SALVATION ARMY CAMPAIGN.

Centre County Asked to Give \$7,000 to This Noble Organization.

The Victory loan has been over-subscribed as predicted, and as usual, Centre county has gone "over the top" with flying colors.

The big "V" posters are coming down and in their place are being posted those calling attention to the nation-wide Home Service Fund campaign which will be conducted for the Salvation Army during the week of May 19th to 26th.

This worthy organization has selected this opportune time to appeal to the people of the United States for a fund of \$13,000,000 to rehabilitate their depleted forces and finances after the splendid service rendered on the battlefields of Europe and in the camps at home during the period of the war, service which has been accorded unanimous praise by our boys as well as prominent government officials and public men throughout the country.

While this work is but a repetition of the good service which the Salvation Army has been performing among the poor and down-and-outers for the past thirty years, new responsibilities must now be assumed by them, in view of the favorable notoriety and comment which has been created, and they must necessarily, therefore, make provision to retrieve their finances and to expand their activities in proportion with these responsibilities.

Their first concern must, therefore, be to liquidate their national indebtedness, a great part of which was contracted to secure funds to pursue war work; to free from encumbrance their property holdings, the interest on which has been a tremendous drain on their resources, and to establish extension of their training schools so that the same standard of capable officers may be universally maintained in promoting satisfactory endeavor in new as well as old fields.

A careful and expert audit of their present financial status and the estimated calculation for their activities for the ensuing year has been made from which the total figure of \$13,000,000 has been determined, consideration being given and allotments made to cover the needs of every institution and branch of service maintained by the organization.

Centre county is asked to contribute \$7,000, of which the Philipsburg district has assumed \$3,000, and the organization is now being perfected so that every township in the county will have an opportunity to assist in putting over our mark. Every dollar will be utilized for Salvation Army work in Centre county and any over-subscription will be set aside as a nucleus for a building fund when the corps is re-established in Bellefonte, as is planned by the provincial headquarters.

Mr. C. C. Shuey is chairman and Mr. Nevin E. Cole treasurer of the county campaign committee, with Mrs. Robert Mills Beach as vice chairman of the woman's committee, and they request the co-operation of the soldier boys and business men, and a hearty and generous response from all the good people of Centre county for this worthy cause.

Let us all do our bit to express our appreciation for the many good services which the Salvation Army rendered our victorious boys by cheerfully giving them the finances required to carry on at home, and eliminate the inadequate and burdensome task of collecting funds for subsistence by the tambourine and subscription lists.

The campaign motto is "A man may be down but he's never out," and you are assured that every dollar you contribute will be expended for the uplift of the erring and the alleviation of the suffering of the needy peoples in your own community, as the Salvation Army's stewardship has been tried and not found wanting in any emergency and they will be enabled to exert newer and greater effort by reason of your generosity.

Be ready to give generously and heartily when the solicitors call for the contribution next week.

All Shipping Embargoes off.

All embargoes, restrictions or stipulations on the shipping of freight from the Pennsylvania railroad station in Bellefonte have been removed, and hereafter the railroad company will accept freight at any time and for any destination. The new order became effective yesterday, May 15th.

VICTORY LOAN OVER THE TOP.

Centre County Exceeded Its Quota by Thirty Thousand Dollars.

Notwithstanding the fact that the situation looked a little dubious when the "Watchman" went to press last week the people of Centre county responded nobly to the last call and eleventh hour buyers sent the Victory loan over the top and some to spare. Centre county's quota was \$220,700 and the Victory Loan committee received reports of subscriptions totaling \$250,700. The reports from the several banks in the district as made to chairman Charles M. McCurdy are as follows:

Table listing bank contributions: First National Bank, Bellefonte... \$250,700; Bellefonte Trust Co., Bellefonte... \$1,150; Centre County Banking Company, Bellefonte... \$5,150; etc.

WHAT CENTRE COUNTY HAS DONE.

Table listing various loan contributions: First Liberty Loan... \$42,150.00; Second Liberty Loan... \$10,000.00; Third Liberty Loan... \$1,524,028.04; etc.

Grand Total... \$7,914,388.77

The above shows the actual amount of money that Centre county people have contributed in less than two years toward the winning of the war and bringing the boys back home. Figuring on a basis of population of 43,810, on which all calculations for Centre county were based, it means a per capita of \$182.50 for every man, woman and child in the county.

