Centre County's Showing in Savings and Thrift Stamps.

For the week ending March 30th, Centre county was credited with 44 cents per capita in the sales of war savings and thrift stamps, or a total of \$2.44 for the entire campaign, and we retained tenth place in the list of counties for the Eastern district of Pennsylvania, but for the week we dropped to ninth place, while Union county had a per capita of \$2.17, Lancaster \$1.21, Wayne 64 cents, and Elk 60 cents.

For the information of those interested in the war savings certificates, please note the per capita of the nine counties leading Centre county for the entire campaign:

Table with 2 columns: County Name and Per Capita Amount. Includes Union (7.45), Columbia (4.03), Elk (3.50), Carbon (3.01), Cameron (2.86), Sullivan (2.56), Montour (2.76), Lancaster (2.17), Cumberland (2.61).

The Bellefonte High school war savings society for the past ten weeks has sold \$3327.38 in war savings and thrift stamps. The week ending April 6th was the "banner" week, with \$1030.00 to its credit.

Arrangements are now being made for a meeting at Bellefonte during the coming month, at which time the state director, Mr. Cassett, and several others in charge of the National war savings committee for Pennsylvania, will be present. The exact date and date will be announced later.

Let me suggest to those interested in winning this war to adopt the "National Acre" plan:

Set aside one acre of your farm to be planted and cultivated as the "National Acre," the proceeds of which are to be used in buying war savings and thrift stamps.

The "National Acre" plan has been adopted, and is rapidly spreading over Georgia and South Carolina, and let me suggest the advisability of every person in Centre county thinking seriously of, and finally adopting, this plan. We must raise the money which will win this war. We must maintain the young men whom we send to the front. You will be performing a patriotic duty by loaning your money to the government. Our government has the same power to conscript wealth as it has to conscript men. Let every man, woman and child in Centre county join in every movement to lend money to the government by purchasing war savings and thrift stamps.

From the tabulated report of sales, above indicated, you will notice that although Centre county retains tenth place in the Eastern district of Pennsylvania, yet we have dropped in weekly sales, and there are three or four counties within a few cents of the amount credited to Centre county, and unless we make considerable gain within a very short time, we will not be able to maintain our present standing. Then again we should not be satisfied to stand still. We should move toward place No. 1, but we cannot do that unless every man, woman and child in the county will do his or her patriotic duty.

W. HARRISON WALKER, Chairman War Savings Committee for Centre County.

W. T. Griffith, food administrator for Clinton county, last Thursday closed the grocery store of A. M. Greninger, at Beech Creek, for a period of thirty days because he persisted in selling wheat flour without the required amount of substitutes. Greninger was previously accused of making disloyal utterances as to America's participation in the war.

GREEN.—G. Dorsey Green, for almost half a century one of the best known farmers in Buffalo Run valley, passed away at his home above Fillmore about one o'clock on Saturday afternoon. He had an attack of illness about a month ago but had recovered from the primary cause of his sickness but other complications followed and his death resulted at the time above given.

Deceased was descended from Gen. Samuel Miles of revolutionary fame, his father being Gen. Samuel Miles Green, a prominent attorney and who served one term as deputy Attorney General of Pennsylvania. G. Dorsey Green was born at Centre Furnace on March 13th, 1832, hence was 86 years and 24 days old. After attending the local subscription school he attended the Lewisburg Academy then took a course at Lawrenceville, N. J., where he graduated at the age of eighteen years. Returning home he went to work for his father and he went to the Barre iron works which they were then operating, first as a clerk, then as storekeeper and finally as manager. In 1836 he became proprietor of the works and managed them very successfully until 1874 when he was caught heavily in the failure of Jay Cooke and could not weather the financial storm. It is a fact not generally known but from his Barre works went out the blooms from which the wire was made for the construction of the suspension bridge at Niagara Falls as well as the bridge over the Allegheny river at Pittsburgh. When Mr. Green was compelled to close down his Barre iron works in 1874 he came to Centre county and purchased the four hundred acre farm in Buffalo Run valley where he has made his home ever since.

