PINE GROVE MENTION.

Allen Burwell is off duty, nursing a broken finger on his left hand. Ralph Reed, of Gallitzin, has been visiting his father, J. I. Reed, of east Main street. The receipts at the Corl & Walker cider press for one week's cider making were \$60.00. We are glad to note the improvement in S. A. Dunlap, who is able to be around again. Our mutual friend, W. E. Reed, is locomotin' on crutches on account of a badly sprained knee. Mr. and Mrs. Sinus Reish are open for congratulations over the arrival of a baby boy, No. 3. Mr. and Mrs. A. C. Kepler spent several days last week on a shopping trip to the Mountain city. Farmer and lumberman George Boal Thompson, of Alto, transacted business in town on Monday. Mr. and Mrs. E. H. Bierly were entertained at dinner on Sunday at the William Yocum home at Erbtown. Our public schools were closed last week on account of the Spanish influenza but were reopened on Monday. John McWilliams and family, of Johnstown, are visitors at the Grandpa McWilliams home at Rock Springs. Master Joseph Adair McCracken came in from Johnstown for a week's outing at the McCracken home in the Glades. Mrs. Ida Williams was called to Tyrone last week on account of the illness of Mrs. Fred Williams with influenza. Earl Smith came down from Altoona to spend the Sabbath with his father-in-law, W. D. Port, who is critically ill. Bart Ward and Frank Hunsinger are included in the bunch of carpenters erecting the soldiers' barracks at State College. William Grant Gardner has been appointed health officer of east Ferguson township, in place of W. D. Port resigned. Miss Mary Goss, one of Tyrone's corps of school teachers, is spending her thirty day's vacation among relatives in the valley. Miss Mary Kepler, who is holding down a job in the war risk insurance bureau at Washington, spent a ten day's furlough among her friends here. After spending a month with his mother and other relatives in this vicinity, Joseph A. Goss has returned to his clerical position with the Pittsburgh Steel company, very much improved in health. Mr. and Mrs. Henry Bloom, of Gatesburg, are receiving congratulations over the arrival of a sweet little baby girl, Frances Bates Bloom. This makes two boys and two girls in the Bloom family. Rev. James Wilson, a Y. M. C. A. worker in France, is back in the States on a furlough and spent a short time here recently. He is the picture of health and looks as if he enjoyed the work over there. Mr. and Mrs. Newton C. Neidigh and Mr. and Mrs. Ed. Tyson attended the reception given to the newly weds, Mr. and Mrs. J. C. Brey, of Greensburg, at the W. H. Kanarr home near Tyrone, last Friday. J. H. Everts and wife and Harry Collins, of Pittsburgh, and Prof. Paul Martz and wife, of Cleveland, Ohio, have been here visiting friends and gathering in a supply of chestnuts, which are quite plentiful hereabouts. Among the flu victims here are Mr. and Mrs. Ed. Martz. Mr. Martz is the very efficient mail carrier on the star route between State College and Pine Grove Mills and while he is ill Hon. J. W. Kepler is handling the mail. Every man who had a gun or could borrow one was out for squirrels on Monday morning but found them very scarce. At that Lester Hoy bagged 6, the limit, Sam Hess got 5, J. W. Kepler 4 and S. S. Krumbine one that was snow white (an albino). Comrade W. A. Roberts came up from Washington to attend the annual reunion of the 45th regiment, Penna. Vols., not knowing that the gathering had been postponed on account of the epidemic of Spanish influenza. But he took advantage of the trip to spend a day with the "Watchman" correspondent (W. H. Fry) and also visited the J. F. Kimport and Samuel Roberts homes at Boalsburg, as well as relatives at Milesburg. Comrade Roberts was se-

That Morning Lameness

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's the weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Bellefonte testimony. Mrs. J. T. Gordon, 130 E. Beaver St., Bellefonte, says: "I, and another of my family, found great benefit from Doan's Kidney Pills. We got them at Parrish's Drug Store. I was troubled with backache and a dull, constant ache through the loins. I was in misery at times and mornings was sore and lame. I dreaded to begin my housework. Doan's Kidney Pills made my kidneys normal and relieved the backache. I have had no return of the trouble and I consider Doan's a fine kidney remedy." 60c, at all dealers. verely wounded at the Battle of the Wilderness but recovered and now, notwithstanding his four-score years he is still young in spirit. Mr. Roberts is employed in the Treasury Department at Washington where he has been for twenty-seven years. He had three brothers in the war, one of whom was killed in an auto wreck at Cincinnati two years ago.

At a special meeting of the Pennsylvania Lodge, No. 276 I. O. O. F., on October 11th, the newly-elected officers for the ensuing year were installed by district deputy grand master E. S. Erb as follows: Noble Grand—A. L. Bowersox. Vice Grand—J. B. Walls. Rec. Sec'y—W. S. Illingsworth. Fin. Sec'y—D. S. Peterson. Warden—W. H. Fry. Conductor—J. H. Bailey. Chaplain—Dr. R. M. Krebs. R. The body of Esther, wife of James Jacobs, and her infant daughter, were brought from Wilmington, Del., on Monday for burial in the Brown plot, Mrs. Jacobs being a grand-daughter of Mrs. E. E. Brown, with whom she made her home until a few years ago.

Men Should Skip This.

A little girl wrote the following composition on men: "Men are what women marry. They drink and smoke and swear, but don't go to church. Perhaps if they wore bonnets they would. They are more logical than women, also more zoological. Both men and women sprang from monkeys, but the women sprang farther than the men." Ladies' Home Journal.

KEEP YOURSELF WELL.

If you are sick you should make it your business to get well, and to get well quickly, and good and well too. Neither this world nor the world to come has any use for sickly people.

Heaven never intended us to be sickly and we never would be were we to live right. Really we ought to be ashamed of ourselves for being sickly. It is as much a duty to keep ourselves in good physical condition as to maintain good morals.

A SOUND MIND IN A SOUND BODY.
These two were intended to be companions through life. At least this is the order of Nature, and if we are to depart from it we will have to bear the consequences, let them be what they may. If you are not well in body there may be a possibility of you, too, finding the necessary relief in one of the successfully used remedies of the day—"Goldine." Here is a preparation that goes right to the seat of trouble and helps to restore wasted tissues and build up the system as few remedies do. Made from roots, barks, berries and such simple herbs that were used long ago with success. In fact, a tonic and nerve that seldom fails in proving its worth.

You will always find it for sale at Green's Pharmacy, Bellefonte, Pa. 63-42