More Centre County Boys Arrive in This Country.

The 107th machine gun battalion landed in New York on Wednesday evening and with it was the final contingent of Centre county boys who served with the Twenty-eighth division in France in the persons of those boys who went out as the old Boal machine gun troop and some of the members of old Troop L who were transferred to the machine gun battalion at Camp Hancock. The ship bringing the soldier boys was over a day late and the first word of their coming was received at State College on Wednesday morning in a wireless from Major Wilbur F. Leitzell. State College people at once transmitted the news throughout the county to the delight of the families who have boys among the machine gunners. But this one detachment arrived too late to take part in the big parade in Philadelphia yesterday. And now that Philadelphia's official welcome to the Pennsylvania soldiers is over and done with it will likely be but a few days until they are discharged and next week the most if not all of them may be expected home.

Corp. Harry E. Sager arrived at Camp Dix last Saturday, after spending a year in France. He participated in all four battles that his regiment, the 109th field artillery, was engaged in, and came through all without a scratch, but was slightly gassed on several occasions. He will probably arrive home within a few days.

W. Homer Crissman yesterday received a telegram from the Salvation Army workers notifying him that his son Luther had arrived at Camp Dix and was well and in good spirits. The Dunlap family also received a telegram from the same source that Harry Dunlap had arrived at Camp Dix. This is an instance of the thoughtfulness of the Salvation Army. Their workers work without ostentation but they do the things that satisfy. Bear this in mind when the solicitors come to you next week for a contribution toward the fund the organization stands so much in need of.

Burgess Walker Appointed a Tree Commission.

Taking advantage of the act of 1907 Burgess W. Harrison Walker on Tuesday appointed a tree commission for the borough of Bellefonte composed of Mrs. R. S. Brouse, Miss Mary Gray Meek and James C. Furt. The commission is empowered with a general supervision of all shade trees on the streets of Bellefonte. The purpose of the act of the Legislature providing for the appointment of tree commissions was to obtain uniformity, in so far as it is possible, in the planting of shade trees, but the commission is vested with even greater powers. They have the right to condemn and order the removal of any trees that are a menace to life or property, and can dictate just how shade trees shall be trimmed as well as enforce the trimming of trees where the same is deemed a public necessity. It shall be the duty of the committee to direct the planting of all new trees on the streets, so that a uniformity in alignment as well as trees will result. Inasmuch as the burgess has the full power of appointment under the act Mr. Walker's appointment will likely be approved by council at its next meeting.

The Thespians drew a very fair audience to Garman's opera house last Friday night, considering the kind of weather prevailing, and gave general satisfaction, though it must be confessed that many of those present missed the tuneful melodies and artistic dancing that has most always been one of the features of The Thespian entertainment. But every part in "The Magistrate" was well put on and well played while the accompanying music of the Thespian's orchestra was enjoyed by all present.

Two Supreme Court Decisions.

The Supreme court on Monday handed down two decisions in Centre county cases. One was that in the case of Sparr et al. vs. Kidder.

Some time ago Dr. L. E. Kidder, of Boalsburg, purchased from the Sparr heirs the old farm homestead in Harris township. He had made a small payment when he discovered a discrepancy in the title. An amicable action was brought in the Centre county court to clear the title and the judgment of the lower court was affirmed by the Supreme court.

The other case was that of Mrs. R. E. Beck, who some time ago brought action to have vacated her election to abide by the stipulations of the will of her late husband, and that she be given outright her widow's rights in the property. When Mr. Beck died he made a will appointing the Bellefonte Trust company executors of the will and trustees of his estate, which amounted to about \$30,000. In his will he stipulated that his wife should be paid \$50 a month for the support of herself and children, providing that she did not remarry. Under the law, however, Mrs. Beck had the privilege of electing to abide by the will or insist on her widow's portion, which is one-third of the personal property and one-third of the income from the real estate, the income from the remainder of the estate to go to the support of her children.