Another incident in Mr. Green's life is not generally known. He was always an ardent Republican and in 1860 his brother Joseph was a delegate to the National Republican convention at Chicago which nominated Abraham Lincoln for President and G. Dorsey accompanied him and was present when the nomination was made. He also served as an aide on the staff of Governor Packer but never assumed the title of Colonel to which that appointment entitled him. He was a member of the Presbyterian church and for a number of years superintendent of the Sunday school.

He was united in marriage to Miss Mary Gregg, a daughter of Mr. and Mrs. Matthew Gregg, who died some years ago. Surviving him, however, are the following children: Mrs. W. E. Gray, of Bellefonte; Samuel Miles, in the employ of a railroad company in California; Elizabeth Dorsey, at home; Allen McGregor, whose whereabouts are unknown, and Dr. George D. Green, of Lock Haven. He also leaves one sister, Miss Hannah E., of Philadelphia.

Funeral services were held at his late home at 2:30 o'clock on Tuesday afternoon by Dr. W. K. McKinney, after which burial was made in the Union cemetery.

THOMAS.—Robert E. Thomas, a former resident of Bellefonte, died at his home in Wilksburg last Thursday morning after only five days' illness with lobar pneumonia.

He was a son of Morgan and Martha Thomas and was born in Milton on March 6th, 1855, being 33 years and 27 days old. He came to Bellefonte when a boy and spent a number of years here, learning the trade of a moulder. A few years ago he moved to Wilksburg where he worked for the Union Switch and Signal company. He was a member of the Methodist church of Bellefonte and of the Knights of Malta.

He was united in marriage to Miss Mary Miller, of this place, who survives with three small children, Mary, Robert and Thelma. He also leaves his father, living in Hollidaysburg and the following brothers and sisters: George, in the army; David, of Williamsport; Mrs. S. B. Letzelt, of Butler, and Ellen, of Cornway, Pa.

The remains were brought to Bellefonte Saturday and taken to the home of Mrs. Harry Miller, where funeral services were held at 2:30 o'clock on Sunday afternoon by Dr. E. H. Yocum, after which burial was made in the Union cemetery.

SHAGHNESSY.—Mrs. Catherine Shaughnessy, wife of Thomas Shaughnessy, died at 6:50 o'clock on Friday evening of general debility. She was a daughter of John and Mary Flynn, and was born in County Galway, Ireland, in August, 1834, hence was in her eighty-fourth year. She came to this country in 1851 and in September, 1862, was united in marriage to Thomas Shaughnessy who survives with the following children: John P., of Fairmount, Ind.; Mrs. J. H. Crain, of Altoona; Mrs. John C. Nolan, of Tyrone; Thomas, of Clarksburg, and Catharine, at home. She was the last of her father's family. Rev. RAY.—Calder Landis Ray, only son of Sylvester D. and Sarah McGinley Ray, died very suddenly at 5:30 o'clock on Sunday afternoon while sitting in a chair at the Ray home on Howard street. He had complained during the day of suffering with a headache and ate only a light dinner. He then went to bed for an hour or two but got up about the middle of the afternoon and went to the kitchen for a smoke. Between five and six o'clock members of the family heard a peculiar noise in the kitchen and Mr. Ray went out and found his son lying over the arm of the chair. He spoke to him, but got no answer and going closer was horrified to find him dead.

Deceased was born in Bellefonte on November 25th, 1884, hence was 33 years, 4 months and 13 days old. He was a graduate of the Bellefonte High school and most of his time since had been spent with his father in the shirt factory, though for a time he was parcel post carrier at the postoffice. A few weeks ago he went to Cleveland, Ohio, where he took a course in vulcanizing and welding, having returned home on Wednesday of last week. He was a past master of the Bellefonte Lodge of Odd Fellows and a member of the Encampment. He had been a member of the Methodist church since boyhood and was an exemplary young man in every way. In addition to his parents he is survived by two sisters, Miss Mary Ray, at home, and Mrs. R. Harold Smith, of Bridgeton, N. J.

