Bellefonte, Pa., January 18, 1918.

name of the writer.

-Use of the 1917 automobile tags have been extended by the State Highway Commissioner to January 25th, inclusive.

-The Bellefonte Academy service flag now has 120 stars, a remarkable record for an educational institution the size of the Academy.

strels, fifty-seven strong, held their first practice the past week and the boys intend doing their best to make this year's performance eclipse anything in past years.

-About two hundred and fifty students have withdrawn from State College since the opening of that institution last September to enlist for service of some kind during the war. This number represents about ten per cent, of the entire student body.

-The Lehigh College basket ball team was scheduled to play the State five at State College on Saturday evening but being on the Lehigh-Pennsylvania train they were held up behind the wreck at Curtin and could not get through in time, so the game was postponed.

fices in the Furst building formerly occupied by Fortney & Fortney and desirable location.

night and it was out with the snow wagon or truck to gather the milk. shovel brigade. The only thing that In this connection it might further warm weather.

teresting talk on missions. The very now charged. complimentary audience was made up from the membership of both the State College and Bellefonte parishes.

-Malcolm J. Laurie, formerly of Bellefonte and who for some years National bank at Winburne, has resigned that position to become cashing in business. He will be succeedby Walter Stinert.

G. C. King, of Spring Mills. The occasion proved a very pleasant one for all present.

-Last Saturday evening Frank Dillen, of Julian, took a sledding party to the Philip Williams home at Martha. When ready to return home a passing train frightened his team and they ran off, throwing Mr. Dillen turned to the owner.

-It is rumored that the green trading stamp store in Bellefonte will be closed for good on April first, inasmuch as the patronage here is not sufficient to justify keeping it open. Miss Janet Potter, who has been in entire charge of the store since the resignation of John VanPelt, has been asked to go to Philipsburg to take charge of the branch there, but so far has not decided on what she will do.

heating plant sprung a leak last Friday and it was necessary to draw the fires from under all the boilers in one battery until repairs could be made, and the result was that the steam pressure was not as high as it should have been until the fires were again officers were elected for the ensuing started on Sunday and both batteries year: of boilers put into service. The accident, while greatly deplored by those connected with the steam heating plant, was one that could not be anticipated and the one hope is that it won't happen again.

---The pavements of Bellefonte were never in a worse condition than they are now. They are not only showed a very satisfactory condition Friday night's snow and rain, but on some of the side streets of Belle- and the prospects are that a meeting fonte, and not so far aside either, of the Board will be held in the near Monday night's deep snow has not future to consider several very interyet been removed, although there is a esting propositions. borough ordinance requiring its removal within twenty-four hours.
