Memorial day has come and gone and the people of this vicinity observed it loyally and patriotically. At the services at Graysville cemetery only one G. A. DOWN NITTANY VALLEY.

The St. Marks Sunday school is preparing to hold a Children's day service on Sunday, June 9th, in the evening. The collection will be for the orphans home at Lloydsville, and it is hoped that a generous one may be given.

Mrs. G. Nevin Hoy and little Bobbie came up from Philadelphia one day last week to spend a short time at her parental home. Mr. Hoy is in the signal service of the Pennsylvania railroad and is making good, having been promoted lately to a responsible position in North Philadelphia, in the electrical department. Bobby enjoys the country, especially playing with Rex, the big shepherd dog, at his Grandpa Becks.

The rains and storms of the past few weeks have done much damage down the valley. Many trees have been uprooted, buildings blown down, the greatest damage has been in the washing of the newly-planted fields. Many corn fields are badly washed, resulting in considerable damage. There is still some planting to be done, the ground having been too wet for several weeks past to work in.

Among the contingent called to Bellefonte to go to Columbus barracks on Saturday, June 30th, were two of our Nittany young men, Russell Kessinger and John D. Beck. At the final roll call it was found that there were several more present than the number required and among the men dropped out were our two boys. They were both much disappointed. While they were glad for a short respite yet they both expressed a strong desire to go, especially feeling that the squad they were called to go with was an unusually bright and clean bunch of men and they would have been glad to go. Of course their many relatives and friends were glad to have them home but feel it will not be long until they will be called to help wipe out the Kaiser.

Memorial services were held on Sunday, June 2nd, at Snyderstown at 10:30 a. m. and at Hublersburg at 2 p. m. A goodly number were in attendance at both places and the service and decoration ceremonies impressive. They were conducted by the G. A. R. Post from Bellefonte and the P. O. S. of A. Camp of Hublersburg. At Snyderstown Lincoln's Gettysburg address was recited by Miss Johnston, from Bellefonte, and addresses were made by S. D. Gettig, J. Kennedy Johnston and W. Harrison Walker, Esqs. The great crisis through which we are at present passing and the importance of every man, woman and child doing their part in every way possible was emphasized by all the speakers. The people of this land in general do not seem to understand the gravity of our present situation, and addresses of the character given at this service help to bring home to the mass of people the truth as cannot be done in any other way. We greatly enjoyed having the veterans of the G. A. R. with us again, and trust their granks may remain unbroken to come again a year hence and that before that time this great world war may have ended in an honorable peace and the power of autocracy crushed from the face of the earth.

THERE CAN BE NO DOUBT ABOUT THE RESULTS IN BELLEFONTE.

Results tell the tale. All doubt is removed. The testimony of a Bellefonte citizen.

Can be easily investigated. What better proof can be had? Mrs. Sara Miller, 210 E. Howard St., says: "The first I noticed was to have headaches and dizzy spells and spots floating before my eyes. I also had pains in my back and there was a dull ache across my loins. I couldn't do any lifting and when I sat down I could hardly get up without help. I also had rheumatic twinges. After I had taken two boxes of Doan's Kidney Pills the rheumatic pains disappeared and I was relieved of the other troubles. I have had very little kidney trouble since."