At the time Mrs. Beck signed a paper electing to accept the stipulations of the will, but while the paper was filed in the register's office it was recorded as required by law. As time wore on Mrs. Beck found the sum of \$50 a month inadequate for the support of herself and children and on two occasions went before the court and was granted an increase of \$10 a month each time. Finally, upon the advice of her attorney, she went before the court with a petition to vacate her election to stand by the will and demanded her rights to the widow's portion of the estate. Testimony was taken in the case and the same argued before Judge Quigley who in a brief opinion refused to vacate the election. The Supreme court reversed the decree of the lower court, granted the prayer of the petitioner and ruled that the costs are to be paid out of the estate.

Notice of High School Entrance Examinations.

All pupils expecting to enter the Bellefonte High school in September, 1919, whether they are from Bellefonte borough or from other school districts, will be expected to appear for examination at the Bellefonte High school auditorium on Saturday morning, May 31st, 1919, at 9 o'clock, or for those coming from a distance as soon thereafter as train service will permit.

By this plan, proposed by the County Superintendent and approved by the Bellefonte schools, all pupils will enter High school on the same terms, and certificates of entrance will be issued to all who do creditable work in the examinations.

A statement from the teacher of the last school attended, showing that the work of the first eight grades has been completed, should be presented at the time of the examination.

ARTHUR H. SLOOP, Supervising Principal.

Outlook Promising.

The centenary movement of the Methodist church reaches its culmination on May 25th. The intensive financial campaign will be carried on during the week of May 18-25. The members of the Bellefonte Methodist church are highly encouraged over the present prospects. Many tithers are being enrolled and the church life quickened. The unit leaders will meet in the church this (Friday) evening and complete the plans for the campaign. Light refreshments will be served.

County Sabbath School Convention to be Held in Bellefonte.

The fiftieth annual convention of the Centre county Sabbath school association will be held in Bellefonte on Tuesday and Wednesday, June 3rd and 4th. An exceptionally good program is being prepared which will include several very excellent workers in the cause, including W. G. Landes, secretary of the State Sabbath school association; Miss L. Grace Kane, secretary of the children's division of the State association, and Hon. Charles G. Jordan, of Lawrence county. It is hoped that the Sunday school workers of Centre county will interest themselves in this approaching meeting and see to it that there is a large attendance at the convention.

Senator Penrose Commencement Speaker at State.

Senator Boies Penrose has been secured as the commencement speaker for the graduation exercises of the class of 1919 at The Pennsylvania State College, which will be held on Wednesday, June 11th.

The following members of the Senior class have been elected honor men: Valdeirian, C. W. Voris, Milton; spoon man, C. M. Skooglund, Kane; barrel man, M. B. Clark, Washington; cane man, W. G. Soley, Wilkes-Barre; class donor, F. B. Unger, Oil City; pipe orator, G. A. Kummer, State College, and humor man, D. T. Horvitz, Pittsburgh.

A HORRIBLE TRAGEDY OVER AT LEWISTOWN.

Seven Prominent Business Men Drowned in Juniata River Last Saturday.

Falling off a raft on which they were being towed across the Juniata river at Hawtson, near Lewistown, last Saturday afternoon, seven men were drowned in the raging waters of the swollen stream and only five persons of all those on the raft escaped. The drowned are as follows: William G. Fisher, 31, Claysburg, secretary of the Standard Refractories company.

Chester R. Moore, 29, Claysburg, construction foreman of the Standard Refractories company.

John I. Wolfe, 26, Claysburg, storehouse superintendent of the Claysburg Refractories company.

U. S. Borman, of the Federal Refractories company, Alexandria.

Cloyd John Corbin, of the Federal Refractories company, Alexandria.

Clair Miller, superintendent of the Silica Brick company, Port Matilda. Mr. Miller came from Mt. Union to Port Matilda after the death of superintendent J. Herman Landis on March 12th. He was 34 years old and leaves a wife and two small children.

Christopher Giant, boatman, Hawtson.

Those saved were: Miss Elizabeth Toney, Johnstown, stenographer of the Hawtson company.

Charles H. Fox, Claysburg, setting foreman of the Standard Refractories company.

E. Coeerts, Mount Union Refractories company, Mount Union.

Mr. Kels, of the McFely Brick company, Latrobe.

Thomas Miller, boatman, Hawtson. The occasion for the gathering of the above people was the regular monthly meeting of the Silica Operatives' association. The trains which conveyed the representatives to Lewistown were late and immediately upon their arrival a luncheon was served at the Coleman house. Immediately after the luncheon, or about four o'clock all the visiting representatives were taken by auto to the ferry at the Juniata river to be ferried across to the plant of the Hawtson Refractories company where the business meeting was to have been held. The ferry consisted of a steel cable across the river with a smaller cable used to tow the ferry boats as they are termed, but which in reality are little more than rafts.

The river was swollen with an eight foot flood as the result of Friday's and Saturday's torrential rains. One boatload of thirteen people, among whom was Ambrose Sloteman, of Lock Haven, but formerly of Bellefonte, crossed in safety, and no one apprehended any danger in making the trip. The second boatload of twelve people started on the trip but had gotten only about fifty feet from shore when the rear end of the flat boat began to go under and before any one had time to shift his position the entire boatload of people was dumped into the water. Every person in the party was bundled in heavy coats and all those who perished were never seen from the time they sank out of sight, having evidently been caught in the strong undertow beneath the floodtide and swept to their death down stream. All the men saved were good swimmers but they were completely exhausted by the time they reached land. Miss Toney, the only woman in the party, managed to turn on her back and float until she grabbed a piece of driftwood and she clung to that until rescued almost a mile down stream by Mr. Fox, one of those who escaped, and who only recently returned from France.

As soon as word of the accident reached the office of the Superior Silica Brick company in this place, the president, Hon. Ives L. Harvey, and general manager J. E. LaBarre went to Lewistown and assisted in a search for the drowned men. The Hawtson Refractories company also offered a reward of \$200 each for the finding of the bodies of the men, but up to the time this article was written (Tuesday afternoon) no trace of any of the bodies has been found and it is more than probable that they have been washed miles down stream.

Bellefonte Academy Baseball Games.

The Bellefonte Academy baseball team which has been playing such good ball on its trips away from home this year, will open the season at home with a game on Hughes field at three o'clock this (Friday) afternoon when the strong Mansfield Normal nine will be their opponents.

Tomorrow afternoon at three o'clock the Academy team will play the Dickinson Seminary nine of Williamsport. This should also be a fast game as the Williamsport boys will try very hard to even up with the Academy team for defeating them on their home grounds. The admission at each game will be 25 cents and good crowds should throng the field for both games.

Interscholastic Meet at State College.

The tenth annual interscholastic track and field meet will be held at State College tomorrow afternoon and from the number of entries received the various contests promise to be very interesting. There will be two classes in the contests, one for preparatory schools and one for high schools and many of both the prep and high schools in the State will be represented. Gold, silver and bronze medals and silver cups will be awarded the winners.

The rain last week and cold weather put the farmers back with their corn planting at least a week or ten days, and very little of it has so far been put into the ground.

North Ward Won First Game in Red Cross Series.

The hard rain last Friday naturally prevented the big official opening of the Red Cross base ball league, with Our Girls band of Milesburg leading the carefully planned parade, but the first game of the series was played on Tuesday evening between the North and West ward teams, and the former drew first blood by defeating the latter 7 to 0. Notwithstanding the one-sided score the game was interesting throughout and a good sized crowd of rooters of both teams was present to cheer the work of their favorites.

This (Friday) evening the South ward will play the West ward team and every lover of baseball should go out and see the game. The Red Cross series promise some fine sport for the people of Bellefonte and vicinity during the summer months and the only way to thoroughly enjoy the same is to see every game played. Therefore be on hand early this evening and watch the contest from start to finish. The complete schedule for the season is as follows:

Table listing game schedule: May 16—South ward vs. West ward; May 20—North ward vs. Milesburg; May 23—West ward vs. Milesburg; May 27—North ward vs. South ward; May 30—South ward vs. Milesburg; June 3—North ward vs. West ward; June 6—South ward vs. West ward; June 10—South ward vs. West ward; June 13—West ward vs. Milesburg; June 17—North ward vs. South ward; June 20—South ward vs. Milesburg; June 24—North ward vs. West ward; June 27—South ward vs. West ward; July 1—North ward vs. Milesburg; July 5—West ward vs. Milesburg; July 8—North ward vs. South ward; July 11—South ward vs. Milesburg; July 15—North ward vs. West ward; July 18—South ward vs. West ward; July 21—North ward vs. Milesburg; July 25—West ward vs. Milesburg; July 29—North ward vs. South ward; Aug. 1—South ward vs. Milesburg; Aug. 5—North ward vs. West ward; Aug. 8—South ward vs. West ward; Aug. 12—North ward vs. Milesburg; Aug. 15—West ward vs. Milesburg; Aug. 19—North ward vs. South ward; Aug. 22—Open for postponed games; Aug. 25—Open for postponed games; Sept. 1—Open for postponed games.

Table titled 'STANDING OF CLUBS' showing Won, Lost, P. C. for North ward (0-0-0) and West ward (0-1-0).

WEBER—Mrs. Sarah Ellen Weber, the beloved wife of Samuel E. Weber, of Boalsburg, passed away at her home in that place at 5:40 o'clock on Wednesday evening. She had been a sufferer for some years with an incurable affliction but was able to be around and look after her household duties until about two weeks ago when she sustained a bad fall which caused a concussion of the brain and this hastened her death.

Mrs. Weber was a daughter of Mr. and Mrs. John Kuhn and was born in Harris township on March 28th, 1862, hence was 57 years, 1 month and 16 days old. She was united in marriage to Mr. Weber, in 1881 and all her married life had been spent in Harris township. She was a lifelong member of the Reformed church and when her health permitted unusually active in all kinds of church and Sunday school work. She was a great lover of birds and flowers as well as all of nature's wonders and spent many happy hours in studying plant life and the habits of the various birds. She was an exceptionally kind and loving wife and mother and the stranger always found a genial welcome at her fireside.

Surviving her are her husband and two children, John W. Weber, of Williamsport, and Mrs. Charles M. Ross, of Pine Grove Mills. She also leaves six grand-children and one brother, Charles Kuhn, of Boalsburg. Her pastor, Rev. S. C. Stover, will have charge of the funeral which will be held at ten o'clock tomorrow (Saturday) morning, burial to be made in the Boalsburg cemetery.

HILLER.—W. F. Hiller, one of the leading citizens of Tyrone, died quite suddenly on Sunday afternoon of heart failure, while sitting in his office reading a newspaper. He had not been feeling good for several weeks but attended to his business as usual. After he ate his dinner on Sunday he went to his office and sat down to read the Sunday papers when he was stricken and died at 1:40 o'clock. He was almost sixty-three years old and was a native of Tyrone. For a number of years past he had been engaged in the real estate and insurance business and was allied with various other interests. He was a member and treasurer of the Neptune fire company, a member of the Knights of Pythias, Junior Order United American Mechanics, Knights of the Golden Eagle and the New Century club. He is survived by his wife and eight children, also three sisters. Burial was made in the Grandview cemetery, Tyrone, on Wednesday afternoon.

The judge's chambers in the court house have had a thorough renovation during the past week. Not only were they scoured and scrubbed but repainted throughout. The latter work was done by John T. Noll, of Pleasant Gap. And now that the work has been started in the judge's chambers it is highly probable it will be extended throughout the entire building. The court house was remodeled in 1910 and in the nine years that have intervened the plastering has cracked a little in some of the offices and the paint is pretty badly blackened, owing in part to the indirect heating system, so that it badly needs a coat of fresh paint.

Francis Thal has joined the motor enthusiasts, having placed his order for an Excelsior motorcycle, which he expects to be delivered by the first of June.

A little daughter, who is the first grandchild in the Cooney family, was born to Mr. and Mrs. Ray Stauffer, of Pottsville, Friday, May 2nd.

With the Churches of the County.

CHRISTIAN SCIENCE SOCIETY. Christian Science society, Furst building, High street. Sunday service 11 a. m. Sunday school 9:45. Wednesday evening meeting at 8 o'clock. To these meetings all are welcome. A free reading-room is open to the public every Thursday afternoon from 2 to 4. Here the Bible and Christian Science literature may be read, borrowed or purchased. Subject, May 18th, "Mortals and Immortals."

PRESBYTERIAN CHURCH. Sabbath services as follows: Morning worship at 10:45. Evening worship at 7:30. Sabbath school at 9:45 a. m. Prayer service every Wednesday evening at 7:45 p. m. A cordial welcome to all.

Rev. W. K. McKinney, Ph. D., Minister. UNITED BRETHREN IN CHRIST. Corner of High and Thomas Sts. Bible school at 9:30 a. m. Holy Communion and Divine worship at 10:30 a. m. and 7:30 p. m. Christian Endeavor at 6:30, with pastor as leader. Subject: "Life as a School." Everybody is cordially invited to attend all these services.

Geo. E. Smith, Pastor. MILESBURG BAPTIST CHURCH. There will be preaching in the Milesburg Baptist church on Sunday morning, May 18th, at 11 o'clock, by the Rev. E. M. Stevenson.

METHODIST EPISCOPAL CHURCH. May 18-25 marks the closing week of the Centenary campaign. At 10:45 the pastor will speak on "The Beginning of the End." At 7:30 p. m., "The Church and the New Day." The Unit leaders will report results of canvass at this service. Bible school, 9:30 a. m. Senior League, 6:30 p. m. Alexander Scott, Pastor.

ST. JOHN'S CHURCH (EPISCOPAL). Services beginning May 18: Fourth Sunday after Easter, 8 a. m., Holy Eucharist, first Holy Communion for those confirmed last Sunday. 10 a. m., church school. 11 a. m., Matins and sermon, "The Government of the American Church." 7:30 p. m., evensong and sermon, "From Perils of the Night." Friday, 7:30 p. m., evensong and instruction. Visitors always welcome.

Rev. M. DeP. Maynard, Rector. ST. JOHN'S LUTHERAN CHURCH. Fourth Sunday after Easter. 9:30 a. m., Sunday school. 10:45 a. m., morning worship with sermon. 7:30 p. m., evening service with sermon. Visitors always welcome.

Wilson P. Ard, Pastor.

Killed in Clay Mines.

George Croll, a former railroad telegraph operator but for the past two years employed in the clay mines of the Centre Brick and Clay company, at Orviston, was instantly killed on Tuesday afternoon by a fall of clay in the mines. The recent heavy rains loosened the clay and many tons of it caved in as the workmen were busy in the mines. Croll was the only man caught and he was buried beneath the avalanche of clay and killed instantly.

Croll was forty-two years old and came from the vicinity of Hazleton. He worked as an operator up to two years ago when he was attracted by the high wages being paid at Orviston and located there, working in the mines and also conducting a boarding house. He was married to Miss Rhoda Isabel Shope, of Axe Mann, who survives with nine children, as follows: Mrs. Lola Estright, of Lock Haven; Mrs. Marie Bowes, of Orviston; Grace, Elmer, Etta, Gladys, Leonie, Mildred and Beatrice at home. The remains will be brought to Milesburg today and burial made in the Treziulny cemetery.

The attention of the people of Bellefonte and community is for the last time called to the rummage sale for the benefit of the Bellefonte hospital, which will be held tomorrow (Saturday) in the room in the Centre county bank building formerly occupied by C. D. Casebeer. Large quantities of various articles have been contributed for this sale and the best bargains will always go to the early buyers. Sale will begin promptly at 2 o'clock p. m.

George A. Beezer on Wednesday delivered a new six cylinder seven passenger Studebaker car to Paul H. McGarvey.

STORMSTOWN.

Miss Sara Waite is visiting friends in Bellefonte and attending the W. C. T. U. institute.

Rev. Babcock preached a most excellent Mother's day sermon to a large audience, Sunday evening.

Joseph Matern, of Altoona, was a week-end visitor at the home of his grandmother, Mrs. Margaret Way.

Mrs. Robert Gray is spending the week in Bellefonte and with her uncle, Rev. M. J. Runyan, at Snow Shoe.

Horace Hunter's daughter, Helen, had an operation for appendicitis at the Altoona hospital several weeks ago.

Mr. Smith, who has been working for the Silica Brick Co., at Port Matilda, has returned to town and will farm for Benner Wilson this summer.

The farmers have had a chance to let the plow and harrow rest since the heavy rains of last week, while they finish the chores about the house and barn.

Joseph Matern, of Philadelphia, who is just home from France, visited his sister, Miss Miriam Matern, and aunt, Miss Nannie Gray, last week.

Carl Grossman, of Cleveland, Ohio, recently returned from France, is visiting his niece, Miss Helen Burket. He delighted the audience at the Methodist church Sunday night with several violin solos.
