Bellefonte, Pa., May 9, 1919.

NEWS ABOUT TOWN AND COUNTY.

A dance will be given in Bush Arcade hall this evening after the Thespian show.

This is the night for the big entertainment of The Thespian, of State College, at Garman's opera house. If you have not yet secured your tickets get them at once in order to be sure of a good seat from which to see this remarkably good show.

The Bellefonte Academy baseball team has started the season in a most promising manner. On April 26th they played Dickinson Seminary at Williamsport and won by the score of 4 to 1. Last Saturday they played the Indiana Normal team a ten inning game and won out by the close score of 6 to 5.

The girls of the Patriotic League will give a musical comedy in the high school building on Thursday evening, May 29th. Admission, 35 cents. The play will start promptly at 8:15 o'clock, as a dance in the hall of the public building on Howard street will follow the play. Fuller particulars will be given next week.

A rummage sale for the benefit of the local hospital will be held in the room of the Centre county bank building, formerly occupied by C. D. Casbeer, Saturday, May 17th, sale to open at 2 p. m. Clothing, furniture or anything salable will be accepted. Room will be open Thursday and Friday, May 15th and 16th, for contributions.

In last week's list of the Finance committee appointed by chairman J. Will Conley, for Bellefonte's welcome home week Snow Shoe was inadvertently omitted by the stenographer who transcribed the copy, and none other than David Chambers has been appointed chairman for that locality, with power to select his own assistants.

Chautauqua will come to Bellefonte this summer on July 24-30, and plans are already under way to make it the most successful season that Centre county has ever enjoyed. A preliminary meeting of the Chautauquet guarantors and all others interested will be held in John Blanchard's office next Friday evening, May 16th, at 8 o'clock.

Mary Pickford and other equally high-class motion picture stars are featured in the pictures shown at the Lyric theatre. Lyric programs also include scenic and educational pictures of a high order, which must be seen to be appreciated. If you are not now a regular at the Lyric get in line and see the many good things shown there.

Mrs. Roland L. Curtin, of Annapolis, Md., has announced the engagement of her daughter, May Hamersly, to Peyton S. Cochran, U. S. N., a son of the late Mr. and Mrs. William G. Cochran, of Philadelphia, the wedding to take place at Annapolis on June 7th. Mrs. Curtin is the widow of the late Lieut. Com. Roland L. Curtin, of Bellefonte.

Bellefonte is to have a new fruit store. The Corica Bros., of Renovo, have rented the room in the Bush Arcade next door to Twintires, and are having it put in shape for immediate occupancy. With a new bakery in the same block and a new store at which to buy fruit residents in this end of town will not have so far to walk to get their supplies.

Manager T. Clayton Brown extends a general invitation to the people of Bellefonte and surrounding community to attend the Scenic regularly. He assures them that every picture shown is the best and most up-to-date that can be secured. Nothing is turned down that will please and entertain the patrons of this high-class motion picture show. The Scenic has for years been the leader in central Pennsylvania and will always continue to be.

The summer schedule will be put into effect on the Pennsylvania railroad on May 25th, and as much as ten minutes change will be made in the arrival and departure of one or more trains in Bellefonte. But the most important change here will be the annulment of the evening run of the Lewisburg train from Bellefonte to Milesburg to connect with the train west on the Bald Eagle Valley. Thereafter the Bald Eagle train will be run into the Bellefonte station as of old.

The new Kelley bakery in the Bush Arcade opened yesterday and have put on the market as their brand "Oh, Boy," home-made bread like mother used to make. Assuming that the bread is as good as the name there should be no trouble in finding ready sale for all they can bake. They will also make a specialty of fine cakes, ice cream and sundaes. Their room has been fitted up very tastefully and attractively and there is every reason to predict success for the enterprise right from the start.

At a meeting of the alumni association of the Bellefonte High school held last Thursday evening it was decided to hold the reception and dance for this year's graduating class on Friday evening, May 30th, in Bush Arcade hall. Misses Mildred Berrick and Ruth Badger were appointed a committee to visit the alumni of the High school in an endeavor to create a greater interest in the association. Another meeting of the association will be held next Wednesday evening, May 14th, and it is earnestly hoped the attendance will be larger than at the last meeting. The price of tickets this year will be as usual.

THURSDAY AND FRIDAY, JUNE 26th AND 27th.

Dates Named for Centre County's Big Reception to Its Returned Soldiers, to be Held in Bellefonte.

