

Bellefonte, Pa., May 30, 1919.

NEWS ABOUT TOWN AND COUNTY.

See Charlie Chaplin in one of the big 4-re-issues from Essany at the Lyric tomorrow night. 22-1t

Contractor R. B. Taylor got his small steam roller this week and is now at work laying the brick on the Willowbank street highway.

Mrs. J. T. Garthoff was taken to the Bellefonte hospital Saturday, for treatment, but there has been no perceptible improvement in her condition during the week.

The fourteenth annual reunion of the Eberhart family will be held at Brook Park, Lewisburg, on Thursday, June 5th, 1919. All members and friends of the family are cordially invited.

Those who have seen "Mickey" aver it is one of the best motion pictures of the present day. This picture will be shown at the Pastime theatre, State College, next Tuesday, June 3rd. See advertisement elsewhere.

The Wyoming Valley Seminary baseball team will be the Bellefonte Academy's opponents on Hughes field at 3:30 o'clock this (Friday) afternoon. It will be a game worth looking at. Go out and see it. Admission, 25 cents.

The "Fads and Follies" company opened a three night's engagement at Garman's opera house last night. If you failed to see the first night's performance you can see them tonight, as a different play will be given each evening.

In the centenary fund campaign for missions in the Methodist Episcopal churches of the United States the Bellefonte Methodist church has reported \$3,500; Howard, \$1,987.77; Milesburg and Unionville, \$519, and Snow Shoe, \$1,035.

In placing his announcement as a candidate for County Commissioner this week Burdine Butler called attention to the fact that Howard township has not had a county officer for about thirty years, and now will be an auspicious time to give it one.

Announcement has been made of the marriage of Robert Cummings McNitt, of Redsville, and Miss Florence Billmeyer Vincent, a daughter of Mr. and Mrs. Thaddeus Stevens Vincent, the wedding having taken place at the home of the bride's parents at Doylstown, on Saturday, May 3rd.

While aiding in decorating the opera house for the Academy minstrels, Thursday of last week, Mrs. Frank Warfield stepped off the stage floor into a shallow well of the stairs, breaking two ribs and badly bruising herself otherwise. Mrs. Warfield was taken directly to her sister's, Dr. Edith Schad, where she is slowly recovering from the effects of her fall.

Manager T. Clayton Brown has some good pictures booked for exhibition at the scenic in the near future. In fact the scenic program this week was an exceptionally good one, but better and bigger pictures are promised for the near future. Watch the programs closely for the nightly offerings, or become a regular attendant then you will be sure not to miss anything good.

While Guy A. Shuey, of State College, failed to win the grand prize or even an automobile in the Philadelphia North American salesmanship club campaign he was lucky enough to be one of the fifteen to win a cash prize of \$100, which will repay in part the strenuous efforts put forth to secure subscribers to the Philadelphia paper. And he has the satisfaction of knowing that he is the only Centre county man who got anything out of the contest.

The Rev. William H. Schoch delivered a most excellent discourse in St. John's Lutheran church Sunday morning. Away back in '62-'65 he served St. John's congregation as pastor. Those were the days when the church here was practically in its infancy. Notwithstanding that Mr. Schoch has passed the three-score and ten years allotted to man, his voice is yet strong, and the gospel truths that fell from his lips were given with a firmness that bespoke the power of his eloquence of past days. His home is in Lilly, this State.

On Tuesday Willis E. Wion was notified that there was a car of automobiles at the freight station for him, the car containing a Nash sedan, ordered by S. Ward Granley, of Millheim, and a Nash touring car for the Breen garage, of Millheim. The cars had been ordered by Mr. Breen and consigned to Mr. Wion for convenience and Mr. Breen was promptly notified that the cars were here. Consequently he delegated Mr. Granley to come to Bellefonte and lift them and when that gentlemen got here, paid the freight bill, etc., the car was opened and what a sight the cars inside presented. They had been stripped of tires, headlights, storage batteries, generators, horns, speedometers and clocks, and even two plate glass windows in the rear of one of the cars removed. An estimate placed the value of the accessories removed at about \$800. The peculiar thing in connection with the robbery is that the railroad car was sealed with a railroad seal which looks as if the man who despoiled the car was in some way connected with that organization. Naturally the consignees refused to take the cars and at once got into communication with the Nash factory, but finally some arrangement was made whereby the cars were unloaded and hauled on trucks to the Wion garage.

BIG WELCOME FOR SOLDIERS. Elaborate Preparations Being Made for June 26th and 27th.

Everything in the nature of preliminary arrangements for the big welcome home the people of Centre county will give to the returned soldier boys in Bellefonte on June 26th and 27th has progressed to that extent that it is sure to be one of the biggest gatherings of patriotic citizens ever seen in the county seat, not even excepting Old Home week. Every day many inquiries are received from people throughout the county as to how the affair is progressing and every man and woman is assured that the big time will be held as scheduled and they should so arrange their affairs that they can get here without fail. It will not only be a big time but an epoch in the history of Centre county that will never occur again.

Another enthusiastic meeting of the executive committee was held on Monday evening, presided over by Judge Quigley. In the line of progress Mr. J. Will Conley, of the Finance committee, reported that he had practically \$3,000 pledged so far and \$751 paid in. So far very few districts throughout the county have been heard from. In fact outside of \$60 from Aaronsburg, \$18.65 from Potters Mills and less than one hundred dollars from one or two other places reports are very slow in coming in from the county. But Mr. Conley averred that he had every confidence in his committee making good.

