PINE GROVE MENTION.

C. H. Martz is back at the forge and anvil in this place. Our nimrods will all go into the mountains this morning for deer. J. D. Neidigh loaded two cars with two dollar wheat on Wednesday. John Snyder, of State College, was here on a business trip on Saturday. John Moore left last week to accept a job on the Western Maryland railroad. Farmer Samuel Wilson, of Graysville, was a business visitor here on Friday. Robert Glenn Goheen came in on Friday with a twelve pound wild turkey gobler. Clifford Close has purchased a Buick car, George Koch a Ford and G. C. Corl a Dodge. J. B. Behrer will till the Glenn sisters farm next year, W. C. Frank intending to retire. G. Mac Fry, wife and mother motored to Bellefonte on Saturday on a shopping expedition. Mrs. Anna Fry has been visiting friends on the Branch, where she spent her girlhood days. Miss Nora Goheen spent several weeks visiting her brother, Dr. Geo. Bailey Goheen, at Coalport. Mrs. J. Sumner Miller entertained a number of her lady friends at a wild turkey dinner last Friday. Mr. and Mrs. Ralph Walker and Mr. and Mrs. Roy Barto were over Sunday visitors with friends in Altoona. James A. Hoover, tenant on the J. Will Kepler farm, has given notice that he will quit the farm in the spring. The Louder brothers have invested in a new McCormick corn husker and are ready to do work for anybody desiring it. A. L. Wieland and family moved to Greenwood, near Altoona, on Tuesday, Mr. Wieland having accepted a job on the Pennsy.

REBERSBURG.

Lee Kidder, of Yeagertown, visited relatives here over Sunday. There is a case of diphtheria in Brushvalley, about two and one-half miles southeast of Rebersburg. Many hunting stories are now being told by our expert nimrods, but so far little game has been brought in. George Winters, who is in the Williamsport hospital where he underwent an operation for the removal of a cancerous growth on his face, has about recovered and is expected home in the near future. Mr. H. H. Stover, of Smulton, is in the good graces of the people of this valley by furnishing them with coal when they can get it no where else, and for a cheaper price than other dealers ask, when they have it. All the churches took up subscriptions for Y. M. C. A. work in the army last Sunday and the result was as follows: Lutheran church, \$60.00; Reformed, \$80.00; United Evangelical, \$8.25; Evangelical, \$5.00, a total of \$153.25. The question of a town hall for Rebersburg has again been revived and is being freely discussed. At present the town has no place outside of the churches for holding any kind of a public gathering and a town hall of adequate size to accommodate the people of the town and vicinity would be a very creditable addition to Rebersburg. Robert Meyer, a son of Hon. Henry Meyer, and a graduate of The Pennsylvania State College, has been appointed by the United States Department of Agriculture as farm help specialist for Pennsylvania. He will work in conjunction with the U. S. Department of Agriculture and the Public Safety Committee of Pennsylvania and will make a survey of the labor conditions throughout the State, both as to labor employed and men unemployed who can be drafted into service on the farm or elsewhere. Mr. Meyer, who will make his headquarters in Philadelphia, is an energetic and wide-awake gentleman and will without doubt prove a good man for the work assigned him. A public meeting was held in the High school room on Monday evening to consider the question of electric light for Rebersburg. Mr. Miller, of State College, representing the State-Centre Electric company, explained the proposition. C. L. Gramley was made chairman of the meeting and he appointed Orvis Walker, A. N. Corman, Wallace Kreider, T. A. Auman, C. H. Smull and C. L. Gramley a committee to canvass the town and see how many prospective customers can be obtained as well as the sentiment in favor of street lighting. Residents of Madisonville are also considering the proposition this week and sentiment seems to be strongly in favor of electricity, so it is highly probable that the State-Centre people will extend their line through Brushvalley in the near future. One of the chief topics of conversation in our stores is quite naturally the war. It is in these stores that many wrong ideas are being caught by those who do not read either a daily or county weekly paper, and great care should be taken by those who express their opinions on some feature of the war, inasmuch as there are always some who believe and say what others say. We have some news in our stores who read hardly more than the headlines of the daily papers and who have only a very superficial knowledge of the war, and especially of war conditions and fighting in Europe; and it is those people who do most of the talking and think they know more than those who are well informed and have made European conditions a matter of special study for years. Everybody wants to know about the progress of the war but good, common sense should be used in believing only what is known to be correct. Some people become very much worked up over such war news, especially when they have sons in the army. The sequel: Do not discuss a thing unless you really know something about it.

A cold wave visited each and all on Saturday. Mrs. Edgar McMurtrie spent Tuesday in Lock Haven. Mrs. Charles Lee is quite ill with an attack of appendicitis. Mr. and Mrs. Boyd McMurtrie returned to their home in Pittsburgh, after a visit with his parents, Mr. and Mrs. Edgar McMurtrie. We are sure the members of Boal troop are fed with the best of eats by the description of the big turkey dinner that Harry McMurtrie said they had last week.

Why suffer from a bad back, from shooting twinges, headaches, dizziness and kidney and bladder ills? Bellefonte people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit? Mrs. C. Young, Potter St., Bellefonte, says: "For more than a year I suffered from a dull ache in the small of my back. My back was sore and lame and when I bent over I could hardly get up again. I never felt able to do any housework. I had a languid feeling all the time and mornings I didn't feel like getting up my work. I was troubled a lot by dizzy spells. Doan's Kidney Pills had helped so many people around here with the same trouble, I began taking them. I got my supply at Green's Pharmacy Co. The first box cured me. It has been three years now since I have had any trouble from my back or kidneys." Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Young. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