At a meeting of the executive committee on Tuesday evening Thursday and Friday, June 26th and 27th, were definitely settled upon as the dates for the big welcome home to be given in Bellefonte in honor of Centre county's returned soldiers, and now that the dates have been permanently fixed it is up to every individual in the county to so plan his or her affairs that they can be present and participate in the event. It is the desire of the committee to at that time demonstrate to the soldiers how much the people at home appreciated their services and in no way can this be done more successfully than in a general outpouring of the people of the county to welcome them back individually and collectively.

One of the principal matters considered at the Tuesday evening's meeting was the financial question. The chairman of each committee submitted an estimate of the probable amount of money required in his line of work and the total figures were between \$4,500 and \$5,000. The principal items of expense will be for the entertainment of the soldiers while in Bellefonte and the street decorations. It is figured that arrangements will have to be made for the entertainment of at least one thousand soldiers, which will include meals and lodging. Of course the matter could be simplified to some extent if the people of Bellefonte will volunteer to take some of the soldiers as their guests during their stay in Bellefonte, but in any event ample accommodations will be provided to take care of them.

As to the matter of street decorations J. M. Nichols, of Syracuse, N. Y., the man who furnished the decorations for Bellefonte at the time of the big Odd Fellows reunion several years ago, will be the latter part of this week and submit plans and estimates. In this connection it might be stated that the only decorations the committee will have charge of will be the streets; business places and private individuals will have to arrange for their own decorations.

The parade will be the big feature of the first day and the chairman of that committee is planning for a monster affair. Arrangements are under way to secure the Nypen band, of Lock Haven, as one of the musical organizations, and of course Wetzler's Girls band of Milesburg will be in line. Every band in Centre county will be invited and as a matter of patriotism it is believed that most of them will be only too willing to respond. While the military and Red Cross will be the big feature of the parade civic and fraternal organizations will be invited to join, especially those from the various towns in Centre county.

The amusement committee has not yet gone far enough to submit any definite report as to what will be offered in this line, but chairman Blanchard is hard at work and from the energy he has shown in this line on former occasions there is every reason to believe that when the time comes he will have enough done to keep the crowd occupied all the time. Sheriff Yarnell, who has in charge the work of the invitation and registration committee, submitted a form of invitation he proposes sending out, which will contain an attached slip for the registration of soldiers, and it is believed this will greatly facilitate the work of registration.

All in all the plans are being perfected rapidly for the big time, but as it will require a lot of hard work to get everything in shape so there will be no hitch anywhere it behooves everybody to do their part; and the one thing most essential at this time is the finances to back up the plans of the committee. Therefore, when a member of the finance committee asks you for a contribution, whether you be a resident of Bellefonte or any other part of the county, don't turn him down with the thought of letting others pay for it. The boys didn't do that in France. They fought and suffered privation for every man and woman in Centre county alike and all should be equally willing to join in the opportunity to welcome them home. If every man contributes a little the amount of money necessary can easily be raised without being felt by any one individual.

The next meeting of the committee will be held next Monday evening.

Big Victory Loan Parade at State College This Evening.

A big military parade will be the feature of a Victory loan meeting to be held at State College this (Friday) evening and the public generally is invited to attend. The parade will include the famous State College band, the entire regiment of cadets, Red Cross and other organizations. It will move promptly at seven o'clock and at the conclusion of the parade an open air meeting will be held in the square at the Nittany Inn.

All overseas men who have returned home are requested to report at the college armory at 6:40 o'clock this evening without fail.

Important Meeting.

There will be a meeting of the building committee and board of directors of the Y. M. C. A. at the association rooms on Friday evening, May 16th, at 8 o'clock. It is important that all members be present as there is business of importance to transact.

A splendid line of potted plants will be received at Sourbeck's this evening.

Looking fit enough to lick the whole German army single handed Joseph Bezer arrived home on Tuesday. He is the son of Mr. and Mrs. Frank Bezer and saw overseas service.

Up to the present time not a circus is booked for Bellefonte this season and as it looks now we will have to furnish our own diversion this summer and that is one reason why the welcome home for the soldier boys should be made a gala time.

There is a rumor on the street that the aero mail service will be inaugurated without fail sometime this month, probably within two weeks. And the Bellefonte station will remain on the list, notwithstanding the efforts that have been put forth by surrounding towns to capture the landing place.

Mary Pickford—in her latest screen success, "Capt. Kidd Jr.," at the Lyric Wednesday, May 14. 19-1t

The women's committee of the Philadelphia welcome home committee offers to furnish accommodations—board and lodging—for members of returning soldiers families who desire to see the parade in Philadelphia on May 15th, and who cannot afford to pay both railroad and hotel expenses. Application should be made to the Philadelphia Red Cross headquarters any time during May 14th-16th.

