

NEW FOOD RULINGS.

Farmers Urged to Market Wheat and Public to Conserve It's Use.

Col. W. Fred Reynolds, food administrator of Centre county, has issued the following call to the farmers of Centre county to market all their surplus wheat by the first of May, and also new rules for bakers and the public generally on the conservation of wheat and wheat products:

To the Farmers of Centre County:

That we may comply with the urgent demands of the allies for wheat and at the same time take care of our own domestic supplies we urgently need this year an earlier and complete marketing of the wheat in farmer's hands than usual. The allies are taking from us fifty per cent. of other cereals than wheat to mix in their bread. Inasmuch as the people in allied countries and the soldiers must be fed with bread baked in bakeries it is impossible for them to prepare bread made wholly out of other cereals and we must furnish them with sufficient wheat to maintain their bakery loaf. I therefore appeal to all of the farmers in the county that they shall bring all of their wheat except their necessary reserve for seed to market before May first. This is a war call and a service for Uncle Sam who is fighting for his life. If any miller is unable to buy all the wheat that is offered communicate with me. Mr. Hoover can feel assured that the farmers of Pennsylvania will answer his appeal to market all wheat before May first with the exception of reserve for seed. Our farmers are as patriotic as any others and as determined to win the war.

W. F. REYNOLDS,
Federal Food Administrator
of Centre County.

To the Bakeries of Centre County:

"The urgent needs of the allies for an increased supply of wheat flour and our own short crop make it necessary that the amount of substitutes required in the baking of all factory bread be increased to 25 per cent. on April 14th.

"The situation may demand a still further increase later on."

Bakers will take this as their official notice to make the necessary preparations to bake bread and rolls 25 per cent. substitutes by above mentioned date. Bakers who will increase substitutes to 25 per cent before April 14th will be doing a patriotic service.

W. F. REYNOLDS,
Federal Food Administrator
of Centre County.

For the Public Generally:

The following rules have been issued by the U. S. Food Administration: To affect the needed saving of wheat, we are wholly dependent upon the voluntary assistance of the American people and we ask that these rules shall be observed:

1. Householders to use not to exceed a total of 1 1/2 pounds per week of wheat products, per person. This means not more than 1 1/2 pounds of Victory bread, containing the required percentage of substitutes, and about 1/2 pound of cooking flour, macaroni, crackers, pastry, pies, cakes, wheat breakfast cereals, all combined.

2. Public eating places and clubs to observe two wheatless days per week (Monday and Wednesday) as at present. In addition thereto, not to serve in the aggregate a total of more breadstuffs, macaroni, crackers, pastry, pies, cakes, wheat breakfast cereals containing a total of more than two ounces of wheat flour to any one guest, at any one meal. No wheat products to be served unless specially ordered. Public eating establishments not to buy more than 6 pounds of wheat products per month, per guest; thus conforming with limitations requested of the household.

3. Retailers to sell not more than one-eighth of a barrel of flour to any town customer at any one time and not more than one-quarter of a barrel to any country customer at any one time and in no case to sell wheat products without the sale of an equal weight of other cereals.

4. We ask the bakers and grocers to reduce the volume of Victory bread sold by delivery of the 1/2 pound loaf where one pound was sold before and corresponding proportions in other weights. We also ask bakers not to increase the amount of their wheat flour purchases beyond seventy per cent. of the average monthly amount purchased in the four months prior to March 1.

5. Manufacturers using wheat products for non-food purposes should cease such use entirely.

6. There is no limit upon the use of other cereals, flours and meals, corn, barley, buckwheat, potato flour, etc.

W. F. REYNOLDS,
Federal Food Administrator
of Centre County.

Aikens will assist at the Easter services. New standard time will be followed on Easter day. Move your clock forward one hour before you retire Saturday night, then follow the time as indicated by your clock Sunday morning.

Recruiting Officer Long Ejects Offensive Person.

Elmer Long, of Bellefonte, better known as "Abe," who is now located in Williamsport as a recruiting officer for the U. S. Navy, has the proper method for treating offensive characters when they come into his office to interfere with his work, as witness the following from last Friday's Williamsport Sun:

Recruiting officer Abe Long, of the navy station, in the postoffice building, ejected Oscar H. Eck, of 331 Brandon place, from the office. The recruiting

officer claims that Eck made offensive remarks about the navy and the character of its enlisted men and recruits.

The trouble first started over the proposed enlistment of Eck's son, Ralph Walter Eck, aged nineteen years and seven months, as an apprentice seaman. Eck's father went to the recruiting station and protested. The recruiting officer states that he endeavored to point out the benefit of the enlistment, but Eck refused to listen, declaring that the navy is made up of a lot of bums, roughnecks, etc. The officer declares that Eck stated he would spend \$2,000 to get his son out of the navy and if he enlisted he would not allow him to return home. When ordered out of the office he refused to go and Long helped him out. The law permits enlistments at the age of eighteen.

OAT SMUT A MENACE.

Campaign to Increase the Oat Production in Centre County.

