

**HIGH COST OF FARMING WITH-
OUT A SPREADER.**

Bringing Figures Up to Date.

A recent issue of a farm paper contained an article entitled "Barnyard Manure and How to Spread it Advantageously." All the facts set forth were good, but many of the arguments were based on corn at 50 cents, oats at 35 cents, and wheat at 85 cents per bushel.

On the same page with this very able article, but having no connection with it, was a little squib which read like this, "The chips off the old block are often so lazy that they lie where they fall." Perhaps that explains why many of us do not take the trouble to bring experiments up to date.

If proper use of manure brought so many more bushels of 50-cent corn, what is the reason it would not bring like results with \$1.54 corn? Consider the following results taken from some of the best bulletins. Note the difference when the figures are brought up to a 1918 model.

Value of Crop Increase— Machine Spreading Over Hand Spreading			
Corn	Price	\$.50	\$ 6.00 or \$240.00
	Price	1.54	18.48 or 732.20
Oats	Price	.33	4.62 or 184.80
	Price	.86	12.04 or 481.60
Wheat	Price	.85	3.40 or 136.00
	Price	2.62	8.48 or 323.20

Value of Crop Increase— Machine Spreading Over No Manure			
Corn	Price	\$.50	\$10.00 or \$400.00
	Price	1.54	30.00 or 1232.00
Oats	Price	.33	5.94 or 237.62
	Price	.86	15.48 or 619.20
Wheat	Price	.85	8.50 or 340.00
	Price	2.62	29.20 or 1168.00

Now, don't these figures look better in their 1918 dress suits? Those other low figures were almost enough to give one a chill. Now, when our nation is dealing in billions, who wants to think of 50-cent corn? The American farmer is done with small figures and no one is more entitled to a more favorable return for his labor than he.

BUYING POWER DOUBLED.
Let us make another comparison. When corn was 50 cents, it took about 240 bushels to pay for a good spreader at \$120.00. Suppose such a spreader is now about worn out and a new one is needed. Two hundred and forty bushels at \$1.54, the present price, would bring about, \$370.00—enough to buy two modern light-running, wide-spread spreaders with still some "Thrift Stamp" money left.

Now, why is it that some people insist on saying spreaders are high in price? Bringing figures up to date certainly opens one's eyes.

SPRING MILLS.

The "Smileage" book campaign will be launched in this community sometime in the beginning of June.

Dr. and Mrs. H. S. Braucht, with their son Dean and Mrs. H. F. Rossman, autoed to Lewisburg on a short business trip last Friday.

George S. Weaver was taken to the Bellefonte hospital last Saturday afternoon by Dr. H. S. Braucht, where he underwent an operation. At this writing he is improving slowly.

Professor Shannon, director of the Gregg township vocational school, gave a very interesting and entertaining address at the Y. M. C. A. on Sunday evening. His subject was "The Power of God," in the discussion of which he especially emphasized the importance of the morale of the people as a whole.

The Memorial services were conducted last Sunday evening by Rev. Kurtz, in the Lutheran church. The guests were Daniel Kennelley and John D. Long, veterans of the Civil war, and the local Chapter of the P. O. S. of A. The services were well attended and decidedly one of the best ever held in Spring Mills.

The disappearance of a silk flag from the front of one of the public places of Spring Mills, last Saturday night, shows how much some citizens, or perhaps a visitor, desires to show his patriotism by displaying a flag. The community from which he comes may be proud that they possess such a citizen and that he believes in silk flags and not in cheap cotton ones.

On Saturday evening, May 25th, the Freshman class of the Gregg township vocational school will present a comedy in three acts: "A College Town." The admission will be

10 and 20 cents. All the proceeds will go to the Red Cross. It is hoped that there will be a large attendance, not only that the proceeds may be large, but that a greater desire for home talent may be aroused.

The instructors and students of the Gregg township vocational school celebrated Music day last Friday afternoon. Marching after a large United States flag and the service flag of the township the small body presented a fine appearance, and with their singing at each flag by the way stirred up the patriotism of each loyal citizen. The procession was led by Prof. Shannon, director of the vocational school.

"Pledge week" in the Spring Mills district was a success. The greatest number and largest amount of pledges, however, were made last Saturday when over nine hundred stamps were pledged. The total amount pledged for the week was a little over \$7200, and with the \$5000 worth of stamps purchased up to this time brings this district to nearly half its quota. The quota, however, is very high for this district, that is in comparison to some of the other districts. The quota is \$28,000, being about twenty dollars per capita.

When the population of the district was sent in all men, women and children were counted who receive mail at this postoffice, about 1400, while in some other districts the number seems to have been registered less than the true amount; or rather that the number of the town was only registered and not that of the surrounding community. It is hoped, however, that this district may not fall down but may subscribe the entire quota. Some of the authorized solicitors were as follows: Misses Gladys Meyer, Elizabeth Hennigh and Edith Sankey; Mrs. Wm. Sweeney; Messrs. M. T. Zubler, J. C. Barger, Ben. F. Kennelley, Dean S. Braucht and Pealer Rossman.