Funeral services were held in the Methodist church at two o'clock on Wednesday afternoon by Dr. Ezra H. Yocum and burial in the Union cemetery was in charge of the Odd Fellows.

She was a daughter of Henry and Sarah Gregg Kinney and was born in Bald Eagle valley.

Owing to the death of her mother when she was very young her life as a child was spent in the family of Gen. and Mrs. James Irvin, living in Bellefonte and nearby vicinity. She was educated in the schools of Bellefonte and at Lawrenceville, N. J. On September 13th, 1854, she was united in marriage to Dr. James Wilson and they had one daughter, Julia I., who died when ten years old. Dr. Wilson was a surgeon in the volunteers during the Civil war and died in 1864. Surviving her, however, are one sister, Mrs. John Broderline, of Hollidaysburg, one half-sister and two half-brothers, namely: Miss Emma Kinney, Edward and Henry Kinney, all of Milesburg.

He was born at McAlevy's Fort on March 20th, 1845, making his age 73 years and 18 days. When in his teens he enlisted for service in the Civil war and had an enviable record as a soldier. During the past thirty-four years he had lived in Altoona where he worked in the lumber yard of the Pennsylvania railroad company until his retirement three years ago. For a number of years he followed his trade as a shoemaker in which he was quite proficient. He was married to Miss Julia Schreckengast who died a number of years ago but surviving him are two sisters, Mrs. Bowersox, of Aaronsburg, and Mrs. William Hoover, of Lock Haven. Funeral services were held at the Bowersox home at ten o'clock on Tuesday morning by Rev. Snyder, of the United Evangelical church, after which burial was made in the Fairview cemetery, at Millheim.

Mr. Bathurst climbed on top of a box car to assist another workman in loosening a brake. In doing so the stick they were using slipped and struck Mr. Bathurst on the head fracturing his skull and throwing him from the car. He was brought to the hospital but nothing could be done to save his life.

He was a son of Mr. and Mrs. Thomas Bathurst and was born at Curtin fifty-four years ago, living there all his life. He was a laborer by occupation and a good citizen in every way. He had been a member of the Methodist church for many years and took an active part in all kinds of church work.

Mrs. Bathurst died several years ago but surviving him are the following children: Mrs. Burns Stover, Mrs. Ray Lutz and Mrs. Barney McGovern, all of Bellefonte; Mrs. Samuel Stanley, of Milesburg; Mrs. Ezekiel Lucas, of Curtin; Mrs. Samuel Hines, of Hecla; Susan, Ralph and Laird, at home. Another "Bit" for the D. A. R. The latest "bit" done by the Bellefonte Chapter D. A. R. was a resolution passed last Thursday afternoon at the regular monthly meeting held at the home of Mrs. Edwin Erle Sparks, State College, that each member of the Chapter purchase yarn for one pair of soldiers' socks and knit the same.

They also put themselves on record as approving the propaganda of the war relief service committee of the National society—promising to abide by its recommendations and spread them as they can—a propaganda against women knitting bright-colored sweaters for their own use, that through lack of demand merchants will not order from the manufacturer yarns in any colors but khaki and gray, and that thus the supply of khaki and gray yarns may be greatly preserved.

Escaped Prisoner Caught After Five Months' Liberty.

The old biblical laws of the Medes and Persians were decreed as inexorable as fate but did they exist today it would probably be easier to evade one of them than to escape from the western penitentiary at Rockview.

On the eighteenth of last October David Hummel, sent up from Altoona, and Peter Hartman, convicted in Allegheny county on the charge of larceny and receiving stolen goods, escaped from the western penitentiary and made their way into Bald Eagle valley where they spent the second night of their liberty in an old cabin on the mountain south of Unionville.

The next morning, which was Saturday, the opening of the hunting season, the two men were apprehended by J. C. Fox and H. J. Stere, of Unionville. Hummel acquiesced to the demand of the young men for his surrender but Hartman made a dash for liberty and escaped. That was the last heard of him until last week he was discovered working in a rubber factory in Akron, Ohio. Officers got trace of him through the fact that he had sent for his family and they had moved to Akron from Pittsburgh.

