Jno. Zwaldirigan Jr.S. Philipsburg -Raymond E. Jenkins, son of Mr. and Mrs. Harry E. Jenkins, of Tyrone, has given up his job with the General Electric company and enlisted for service in the Engineering Depot detachment No. 437. He is now in a training camp just outside of Washington, D. C. The training he is taking consists of searchlight investigation for the purpose of determining the best searchlights for various conditions. Most of them are used for picking up bombing planes in France. The investigations are carried on from morning until night every day in the week except Sunday.
