MORE NATIONAL ARMY MEN.

Twelve Sent Away Tuesday, Fifty-Nine More to Go May 25th.

The one thing more than any other that is convincing evidence that this country is at war, and means to fight to a finish, is the continual drain upon the young manhood of the country. Centre county now has between eight and nine hundred men in the service and the end is not in sight. In addition to the hundreds who have voluntarily enlisted in the neighborhood of three hundred men within the draft age have either been sent away to training camps or been inducted into service in some branch of the army for which they had a special preference. The last bunch to be sent away was on Tuesday afternoon, when twelve young men entrusted for Columbus barracks, Columbus, Ohio, the first contingent sent to that place.

The men came to Bellefonte on Monday in response to the summons of the local exemption board and that evening they were given a supper at the Broeckerhoff house. A number of Bellefonte citizens were present as well as friends of the young men. At the conclusion of their meal brief speeches were made by Burgess W. Harrison Walker, Edmund Blanchard, 'Squire W. S. Skelton, of Millheim; Hon. John Noll, Major S. M. Huff, John L. Dunlap, J. Will Conley, who supplied the boys with "smokes," John J. Bower and sheriff George H. Yarnell. The young men left on the 4:35 train Tuesday afternoon, and like the others who have gone before, were given an enthusiastic send-off at the train. The young men sent away were as follows:

West Ward Team Loses Two Games.

Interest in the Red Cross baseball league is increasing and the attendance at the last two games warrants the assertion that before the season is much further advanced it will be attracting considerable attention, not only in Bellefonte but throughout the surrounding country.

The game last Friday evening between the North and West ward teams was won by the North ward by the score of 9 to 5, but it was only because the West ward players got rattled in the last inning that the North warders won. Up to that time they had the game cinched by a 5 to 0 score but in the last inning the North ward team hammered out 9 runs and won the game.

On Tuesday evening the West ward was again defeated by the South ward, the score being 11 to 1. Tonight's game will be between the North and South ward teams and will no doubt be a contest worth seeing. Go out and see the game and thus contribute your mite to the Red Cross.

Charles M. McCurdy has been in Pittsburgh for a part of the week with his sister and niece, Mrs. Scott and Miss Janet Scott.

Forty-five alumni of The Pennsylvania State College have been selected as candidates for commissions in the fourth officers' training camp and among the number was Horace J. Hartranft, of this place, who has been in training at Camp Dix, N. J. The men were ordered to report at Camp Custer, Battle Creek, Mich., on Wednesday.

On Saturday afternoon, May 25th, 1830, Mr. S. A. McQuiston, of Bellefonte, first saw the light of day so that on Wednesday, May 29th, he will be just eighty-eight years old. Though not born in Bellefonte he has lived here most of his life and has long been identified as one of the oldest and best citizens of the town. Mr. McQuiston is now enjoying good health and his legion of friends hope he may live to celebrate this and many more anniversaries.

The spring primaries will be held on Tuesday next week and by the time the next issue of the "Watchman" appears the various candidates will know the verdict of the voters. While the "Watchman" is not in the habit of making predictions we'll venture just one this time and that is that the Hon. John Noll will be nominated on the Democratic ticket in Centre county for the Legislature, and that his chances for being elected in November are very good.

"The Kaiser, the Beast of Berlin," has been secured by manager T. Clayton Brown for exhibition at the Scenic two days, May 23rd and 24th. This dramatic motion picture shows the Hun in all his bestial brutality and any American who sees the picture cannot help but be stirred to the depths with a desire to free the earth of such monsters. Keep the dates in mind and don't fail to see this picture. But in the meantime go and see the other good pictures shown at the Scenic every night.

"Robina in Search of a Husband," the home talent play given at the opera house on Monday evening under the auspices of the D. A. R., drew a large audience and every one present was delighted with the performance. The gross receipts were \$227.00. The object is to make up the Bellefonte Chapter's quota of \$75,000 pledged by the National Chapter for the rebuilding of Tielloy, France, one of the towns destroyed by the Germans when they invaded that country. It is the purpose to not only provide houses, but house furnishings and live stock, including a cow, chickens and pigs. Any money left over after the Chapter's quota is donated will be turned over to the Red Cross. If there is enough demand for a repetition of the play it is possible it may be given again on Saturday evening, May 25th, the entire proceeds to go to the Red Cross.

Young Electrician Electrocuted.