Hartman was working there under the assumed name of William Mallory and was not only caring well for his family but living a decent, law-abiding life; so much so, in fact, that several citizens of Akron interceded in an effort to have the mandate of the law set aside but such could not be done and Hartman was brought back to Bellefonte on Sunday, taken before Judge Quigley on Monday and sentenced to serve out the unexpired portion of his original term and an additional term of from two to three years. He was taken back to the Pittsburgh institution on Tuesday.

Though Hartman claims that he was wrongfully accused and convicted penitentiary officials aver that he was serving his third term when he escaped. Be that as it may Hartman's arrest after he had been gone over five months is evidence that it is almost impossible to get away from the penitentiary and not be caught, and the man who tries it is doubly foolish.

Baseball Season to Open Tuesday, April 30th.

Another meeting of the magnates of the Red Cross baseball league was held on Wednesday evening with President J. M. Cunningham presiding. The committee appointed last week to formulate rules and regulations for the government of the league presented its report and the same was adopted as read.

A motion was passed that the opening game of the season be played on Tuesday, April 30th, at 7 o'clock in the evening and G. L. Carpeneto, Harry Ruhl and George Hazel were appointed a committee to draft the schedule for the season. It was the sense of the meeting that all games shall be played in the evening in order to afford as many people as possible an opportunity to attend.

A call was sent out to each ward to organize, select a manager, enroll their players and report same at the next meeting of the league to be held on Tuesday evening, April 23rd. All persons in the North ward willing to play on the team should report at once to Geo. L. Carpeneto, those in the South ward to J. Mac Heine and those in the West ward to George Hazel.

County Supt. David O. Etters Re-elected.

At a meeting of the school directors of Centre county, held in the court house on Tuesday morning, David O. Etters, of State College, was re-elected county superintendent for the fourth term. Dr. M. J. Locke, of Bellefonte, presided over the meeting and Mr. Etters was nominated by M. S. McDowell, of State College. No other nominations were made and on a poll of the directors Mr. Etters received the unanimous vote of the ninety-nine present. Following his election he made a brief speech to the directors.

At the conclusion of the county superintendent's talk stirring and patriotic addresses were made by James Scarlet Esq., of Danville, Col. J. L. Spangler and Judge Henry C. Quigley. All of the speakers urged the directors to do all they could in their home communities in the Liberty loan and thrift stamp campaigns, as well as in every move for the support of the government and its war program.

Gas for Bellefonte Seems Assured.

For some time past it has been reported that the Bellefonte gas plant would be rebuilt and put in operation this spring but everybody was rather skeptical about the report owing to the uncertainty of everything connected with the steam heat and gas plant during the past two years. But the fact that six new retorts were received during the past week, and that men are now at work on rebuilding the plant looks very much as if the present owners mean to operate the plant. Wilbur Saxion is in charge and he asserts that the company will be making gas and in a position to furnish same early in May.

The Red Cross has outgrown its present quarters and secured in addition the two vacant rooms on the first floor of the Garman house on north Spring street. Those rooms will be used for the work of the Auxiliaries under the management of Mrs. John Shugert. Surgical dressings will be made as heretofore in the library of the court house and Petrikin hall will be rearranged and used for the other branches of the work.

A Record-Breaking Snow.

There may have been years when snow fell in April but so far as the writer is able to recall the snow of this week was a record-breaker. Following Monday's rain it began to snow on Tuesday morning and snowed continuously all day. Most of the snow melted during the day but by evening the temperature dropped to below the freezing point and most of the snow that fell during the night lay on the ground and by Wednesday morning it was six inches deep. It snowed intermittently all of Wednesday and snow shovels that had been put away for the summer had to be gotten out and pavements cleaned off.

Just what the result of the snow fall will be is hard to contemplate. It will not hurt the grain nor the grass, and is not likely to do any damage to the garden truck now in the ground. The only fear is that it may affect the fruit crop. Many trees were starting to bud, and while the snow itself, would do no damage yet the cold that accompanied the snow might have done considerable. It is to be hoped, however, that the buds were not far enough advanced to be killed.

