05 he was given four contacts and pronounced dead at 7:10 by Dr. Campbell. His body being unclaimed it was buried in the penitentiary cemetery.

Over six hundred people attended the union picnic of the United Evangelical Sunday schools of Bellefonte, Lock Haven and Nittany valley at Hecla park last Thursday. The day was a delightful one and the big program of amusements kept everybody busy. Officers of the picnic association elected for the ensuing year are as follows: President, S. D. Gettig, Bellefonte; vice president, H. E. Probst, Lock Haven; secretary, Ebon B. Bower, Bellefonte; treasurer, O. B. Bruner, Lock Haven.

Governor Brumbaugh on Saturday approved the Omnibus bill which provides for changes in twenty-five highway routes throughout the State. The routes affected in this section are Route No. 58, from Bellefonte to Mill Hall, in which a spur of eleven miles is added from Lamar to Loganton. This addition was disapproved by both the Governor and State Highway Commissioner but was incorporated in the bill, nevertheless. The other road affected is Route 261 from Bellefonte to Huntingdon by way of Milroy, Bellefonte and McAleavy's Fort. This was approved by both the Governor and the Highway Department because it shortens the route 5.9 miles. 29-1t

Ladies' \$10.00 white kid high lace boots will be sold for \$5.00 at Yeager's on July 27 and 28. 29-1t

In view of the fact that the younger men of the country will shortly be called into military service, the management of the Pennsylvania railroad has decided to suspend temporarily, the regulation covering the age limit for employment. The rule heretofore in force prohibited the hiring of new employees, in any branch of the service, above the age of forty-five years. Under the new rule, which has been adopted to meet war conditions, persons between the ages of forty-five and seventy years may be employed during the war and for a period of six months thereafter. Inasmuch as such employment is not to be considered permanent, it will not carry with it the privileges of the pension department.

On Friday afternoon four members of Troop L went to Snow Shoe on a soliciting expedition for the Troop mess fund, going out in the Gamble car driven by Max Gamble. They had a very successful trip and naturally were feeling very well satisfied with what they had accomplished.

On the return trip home about 7:15 o'clock, just as they were starting down the mountain, a big black bear rolled down the bank into the road not a hundred feet in front of the car. Of course the driver stopped as quickly as possible, but the bear didn't make any attempt to investigate what the squad of troopers were after but with two jumps was across the road and up the other bank and only the rattling of the bushes told of his hasty retreat.

A terrific storm passed over portions of Blair and Huntingdon counties on Sunday afternoon, leveling almost entire fields of grain and corn in Warriorsmark and Spruce Creek valleys. In the vicinity of the Spruce Creek Country club trees were uprooted and great quantities of shale, earth and rubbish washed from the hillside fields and piled upon the state road, in some places three feet deep. At Water Street the hard macadam was torn right out of the roadway, rendering it well-nigh impassible. A party of Altoona people who spent the day at the Fairbrook Country club at Pennsylvania Furnace, was stormbound and did not get home until late at night. The damage done to crops, fields and roads is estimated at many thousands of dollars.

Verily it would seem as if there is room for a big ice plant in Bellefonte. As it is now Bellefonters have to depend upon two dealers, George Doll, who has his artificial plant along the pike, and R. B. Taylor, who handles the natural ice. Mr. Doll's plant is limited in capacity and of course he can serve only a certain quantity a day. Mr. Taylor can also serve only a certain number of customers and the result is that many people who want ice can't get it for either love or money, while even the regular customers of the two dealers are sometimes compelled to go "short on ice." With such a condition existing in Bellefonte it would seem that a good, live man who can and will furnish an adequate supply of ice ought to do a good business in the town.

Boy's \$4.50 English shoes will be \$3.25 at Yeager's on July 27 and 28. 29-1t

Sixty-five tickets were sold at the Bellefonte station for the Atlantic City excursion last Saturday night.

Nittany Valley Mail to be Carried by Motor Vehicle.

The Postoffice Department has announced that sealed proposals will be received by the fourth assistant postmaster general until August 7th, 1917, for carrying United States mails from Bellefonte to Lock Haven, by way of Zion, Hubersburg, Nittany, Lamar, Mill Hall and Flemington, a distance of twenty-seven miles and back, twelve times a week, beginning August 16th, 1917, and continuing until June 30th, 1921. Motor vehicles are to be used when road and weather permit and when conditions are not favorable for above any kind of a conveyance that will get the mail through on time.

The schedule proposed is to leave Bellefonte at 7 a. m. and 2 p. m., daily except Sunday, and arriving here at 11:30 a. m. and 7 p. m. each day. All proposals must be accompanied with a bond of \$2,000.

The editor of the "Watchman" is repeatedly asked when Troop L is going to leave. Up to the time of going to press there was nothing definite about it. The only late news from Washington is that the troops will be taken into the federal service on August 5th, but it was not stated that they would be sent to a training camp at that time. In fact some reports are that they will not be sent away until September, but inasmuch as no orders of any kind have been issued to one knows anything about it. The boys may be here several weeks or a month yet, and then again orders might come at any time to move, when of course they will go.

According to cable reports the first engineering corps sent out from Pittsburgh arrived somewhere in France on Wednesday of last week. With the corps are David Etters, a son of county superintendent and Mrs. D. O. Etters, of State College, and Harold Taylor, a son of Mr. and Mrs. Charles Taylor, of Huntingdon, and a grandson of Mr. and Mrs. W. Henry Taylor, of this place. George Edward Hunsinger, a son of Mr. and Mrs. Frank Hunsinger, of Buffalo Run, and a member of the regular army, is with Pershing's division in France.

The annual meeting of the Nittany Country club last Saturday afternoon and evening was made the occasion of a flag raising which took place at six o'clock. The speakers were Col. J. L. Spangler and Col. H. S. Taylor. At the business meeting all the old officers were re-elected.

With the mercury bobbing around 90 degrees naturally we have little concern as to how we are going to keep warm next winter, but now is the time to look after the coal bin. In times of heat prepare for cold.