Huston Shuey, a lineman in the employ of the State-Cent' Electric company at State College, was electrocuted at the top of a twenty-five foot pole in that place just before the noon hour on Friday. He had gone up a pole on Burroughs street, near the home of Harvey Stine to make some repairs. Although he failed to notice it at the time the insulation had worn off the high tension wires. When he reached the top of the pole he took hold of one of the iron braces to help support his weight and in some way slipped and fell with the back of his neck against one of the high tension wires. The insulation being faulty the wire burned a gash in his neck into the bone. He grabbed another wire to pull himself loose and got hold of another live wire with the result that he was electrocuted. His brother Dale was with him and he started up the pole to rescue his brother but in some way the current was broken and the unfortunate man dropped to the ground, falling on his head and crushing his skull.

He was a son of John H. and Ellen C. Shuey and was born in College township. Had he lived until Tuesday he would have been twenty-eight years old. He was married to Miss Lottie Stover, of Boalsburg, who survives with two small children. He also leaves his father, two brothers and two sisters, namely: Paul Shuey, of Bellefonte; Dale, of State College; Mrs. George Dunkleberger and Mrs. Fearon Struble, of College township. Funeral services were held at his late home on Tuesday afternoon after which the remains were taken to Boalsburg for burial in the cemetery at that place.

Big P. O. S. of A. Rally.

The Patriotic Order Sons of America will hold a big patriotic rally and county meeting in Bellefonte tomorrow (Saturday) afternoon and evening under the offices of the organization's State Wdr Board. A round table meeting will be held in the P. O. S. of A. hall in the Greeg Post rooms at two o'clock in the afternoon which should be attended by as many members as possible from the twenty-one Camps in the county. At this meeting camp problems will be considered and discussed by state officers. This meeting will also be attended by the Altoona Commandery in full regalia.

At 7:15 o'clock in the evening the Altoona Commandery will lead a big parade in which all the P. O. S. of A. Camps in the county, as well as other fraternal organizations are invited to participate. Music will be furnished by Our Girls band of Milesburg. A big War Board mass meeting will be held in the court house at 8:15 p. m., which will be addressed by Hon. Gabriel H. Moyer, of Lebanon; Charles Brumm Helms, of Philadelphia, and Auditor General Charles A. Snyder, of Harrisburg.

A special Camp session will be held at 9:30 o'clock p. m. in the P. O. S. of A. hall, when the degree work will be conferred upon some three hundred members from the Camps at Snow Shoe, Oryston, Runville and Monument. The Altoona Camp degree team will do the work. The public is invited to attend these meetings.

Farmers Made in Two Weeks.

Three hundred and fifty school boys completed their two weeks' intensive work on the farms at State College the latter part of last week and were sent out to different parts of the State to relieve the labor situation on the farms. In the main the boys applied themselves to the work and give promise of developing into sturdy, capable young farmers. There was one boy, however, that came to the College from one of the towns in the eastern part of the State that were inclined to kick over the traces and were harder to handle than all the others put together, but it is to be hoped that the training they got at the College will result in them expending their surplus energy in honorable toil on the farms to which they have been sent.

Penn State was the first college in Pennsylvania to inaugurate a boys' training camp for agricultural purposes and so promising is the outlook from the boys trained there the past two weeks that another camp was opened on Tuesday to continue for two weeks. The boys came here from every section of the State, most of them reaching Bellefonte on the Pennsylvania-Lehigh trains and for a short time the P. R. R. depot looked like an Ellis Island for the clearance of immigrants. Each boy had a grip and a bundle of blankets and all in all they were a sturdy, determined looking set of lads.

An Old Time Street Fight.

While the writer did not see it the street fight that took place between the "Watchman" office and the Bush house about 10:30 o'clock on Monday night carried one back to the days of thirty years ago when it was nothing unusual to see a fight between the nailworkers and the employees at the glass works. Monday night's scrap was between a bunch of foreigners and a crowd of Coleville men. The foreigners had been drinking and were negotiating with a taxi driver to take them home when one of the Coleville bunch pushed one of them from the pavement. The man was promptly knocked down. Others interfered and regardless of the fact that they had been drinking the foreigners put up a good fight. One Coleville man was hit with such force that he was not only knocked down but rolled entirely around an automobile and when he got up he was knocked down again and rolled around the other way. Bricks were thrown and a general scrap was in progress when the police appeared upon the scene and quelled the fight.

The man who started the trouble was compelled by chief of police Dukeman to gather up all the bricks then was escorted to the lockup. Later another participant was arrested and locked up and two more of them on Tuesday.

Joe Kelleher Transferred to Lock Haven.

T. Joseph Kelleher, who for a number of years has been yard master for the Pennsylvania Railroad company in Bellefonte, has been promoted to the position of assistant trainmaster of the Tyrone division with headquarters at Lock Haven. The order became effective yesterday and Mr. Kelleher went to Lock Haven yesterday morning to assume charge of his new duties.

Mr. Kelleher's promotion came as the result of making Lock Haven a terminal point for freight runs between Tyrone and Northumberland. The change in operation has been tried out for two months and has worked so successfully that it was decided to make it permanent. In his new position Mr. Kelleher will have charge of the Bald Eagle Valley road and Bellefonte and Snow Shoe.

Mr. Kelleher came to Bellefonte almost twenty years ago and during his service as yardmaster here has proven not only efficient but faithful. While his friends naturally would rather have him remain in Bellefonte yet they are also pleased at the company's appreciation of his services in thus giving him the promotion.

George Moser, the Goldine man who has been in Bellefonte the past month or more looking after the advertising of Goldine and Goldine Altera, left on Monday for Youngstown, Ohio, where he will go into the office of the company and supervise the advertising from there. Mr. and Mrs. B. F. Swartz and their small son came from Erie the after part of last week to spend the week-end at Hubersburg with Mr. Swartz's parents, Mr. and Mrs. L. H. Swartz, and to see his grandmother, Mrs. Christ Swartz, now convalescing from her recent serious illness at the Bellefonte hospital. Gilliland Esq., postmaster at Snow Shoe, was in Bellefonte Friday, with his son, with whom he had just completed a delightful trip to Camp Lee, in Virginia, where his oldest son, who was principal of the schools of Curwensville, is preparing for overseas service to Uncle Sam. Aside from the fact that he had not seen our old friend for a long time his visit was most interesting for the reason that he gave us a very minute and glowing description of this great army cantonment. He is of the opinion that the government has left no stone unturned in its effort to throw every safeguard about the physical and moral welfare of the men it is calling to its support.

The Hon. Geo. E. Alter, of the law firm of McKee, Mitchell and Alter, of Pittsburgh, has been spending the past ten days with Warden John Francis at Rockview. Mr. Alter is prominent not only in his profession but in Republican politics in the western part of the State. As Speaker of the House during the session of 1913-14 he attained an eminence in the councils of his party which would make this seem like an unusual time for him to be on a vacation, but as we have always believed him to be a different type of Republican from that typified by the present scandal mongering squabblers who are fighting for preferment in his party, he probably finds more peace and keeps in better estate by spending much of his leisure time in the mountains and along the trout streams of Centre county. Incidentally, Mr. Alter is fast becoming an expert angler of trout and very often returns to the warden's home, after a day's outing, with a creel that many an older fisherman would be proud of.

Reported a Slacker by Mistake.

Included in the list of twenty-four names published last week as the number of slackers in Centre county was the name of Francis J. Hefferan, of Osceola Mills. The name was given out by the local exemption board owing to the fact that the young man's questionnaire was returned to the board without any report as to his whereabouts.

It now appears that he enlisted for service on December 12th, 1917, and is at present in training at Fort Morgan, Alabama, as a member of Company 2, C. A. C., hence it is only just to the young man and his friends that his name be stricken off the slacker list.

Prisoners Paroled.

At a brief session of court held on Tuesday afternoon Robert Jodon and James Fetters, the two men who two weeks ago were sentenced to pay fines of fifty dollars each and ninety days in jail for furnishing liquor to men of known intemperate habits were each paroled and their fines remitted. Jodon was paroled in the custody of Hon. A. G. Morris and Fetters on his good behavior.

Westley Nicholson, of Philipsburg, pleaded guilty to running a car without a license but sentence was suspended and the county directed to pay the costs.

"Hops, Hell and Hohenzollern."

Such is the subject of a lecture to be given in the Methodist church of Bellefonte tomorrow (Saturday) evening by Dr. Elmer Lynn Williams, the fighting parson of Chicago. In a quarrel at Woodland, Clearfield county, on Saturday evening, William Brown shot and killed Walter Moore, putting three bullets in his body, one of which pierced his heart. Sheriff Yarnell was notified to be on the watch for the murderer.

Included in the list of slackers reported by the Clinton county exemption board is the name of "Howard James Lannon, Wilson street, Bellefonte, Pa."
