of Epworth Convention Leaguers

The twenty-seventh annual convention of the Altoona district Epworth League was held in the Bellefonte Methodist church Thursday afternoon and Friday of last week. About sixty official delegates and pastors were in attendance as well as many others attracted by the excellent program arranged for the occasion. Thursday afternoon's session was devoted to addresses and discussions of importance

to League workers. Thursday evening's session was patriotic in character. Rev. E. S. Randolph, of Philadelphia, delivered a splendid lecture on "Caesar or Christ." He stated that the two are alike in that they both begin with "C," but this is the only similarity. In every other respect they are as different as splendid lecture on "Caesar or Christ." Services on the Houserville United Brethren charge for Sunday, June 30th, will be as follows: Sermon by the pastor, E. P. Kratzer, at Houserville at 10:30 a. m., and at Valley View at 8 p. m. Subject "Walking with God." other respect they are as different as false is from true. The governments of Europe are based upon the ideals of Caesar while the government of the United States is formed upon the ideals of Christ. The hour proved a real "get-together and get acquainted" occasion. Light refreshments of lemonade and saltines were served and the delegates chatted pleasantly and enjoyed the music of the band. The hour was brought to a close with a Chautauqua salute

at 6:30 o'clock in the morning. The sermon to Leaguers Friday morning ed but urged to attend. by Rev. J. B. Stein, of Altoona, a former pastor of the Bellefonte church, was a heart to heart talk enjoyed by Method of Baling to Facilitate Trans-

all present. The afternoon session was carried out as to program and Friday evening the two special events were an exhibition of lantern slides on eastern and southern Asia and an address by the district superintendent, Rev. E. R. Heckman, of Altoona, who discussed a war-time program, explaining The minimum weight of bales shall in detail the centenary of the Meth- be 75 pounds for the following kinds odist church, the great missionary forward movement and the opportunities and privileges open to the young grass; Sudan grass; rice straw; oats people of today for real service.