Dr. C. A. VanValin was painfully injured shortly after leaving the train at Unionville to go to his home last Wednesday evening. His daughter was walking a little in advance of him and in going over the railroad crossing she stepped on one end of a plank which tilted up and tripped her father, causing him to fall very heavily on his right side, breaking his arm and fracturing three ribs. While his injuries will not keep him confined to his home yet they are of such a nature that he will be unable to do any practicing at his profession for six weeks at least.

When he still had trouble in seeing he consulted CASEBEER (registered optometrist), had his eyes examined and found the trouble. If you have any eye trouble consult him at once. VICTORY LIBERTY LOAN LAGS.

With Only Two Days to Go Centre County Way Short of Quota.

If the people of Centre county are to come through with an unbroken record of patriotism for supporting the government in its every call for money in the successful prosecution of the war and in bringing the soldier boys home they will have to buy Victory bonds today and tomorrow with far more vim and liberality than they have exhibited at any stage of the loan campaign. While it is impossible to give any figures this week on how much of Centre county's quota has been taken, it is definitely known that the showing to date is not very good. For this reason we publish the following appeal issued by W. Harrison Walker, chairman of the publicity committee:

On Saturday of this week, May 10th, the Victory loan will close. During these two remaining days it is imperative that every person in this district do all in his or her power to put Centre county "over the top;" it can be done; it must be done. We have in every previous campaign gone the limit for Uncle Sam. We must see to it that this perfect chain of patriotism of our good people is not broken in this last opportunity.

Impress upon every person in your home district the importance of this last loan; the rate of interest, maturity, etc. It is an investment of our government, which has never before been equaled. It is our last opportunity to invest in bonds of our government.

This Centre county district has one-half of its allotment yet to raise. Less than six hundred and fifty people in the county have subscribed to this last loan. This means that we must start something right now and keep up the good work until Centre county goes "over the top" on or before Saturday of this week.

Will the people of Centre county stand in the front line or duck to cover when the returning boys in khaki march along our streets in the "homecoming" celebration. Let no man with eyes to see and a fine strong body to fight less cruel battles, whimper in his final reckoning with the Victory Liberty loan, while it is not giving, but lending. Buy bonds, as they have, to the full limit of your cash and resources. Don't break the chain. It is up to every one of us to do our very best in the closing days of this drive. Let us "finish the job." Let us put the cap-stone of victory on our previous Liberty loans.

German Helmets for Victory Bond Purchasers.

Victory loan headquarters are in receipt of fourteen captured German helmets, which will be chanced off to Victory loan subscribers of the Centre county district. The helmets will be divided among the different districts of the county, arounding of course will take in the surrounding districts of the county. Every person who subscribes for a bond, no matter what the amount of the bond may be, will be entitled to a chance on the helmet or helmets in the bank district, through which the subscription was given.

Immediately after the loan closes on May 10th, every bank in Centre county will submit to Mr. Charles McCurdy, chairman of the district, a complete list of the names of every person who subscribed for one or more bonds through that particular bank, and the helmets to which said district is entitled, will be sent to the said bank and chanced off under the direction of the chairman of the Victory loan committee.

W. HARRISON WALKER, Chairman Publicity.

HELMETS FOR WOMEN WORKERS.

The Women's committee has been allotted fourteen helmets. These will be given to the fourteen chairmen whose committee raised the largest percentage of their district's quota. Medals struck from German cannons, captured at Chateau Thierry, will be given to all workers.

ELIZABETH MILLS BEACH, Chairman Centre Co.

Wait for the Academy Minstrels.

By the heading over this article we do not mean to cut out all other shows and entertainments just to wait for the minstrels, but rather that when the minstrels give their entertainment it will be something worth waiting for. The students taking the leading parts are practicing every evening and while we cannot give any of their stunts away we can assure the people of Bellefonte that there will be nothing stale about the program. New songs, new jokes and quips, new and startling dancing, new acrobats—in fact, everything new including the costumes. Plans for the scenic effects have already been made and these include some wonderful innovations in stage lighting. Of course everybody in Bellefonte will want to see these minstrels, and people from the country should motor in for one of the performances which will be given Thursday and Friday evenings, May 22nd and 23rd. Remember the minstrels are for the benefit of the Bellefonte hospital and that institution needs the money.

—Watch the Lyric theatre Co. program for next week. 19-1t

—All families of returning soldiers who are planning to go to Philadelphia for the big parade of the 28th division on or about the 15th of May should arrange for their lodging, etc., beforehand by addressing the "War Camp Community Service Aid, Information Bureau, 1428 Walnut St., Philadelphia."
