Dairyman Barnes Had Narrow Escape.

Dairyman John C. Barnes and his lives on Wednesday morning when their dairy rig was struck by an engine running light near the Pleasant Gap station on the Lewisburg and Tyrone railroad, but their horse was instantly killed and the dairy wagon badly wrecked.

The accident happened shortly before seven o'clock. Mr. Barnes and son were on their way across to the Hamilton farm to get their usual milk supply. They had carefully looked down the track toward Bellefonte and saw that the road was clear. When they were just on the crossing they heard the whistle of a locomotive and almost on the instant the latter came down the track from the direction of Lemont. Mr. Barnes and his son both jumped and got out of the way but the horse was right on the pelts of fur bearing animals are Bellefonte Business Man Severed the track and was struck and killed before their eyes. In jumping Mr. Barnes sprained one of his legs and his son fell and sustained a slight cut

While some districts in the county have organized and are carrying on energetic campaigns Mr. Walker would like to know what has become of the rural sections of the county.

Every postmaster in the county will be asked very soon to submit to Mr. Walker a complete report showing the number of sales of war savings and thrift stamps made during the month of March, and also a report showing the total sales made since December 1st. This report will be sent to the state director and published in every newspaper in Centre county early in April.

Every postmaster, clerk and carrier is a federal employee, and as such has been requested, and is therefore expected, to take an active interest in raising the necessary funds to make the "world safe for democracy."

Arthur Beezer, who accompanied P. B. Crider & Son's Lumber Office Burglarized.

Bold, bad burglars played havoc in the office of P. B. Crider & Son some time during Sunday evening or night, though the exact time is not known. Milton Straub was at the office shortly before four o'clock on Sunday afternoon fixing the fire in the stove.
