DOWN NITTANY VALLEY.

Miss Mildred E. Beck went to Philadelphia on Friday to visit her uncle and aunt, Mr. and Mrs. Nevin Hoy. She will be gone several weeks and expects to have a good time exploring the city.

Master Jack M. Brandt, of Pittsburgh, is helping his uncle make hay and harvest and is acquiring a good, healthy coat of tan. He is making good as a farmer and the men say for a town boy he is doing fine.

L. E. Swartz is building a house on his farm below Hubersburg as a home for a tenant farmer. He intends to rent his farm in the spring and take life easier hereafter. Mrs. Swartz attended the wedding of her niece, Miss Mary Allison, at State College, on Saturday.

Charles N. Decker took a few days off the latter part of last week to visit his cousin, Roy N. Decker, county farm agent of Monroe county, located at Stroudsburg. He reports a very pleasant trip and says Roy is very busy and enjoys his work. Crops in that section are good in general.

The farmers have made a big lot of good hay in Nittany valley during the past two weeks. The weather in general has been favorable. Corn and potatoes are growing fine, but some corn fields show lack of good seed. The stand is too thin, and this year we will need all the feed we can possibly raise.

Will Romick and wife came up from Philadelphia one day last week to spend a few days with Mr. Romick's parents, Mr. and Mrs. C. F. Romick. Mr. Romick was compelled to go back on Sunday evening, as he is with a construction company manufacturing and supplying lumber for the Hog Island ship yard and they are rushing things down there. Mrs. Romick spends a little time visiting relatives and friends in the valley.

Mrs. Mary Martin, formerly of Nittany, is visiting her old home at present. She is located at Grantwood, N. J., opposite New York city, residing with her daughter, Mrs. Frank Cannon. Mr. Cannon is a chemist in the employ of the Barrett company. Mrs. Martin's only son, J. Edgar Martin, is in the government service, a lieutenant in the navy. During winter and spring he made several trips to France conveying troops across but is stationed at Hoboken at present as an instructor in engineering—steam and electrical.

Another automobile accident on the Fourth occurred at the curve at the lower end of Snyderdown below Will Beck's home, at the same place. A fatal accident occurred last year. A car from Bellwood, going at a pretty good speed, failed to make the curve and ran into the sign post, wrecking the car, injuring a Mr. Barrett pretty badly and bruising several of the other occupants of the car. The man who was injured was pitched into the wind shield and it was a miracle he was not killed. The whole party were fortunate in not receiving more injuries.

SPRING MILLS.

George Rachau and family, of Sunbury, spent the Fourth of July with Mr. and Mrs. G. N. Wolfe.

There was a meeting of the stockholders of the First National bank of Spring Mills, in the Grange hall, Friday evening.

Miller Jamison, son of Ed. Jamison, had the misfortune to accidentally shoot himself through the foot with a target, Wednesday, July 3rd.

The Children's day services rendered by the Lutheran Sunday school of Spring Mills, Sunday evening, June 30th, was highly entertaining and largely attended.

T. M. Gramley and family autographed through the southeastern part of the State over the week-end. A short time was spent with their son, Eugene Gramley, who is employed as an electrician by the Bethlehem Steel company, Bethlehem.

June 28th, National war stamps pledge day, tended to show that the Spring Mills school district is over one hundred per cent. patriotic. The quota for this district was \$8,000, and there was almost \$12,000 worth of war savings stamps purchased and pledged.

Quite a large number of our people from this community attended the send-off of "Our Boys" Thursday evening, June 27th. When the troop train passed through Spring Mills there was an exceptionally large number of people at the train. It so happened that the train was held here half an hour.

A large number of people spent the Fourth of July at State College. Every one surely must have had an enjoyable time and profited from the high quality of entertainment throughout the entire day. Those who saw the photo-play, "Ambassador Gerard's My Four Years in Germany," will surely never regret it and every patriotic citizen should try to see this production.

The Essential Absent.

A young lady who lipped very badly was treated by a specialist and learned to say the sentence: "Sister Susie's Sewing Shirts for Soldiers."

She repeated it to her friends and was congratulated upon her masterly performance. "Yeth, but it thuth an etcheedingly difficult remark to work into a conversation—etphethially when you contidher that I have no thithir Thuthie."—New England Grocer.

First Aid Lessons FOR BOYS and GIRLS

By Ruth Plumly Thompson in Public Ledger.

Dear me! There are so many kinds of burns that I hardly know where to begin. Of course, you know that a little burn just makes the skin red. Run get the baking soda or starch or flour and make a thin paste. If you cannot find these, use vaseline, olive oil, castor oil, fresh lard, or cream. Smear one of these over the burn and also on a cloth to cover it. Even if a blister is formed this is the best way to treat it. But if the blister is large or the skin is broken or the flesh burned, after you have given "first-aid," send for a doctor.

NEVER pull the clothing off a burn. If it sticks, cut around it and then soak it off with oil. And NEVER use cotton on a burn, for it will stick just like the clothing did, and then you cannot get it off later.

And, my dears, remember your other "first-aid" lessons (and you know yourself how bad you feel when you are burned or hurt), and be very patient! And PLEASE be careful of your own precious skins!

The Real Practical Kind.

"There will be fewer divorcees," she said to a reporter, "when men treat women as their equals."

"Do you know the kind of wife my ideal is?" a married man once said to me.

"Of course I do," I said. "Your ideal wife is the kind that's tickled to death over a birthday present of a bag of flour."

According to reports over sixty automobilists were caught exceeding the speed limit between Bellefonte and State College on the Fourth by the state police, and all have been notified to settle.

Medical.

Renewed Testimony

No one in Bellefonte who suffers backache, headaches, or distressing urinary ills can afford to ignore this Bellefonte woman's twice-told story. It is confirmed testimony that no Bellefonte resident can doubt.

Mrs. J. C. Johnson, 365 E. Bishop St. "I was a great sufferer from backache and pains across my loins. Dizzy spells would come over me and I would nearly fall. I got Doan's Kidney Pills at Green's Pharmacy and two boxes did me more good than anything else I had previously tried. The backache and pains disappeared and my kidneys became normal. I now feel better in every way."

LASTING RESULTS.

Over six years later Mrs. Johnson said: "Time has proven that Doan's Kidney Pills are reliable. The cure they made for me has been permanent."
