When you have dripping steam pipes, leaky water-fixture, foul sewerage, or escaping gas, you can't have good Health. The air you breathe is poisonous; your system becomes poisoned, and invalidism is sure to come.

Medical.

Act Quickly

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective. Plenty of Belleville evidence of their worth.

Mrs. C. Young, Potter St., Belleville, says: "For more than a year I suffered from a dull ache in the small of my back. My back was sore and lame and when I bent over I could hardly get up again. I never felt able to do any housework. I had a languid feeling all the time and mornings I didn't feel like getting at my work. I was troubled a lot by dizzy spells. Doan's Kidney Pills had helped so many people around here with the same trouble that I began taking them. I got my supply at Green's Pharmacy. The first box cured me. It has been three years since I have had any trouble from my back or kidneys."

Hood's Sarsaparilla.

Your Liver Needs

Stirring Up and Stimulating in the Spring.

Its sluggish lack of vigor is a large factor in causing the dullness, depression and weakness that hang on to you like lead in your shoes from morning till night.

Hood's Pills are the best liver stimulant and family cathartic—best because they do their work well and do not deplete the blood like purgative salts and waters, which often leave a woeful train of catarrhal discharges that are unnatural and weakening.

Then you may get the splendid blood-enriching qualities of Hood's Sarsaparilla and the iron-building effects of Peptiron in the combination, and the three medicines working together give the grandest health-lift it is possible to have from medicine.

Any one of the three medicines will do you good—the use of all three will accomplish wonderful results for you. Try this treatment this Spring. 63-19
