The Emerick Motor Bus Line Co., operating between Milesburg and State College, Bellefonte and Lock Haven, Philipsburg and Osceola, has filed with the Public Service Commission a new tariff of rates to become effective on July 11th, 1918, making increases in existing rates.

The new tariff provides for the cancellation of round trip fares at present in effect, and increases many existing rates with the minimum fare at ten (10) cents. The following examples show some of the new rates of fare:
