News Notes from Chairman Walker's W. S. S. Bulletin.

In order to better prosecute the sale of war savings stamps the eastern district of Pennsylvania has been divided into four sub-districts, and W. Harrison Walker, of Bellefonte, has been appointed chairman of Group 3, composed of the counties of Clearfield, Elk, McKean, Potter, Cameron, Clinton, Lycoming, Tioga, Northumberland, Montour, Union and Centre. Mr. Walker, however, will retain the chairmanship of Centre county.

In order to get his work lined up in the district he has called a meeting of Group 3 to be held in the court house in Bellefonte today, at 10 o'clock a. m. Among those interested in the work of selling war savings stamps who will be present and address the meeting are Mr. J. Curtis Patterson, assistant director of the war savings organization of Philadelphia; George E. Lloyd, chairman of Group No. 4, of Carlisle, and John G. Redding, chairman of Lycoming county. All district chairmen, postmasters, school teachers and superintendents in the coun-

ty are urged to attend this meeting. Up to March first Centre county had a per capita of 89 cents and stands second in the list of counties in the State. Bellefonte so far leads all other districts in the county in the purchase of 1919 stamps having bought up to March 1st, 1706. Quite a number of postoffices in the county have not recorded a single sale. Up to date there are seven limit purchasers in the county. Chairman Walker will issue monthly bulletins telling of the progress of the sale of the stamps in Centre county and in Group No. 3.
