

LENGTHY SESSION OF COUNCIL.
Borough Dads Increase Tax Rate One Mill. Other Business Transacted.

Another mill was added to the tax rate of Bellefonte on Monday evening when borough council made the millage for street purposes for the year 1918 six instead of five as it has been the past two years. The increase was deemed necessary in order to meet the unusual expense of paving south Water street.

Seven members were present at the meeting, the absentees being Dr. Brockerhoff and Theodore Cherry. There were no verbal communications. A written communication was received from John Blanchard Esq., requesting exoneration of water taxes on his home for the six months it was not occupied during the winter. The Water committee recommended the exoneration and it was granted.

A written statement was presented by chief fire marshall Edward F. Gehret showing that to equip the Undine auto hose truck into an up-to-date chemical truck would cost \$1208, and to do likewise with the Logan car would cost \$2060. Mr. Gehret, however, supplemented his written statement by a verbal announcement in which he said that if council would appropriate \$1000 to each company, the companies themselves would finance the remainder of the cost. Chairman Flack, of the Fire and Police committee, recommended that the appropriation be granted. Mr. Harris, while not opposing the recommendation asked if it wouldn't be a better idea to equip one of the companies this year and the other next, owing to the fact that there are already in sight so many unusual and extraordinary expenditures for this year. The matter was discussed at some length and finally was referred back to the Fire and Finance committees for consideration and report at next meeting.

Chairman Harris, of the Street committee, reported the receipt of ten dollars for a sewer permit. He also stated that when men were put to work to repair Linn street it was found that the top dressing had been worn so thin that it was impossible to do the work, and the only way it can be fixed is with a new top dressing of stone and ugte. He recommended that an order be placed for a tank of ugte with which to repair the main streets. Council authorized the placing of an order for the same.

The Water committee reported that the repairs are here for the small pump and also for the water wheel and that the same will be put on at once.

The Sanitary committee reported a nuisance on the Gus Armor property on east Lamb street and they were empowered to take the proper action to have the same abated.

The Finance committee asked for the renewal for six months of notes for \$3000, \$2000, \$1100 and \$500, all of which were authorized.

Under the head of new business borough solicitor J. Thomas Mitchell presented the bond of contractor R. B. Taylor from the Loeb Indemnity Co., of New York, in the sum of \$3,630, and the contract for the borough's extra share of paving south Water street. On motion the president and secretary of council were authorized to execute the contract.

The proprietors of the Wion garage were authorized to put down at their own expense a proper sewer to take care of the water from the garage.

The Fire and Police committee recommended an increase of five dollars a month in the salaries of both policemen, making the chief of police \$75 a month and the patrolmen \$70. The same was granted.

Mr. Cunningham asked about repairs on south Potter street, and as it has been so long since this matter has been before council the members had forgotten how far they had progressed, the matter was referred to the Street committee and borough solicitor for investigation and report at next meeting.

At this juncture James R. Hughes made his appearance and urged council to hasten the work of putting down the crossing at the junction of Spring and Bishop streets, and the Street committee was instructed to do the job.

Mr. Hughes also told council of the desire of the 1918 class to erect a memorial gate at the Bishop street entrance to the Academy grounds and asked permission of council to place the pillars at the designated spot. The matter was referred to the Street committee and borough solicitor for investigation and report.

Mr. Seibert stated that before south Water street is paved there ought to be a valve put in the 12 inch water main, otherwise if a break ever occurs the entire service will have to be shut off. He was authorized to get a valve at once and put it in.

Bills to the amount of \$2800.86 were approved and council adjourned.

—Dr. and Mrs. Thomas F. Branson, of "Clovercroft," Rosemont, Pa., announce the marriage of their daughter, Frances Garrett Branson, to Daniel S. Keller, Jr., of Philadelphia, the wedding having taken place Saturday, June 8th. Mr. Keller is a son of the late Daniel S. and Mrs. Keller, and a half-brother of Harry Keller Esq., of Bellefonte.

—The Patriotic League will hold its monthly outing, a moonlight picnic, on Friday evening, June 21st. All members are requested to meet at the home of Miss Sallie Fitzgerald, on Spring street, at 6:30 o'clock.

—Mrs. Harry Walkey suffered a stroke of paralysis on Tuesday and her condition since has been such as to cause her friends considerable concern.

War Savings Meetings in Centre County June 28th, 1918.

The people of this county are expected to subscribe for and purchase during 1918, war savings stamps to the maturity value of \$876,200. In order to distribute this allotment of war savings stamps equitably among the various parts of the county, a quota has been assigned for each district, which will be stated at the opening of every meeting held on June 28.

Our financial aid is needed now as never before. Those of military age are giving their lives in the cause of liberty. It is expected of those who remain at home that they will respond with the necessary funds to strengthen the nation's defenders and make certain the final triumph of Democracy.

In order to raise the total amount from this county, it will be necessary that each district subscribe the amount allotted to it. This will not impose any burden on any person in the district if each person does his duty, and the persons conducting the meetings in each district have been instructed to insist upon the total amount allotted to it being subscribed before the meetings are adjourned.

Let each and every person in Centre county resolve to pledge to buy W. S. S. during the remainder of the year in such amounts as will insure absolute success in these government securities, and that there will be no question but that Centre county will "go over the top."

Very truly yours,
W. HARRISON WALKER,
Centre County War Savings Chairman appointed by and acting under authority of the Secretary of the United States Treasury.

Two Year Old Boy Drowned.

Edward Blanche Callahan, the two year old son of Mr. and Mrs. James C. Callahan, of Harris township, was drowned in Boal creek on Friday afternoon, June 7th. Mr. and Mrs. Callahan are tenants on the Theodore Davis Boal estate, occupying that portion of land on which the Boal machine gun camp was located. The Boal creek runs between the house and the spring house and the child fell into the creek in an attempt to follow his mother to the spring house shortly after dinner. Its body was not found until two hours later when it was located some twenty rods below the spring house. In addition to the parents seven brothers and sisters survive. The remains were buried at Centre Hall on Monday of last week.