The Red Cross drive was entered upon on Monday morning and has been progressing rapidly ever since. Spring Mills and Gregg township ought not only fill its quota but make an enviable record. The committee of the local Red Cross in charge of this

drive has been making a house-to-house canvass. If you have not already been visited you may be sure that you will be. Do not give rashly but think what you can afford to give and then double it. The Red Cross needs each citizen's support. Remember that all of the Red Cross war fund goes for war relief.

The program for Memorial day services has been partly completed. The services at the Union cemetery will be held at 9:30 o'clock in the morning and the speaker will be Rev. Kurtz. Rev. W. H. Williams will be the speaker at the services at 2 o'clock in the afternoon at the Georges Valley cemetery. The services at the Spring Mills cemetery will be held at 6:30 o'clock in the evening. The procession will form at Krape's store at 6 o'clock. The children of all the public and Sunday schools of the township are asked to participate in this parade. The address will be given by Rev. R. R. Jones, immediately after the regular decoration exercises. Plans had been made to have a band for the occasion but nothing definite has, as yet, been decided upon. The local Chapter of the Patriotic Order Sons of America has been in charge of all arrangements for these services.

"Severe Attack of Pneumonia Affected My Whole System, Leaving Me in a Weakened Condition. Goldine A Great Strengthenener."

Mrs. G. A. Witherite, Snow Shoe.

In recovering from a severe spell of pneumonia I was so weak that life hardly seemed worth living. My stomach was affected and I could only eat certain foods. I took cold easily and had almost a constant headache and dizziness, due, I think, to my liver and being troubled with gas on my stomach. I was almost discouraged when I heard and read about Goldine and I tried it for several months. It has helped me and also some of my neighbors and friends who are using Goldine now.

Mrs. G. A. WITHERITE.

Sent by Parcel Post, Prepaid, upon receipt of \$1.00.

WHICH?

Coal or kerosene? The government needs the coal. The less coal used this summer the more there will be for winter when it's needed most. Every housewife can help by using an oil cook stove in her kitchen instead of a coal range. Will you?

NEW PERFECTION OIL COOK-STOVES

not only save coal for war purposes and home heating but they mean less work for the women who have them. They're less trouble to operate than a coal range. Nothing hard to understand. Simply strike a match, light the wick and regulate the heat as easily as you turn a lamp up or down. Isn't that easier than carrying wood or coal and bothering with the ashes every day?

Also, the results are better, for you have the heat at one place, right under the pots and pans—not over the whole stove and over the whole kitchen.

But for perfect results always use Atlantic Rayolight Oil. Ask for it. Don't buy unbranded kerosenes. They look the same but they're not. Atlantic Rayolight Oil is so highly refined that it gives the most heat and all without smoke, sputter or smell. Go to your dealer now and ask to see New Perfection Oil Cook Stoves. And then be sure to use Atlantic Rayolight Oil.

The children of all the public and Sunday schools of the township are asked to participate in this parade. The address will be given by Rev. R. R. Jones, immediately after the regular decoration exercises. Plans had been made to have a band for the occasion but nothing definite has, as yet, been decided upon. The local Chapter of the Patriotic Order Sons of America has been in charge of all arrangements for these services.

Valley cemetery. The services at the Spring Mills cemetery will be held at 6:30 o'clock in the evening. The procession will form at Krape's store at 6 o'clock. The children of all the public and Sunday schools of the township are asked to participate in this parade. The address will be given by Rev. R. R. Jones, immediately after the regular decoration exercises. Plans had been made to have a band for the occasion but nothing definite has, as yet, been decided upon. The local Chapter of the Patriotic Order Sons of America has been in charge of all arrangements for these services.

Plain Clothes Talk

THE amount of wool needed to apparel the average soldier has been estimated at as high as seventeen times the amount the average civilian requires.

Wool grows—it is a product of nature. Its quantity cannot be increased by increased manufacture.

What more patriotic, every-day duty then confronts us than we "conserve wool"?

"HIGH-ART CLOTHES"

offer an opportunity to combine thrift with patriotism, in that ONE such suit is preferable to TWO poor ones.

At the same time, "HIGH ART CLOTHES" are not expensive.

YEAGER'S SHOE STORE

MEN'S Dress Shoes \$5.00

Five Dollars to-day will not purchase a pair of Men's Dress Shoes that can be guaranteed to give satisfaction.

I have been very fortunate to secure a limited amount of Men's Dress Shoes, made of a good quality of calf leather, with a top of the same kind, the soles are NEOLIN with Wing-Foot rubber heels. If you are in need of a pair of Dress Shoes, here is an opportunity to purchase a good pair at the price of a poor pair.