While the snow of Tuesday and Wednesday was a record-breaker so far as the amount of it is concerned, yet it is not an unusual thing to have snow in April. In fact a record kept by weather forecaster E. C. Lorentz, and published in Wednesday's Johnstown Democrat, gives the following snowfalls in April in the past sixteen years:

Table with 2 columns: Year and Snowfall Amount. Includes April 8, 1902, 4 inches; April 11, 1904, 4 inches; April 10, 1907, 2 inches; April 9, 1909, 2 inches; April 9 and 10, 1916, 7 inches; April 8 and 9, 1917, 1.3 inches.

Engineer Joseph Twitmore Injured in Wreck.

Joseph Twitmore, son of Mr. Wilbur T. Twitmore, of this place, and who is an engineer on the Pennsylvania railroad running between Tyrone and Sunbury, was injured in a freight wreck near Mill Hall late Wednesday afternoon and is now in the Lock Haven hospital with a badly crushed arm.

Mr. Twitmore's run, it appears, is from Lock Haven to Sunbury and back to Tyrone. From the latter place he has been traveling in a cab back to Lock Haven. He was making this part of the trip Wednesday afternoon and was asleep on one of the bunks in the cab when the train reached Mill Hall. The train had evidently stopped at Mill Hall and was run into by another train. The cab was wrecked and Mr. Twitmore had one of his arms badly crushed and sustained several minor cuts on the head.

It was at first thought he was very seriously injured but at the Lock Haven hospital, where he was taken as soon as possible, it was found that his worst injury was his crushed arm, and the latest word received is in effect that the arm can be saved but whether he will lose his hand or not is not known. Mr. Twitmore went to Lock Haven Wednesday evening and has not returned at this writing so that definite information of his son's condition could not be obtained.

Olsen-Coxey.—The home of Mr. and Mrs. W. C. Coxey, on Bishop street, was the scene of a pretty wedding, at seven o'clock on Wednesday evening when their daughter, Miss Marguerite B. Coxey, was united in marriage to Lief A. Olsen. Only members of the two families were present to witness the ceremony which was performed by Chaplain T. W. Young, of the western penitentiary. There were no attendants and immediately after the ceremony Mr. and Mrs. Olsen went directly to their already furnished home in the Harper house on Bishop street, having decided to dispense with the regulation wedding trip for the time being.

The bride is the eldest daughter of Mr. and Mrs. Coxey, is a graduate of the Bellefonte High school and for several years filled the position of book-keeper and cashier in Sim the Clothier's store. The bridegroom is connected with the Abrams Engineering company and is an industrious and energetic young gentleman. The "Watchman" extends congratulations.

Glass-Woomer.—Dr. George Robinson Glass, of Uniontown, and Miss Catharine Stewart Woomer, daughter of Mr. and Mrs. Isaac Woomer, of Graysville, were married at the home of Mr. and Mrs. Dean Clark, in Altoona, last Thursday evening, by Rev. Joseph C. Kelly. The young couple will make their home in Uniontown.

Electrocuted Monday Morning.

Mike Uptic, a foreigner of Westmoreland county, was electrocuted at the Rockview penitentiary on Monday morning for the murder of Mrs. Vladislav Szpulsky and two children near Vandergrift on the morning of April 24th, 1917. Uptic was taken to the chair at 7:06 o'clock and after four contacts was pronounced dead at 7:11 by Dr. W. Felker.

William (Bill) Warrén, a negro, of Chester county, who was to have been electrocuted at the same time for the murder of William Kirk, near Avondale on the morning of May 27th, 1917, was granted a respite after he had been brought to the penitentiary last Friday.

Private Sale.—During the next two or three weeks the undersigned will offer for sale two kitchen ranges, two kitchen tables, one heavy lap robe, two one-horse spring wagons, one cutting box, one pair buggy harness, one one-horse cutter.
