Plain Questions to **Bellefonte** People

EVERY BELLEFONTE READER WILL ADMIT THE SOUND-NESS OF THE LOGIC.

Would Bellefonte people recom-mend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their ex-periences did not show the remedy to Thomas Foss, of Altoona, spent be deserving of it? Statements like the following must carry conviction Mrs. George Benner spent several to the mind of every reader: Mrs. J. C. Johnson, 365 E. Bishop St., Bellefonte, says: "I was a great sufferer from backache and pains days last week with friends in Al-

#### -They are all good enough, but Leathers from New Sources. the "Watchman" is always the best.

In the hunt for new sources of leather strange things are turning up. Thus, for instance, it has been ascertained that the skins of frogs and toads can be tanned and turned to ac-Half Sick, Half Well count for card-cases and other fancy articles.

The Government Fisheries Bureau says that the skin of the codfish furnishes an excellent leather, tough as parchment and very durable. same is true of salmon skin, which In the Spring the depressing con-dition that many call Spring fever often runs through families and the Indians along the Yukon river, in Alaska, have long utilized for cloth-

Eel-skins are employed in Europe for binding books, and in Egypt shoe

This indefinite, hard to describe state of poor health probably means that you are thin-blooded and anemic. soles are made from the skins of cer-tain fishes caught in the Red Sea. Sturgeon skin affords a handsome ornamental leather, and the hide of the armored garfish is much valued in Europe being covered with horny Exhausted thin blood gets thinner, low vitality falls lower, poor appetite becomes poorer. Then the thorough-ly exhausted system can no longer re-Europe being covered with horny plates that can be polished to an sist, and on comes the prostrating ill ness or serious disease. vory-like finish. The skin of the wolf-fish-a fero-

Treat the half-sick, Spring-tired condition with that splendid course of cious little creature that often attacks medicine—Hood's Sarsaparilla, to for-tify the whole body; Peptiron, to iron-ize and make rich red blood; Hood's Pills to rouse the liver to its regular persons who venture in wading along the rocky seashore of New England, biting them severely-is now being used for card-cases and shopping oags

daily duties—and the half-well re-vives to perfect health. Each medi-cine is valuable in itself but is trebly so when used in this combination. 63-15 green leather called "sha-The green." remarkable for its wearing quality and imperviousness to water (on which latter account it is exten-sively employed for instrument cas-es), is made from the hide of the "angel shark" of the Mediterranean.

FINE JOB PRINTING In Tartary dried and oiled fish-skins serve as a substitute for glass in windows, being sufficiently trans-lucent for the purpose.