County farm agent R. H. Olmstead says the most important factor effecting the yield of oats in Centre county is oat smut. Oat smut is a disease that is underestimated but which is present more or less in every field of oats in the country unless the seed has been properly treated. It is a fungus disease of black, smutty dust balls which cling to the outside of the seed. When the oats begin to grow the smut grows inside of the tissues and at blooming time it takes possession of the head. Our only solution in getting rid of the disease is clean seed.

TREATMENT FOR THE SMUT.

Prepare a solution by mixing one pint of 40 per cent. formaldehyde with 40 gallons of water. After the oats have been cleaned spread out on a clean floor and sprinkle with this solution until damp enough to pack in the hand. Keep turning with a shovel till all the oats have been thoroughly moistened.

When thoroughly moistened shovel into a pile and cover with sacks, blankets or old carpets. The oats should be left in this pile from 4 to 6 hours when they should be scattered out in a thin layer and raked over every two or three hours to hasten drying. The sacks, bin and drill should be sprinkled also to insure a thorough treatment.

The formaldehyde can be bought at any drug store for about fifty cents a pint, which is sufficient to treat about 50 bushels of seed oats. Several demonstrations will be held in the county during the coming two weeks. Mr. Olmstead is going through the treatment of some farmers' oats and his neighbors are coming in to see the demonstration. If anyone is interested in having a demonstration in their community get in touch with the Centre county Farm Bureau at Bellefonte.

PINE GROVE MENTIONS CONT'D.

Some of the most energetic farmers in this locality are ready to sow oats.

Mr. and Mrs. John Osman, of Shingletown, were week-end visitors in town.

Mrs. Frank Kline was taken to the Bellefonte hospital on Saturday for an operation.

Mr. and Mrs. A. W. Oliver spent last weekend with friends in the Kishacoquillas valley.

Miss Effie Rishel, of Boalsburg, was a two week's visitor with her sister, Mrs. C. A. Johnson.

Clifford Close and wife and Mr. and Mrs. J. H. Williams were Sunday visitors in the Mountain city.

Will Sunday, of Warriorsmark, spent the Sabbath with his parents, Mr. and Mrs. L. H. Sunday.

Easter services will be held at 10 o'clock Sunday morning by the Sunday school at Meek's church.

Mr. and Mrs. S. E. Ward and Miss Rita took a trip to Altoona on Sunday in Mr. Ward's new Oldsmobile.

After spending a ten day's furlough among his numerous friends here Ray Reed returned on Saturday to Camp Hancock.

Mrs. George Reed, of Spruce Creek, who became ill last week while visiting friends in town, is now somewhat improved.

Mr. and Mrs. George Miller, representative citizens of Axe Mann, spent the Sabbath at the home of J. C. Homan, at Pine Hall.

Mr. and Mrs. Clyde Smeltzer, of Buffalo Run, spent Sunday with their son Earl, who is ill with pneumonia at his home on the D. G. Meek farm.

Mr. and Mrs. M. E. Heberling enjoyed a drive over Old Tussey on Sunday and spent the day at Mrs. Heberling's former home at McAlevy's Fort.

Miss Sadie Elder, daughter of Mr. and Mrs. S. Y. Elder, who recently underwent an operation for the removal of a tumorous growth, is recovering very nicely.

Lumbermen Ellis H. Bierly and Ed. Duff transacted business among the Amish at Bellefonte on Wednesday, coming home with a nice gray team which cost them \$550.00.

Dr. J. C. Rothrock and wife, of Reedsville, motored over the Seven mountains on Sunday to see the doctor's brother-in-law, D. B. Louder, who is ill at his home at Oak Hall.

S. S. Krumbine and wife motored to Johnstown on Saturday to spend a day with Mr. Krumbine's brother, Sergt. Robert Krumbine, of the 305th artillery at Camp Hancock, who was home on a brief furlough.

Mr. and Mrs. Daniel Irvin and daughter Alice spent Saturday in Bellefonte on a shopping expedition. Miss Alice has resigned as teacher of the Centre school in order to complete her course at the Indiana Normal.

C. T. Homan reports another young farmer and Democrat at his home on the Branch. The new arrival is No. 6 in the Homan family. A little girl, their first-born, has arrived in the home of Mr. and Mrs. Ralph Rockey.

While William Thompson was taking in the sights in our village on Wednesday evening his horse broke loose and departed for home at breakneck speed. The result was his buggy

was completely wrecked and the harness badly used up. After running two miles and a half the horse was caught by Fred Fry, who telephoned the Thompson family that the animal was safe and unhurt.

Saturday afternoon while Mr. and Mrs. E. S. Tressler and grand daughter, Elizabeth Miller, were out for a spin in Mr. Tressler's new Ford they met another car and Mr. Tressler becoming a little nervous lost control of the steering wheel and ditched the car. All the occupants were thrown out, Mrs. Tressler sustaining several broken ribs, Miss Miller a broken shoulder while Mr. Tressler escaped with a few slight bruises.