While Mr. Harris, of the Entertainment committee, was not present other members reported that he had practically made all arrangements necessary to take care of every soldier boy of Centre county, free of charge, who will come to Bellefonte at that time. This will include meals while here and the one night's lodging.

Mr. Bower, of the Decoration committee, reported that he had entered into a contract with J. M. Nichols for the street decorations as per plans presented at the last meeting of the committee, which will include the business section of the town, the armory and two fire company buildings. Mr. Nichols will probably come here next week and be here until his work is done. The above contract will not include any private decorations, all such will have to be arranged for by individuals.

Mr. Holmes, of the Speaker's committee, reported that so far they had arranged for only the one meeting, that on Thursday evening, and they had selected as the man to preside Burgess W. Harrison Walker, with Judge Quigley to make the address of welcome and Major Theodore Davis Boal the response.

Mr. Hunter, of the Parade committee, stated that he was working out his schedule carefully but until he knew definitely what organizations would be here he could not complete his program. Regarding the inviting of civic and fraternal societies to join in the parade it was decided to issue a general invitation to the various organizations in the county to join if they wished to do so, but notice must be given to Mr. Hunter to that effect within the next week or ten days.

Sentiment of the committee was divided on the advisability of attempting to have a memorial meeting for those soldiers killed or who died in service, or the best way to pay respect to them in the big parade, and the matter was laid on the table for this time being.

The Amusement committee was instructed to invite the Phillipsburg baseball team to come to Bellefonte for the big time and play two or more championship games with a team to be picked from the local Red Cross league. This ought to offer some exciting sport as Bellefonters believe they have enough good baseball timber here to lick anything Phillipsburg can trot out.

Inasmuch as there has been various inquiries from out of town people as to railroad accommodations for that time chairman Quigley appointed W. T. Kelly chairman of a Transportation committee to see what arrangements can be made and report at the next meeting.

Chairman Quigley stated that he had been approached by representatives of the various churches of the town and W. C. T. U. regarding the likelihood of immoral shows and gambling devices being brought here by the carnival company and he had given them assurance that no such shows and no gambling will be tolerated. There will be lots of clean amusement, however, so that everybody will have plenty to keep them occupied during every minute of the time they are here.

And in this connection it might be stated that the Red Cross and other local organizations will see to it that rest rooms are provided for women and children and every arrangement will be made for their comfort while here.

The next meeting of the committee will be held on Friday, June 6th, at 8 o'clock p. m.

Additions to Finance Committee.

Chairman J. Will Conley has appointed the following gentlemen in Phillipsburg and Rush township as members of the Finance committee to raise funds for Centre county's welcome home to its soldiers, and they are already hard at work raising money:

- Phillipsburg—J. Frank Kephart, chairman; Roy Wilkinson, Frank W. Grebe, Robert B. Stauffer and Harry Ratosowsky. Osceola Mills—William Woods. Munson—Laurence Nugent. Cold Stream—Thomas R. Dubbs. Sandy Ridge—Allen G. Rumberger.

Booming W. S. S.

District chairman W. Harrison Walker held his second conference in Group 3 at the Lock Haven Normal school last Friday. County chairmen were present from Centre, Clinton, Elk, Lycoming, McKean and Montour counties. Representing the public schools of Centre county was F. Milford Pletcher, assistant county superintendent, and in addition Centre county was represented by the following district chairmen: George Glenn, of State College; S. W. Smith and Jacob Sharer, of Centre Hall; Frank A. Carson, of Potters Mills; L. A. McDowell, of Snow Shoe; Roy R. Rowles, of Phillipsburg; Rev. J. F. Cobb, of Sandy Ridge, and O. P. If you want to see REEL up-to-date motion pictures go to the Lyric. 22-1t

Red Cross Baseball League.

Table with columns: North ward, South ward, West ward, Won, Lost, P. C.

The much-vaunted South ward baseball team has struck its stride, through the aid of the masterly pitching of Henry Montgomery, who struck out ten men in Tuesday evening's game when they defeated the North ward team 9 to 2. It was a good game to watch, for the South ward rooters, and naturally they made the most of their team's good playing.

This evening they will have a chance to test their metal against the Milesburg team. As this will be the first appearance of the Milesburg team in the race the game should attract a big crowd, as it will afford an opportunity to see what kind of players Milesburg is putting up. It is no secret that they have developed good ball players in that place in past years and there is every possibility that some of the new timber down there may prove rather stiff to buck up against. At any rate, go out this evening and see for yourself. Admission will be 10 cents.

In another column of today's paper James E. Solt, the crippled shoemaker of south Allegheny street, announces himself as a candidate for the nomination for poor overseer of Bellefonte borough, and asks the support of the Democratic voters.

Horse Killed on High Street Crossing.

Driving onto the railroad in front of the incoming 10-07 train on Tuesday morning, Ira Confer, of Yarnell, lost a good horse which was hit by the locomotive and killed; and had it not been for one of the gang of workmen engaged in putting new plank on the crossing the accident might have had more tragic results.

Mr. Confer had been at the Potter-Hoy warehouse and drove up Railroad street, with a big truck following him closely. A draft of freight cars stood on the siding, but the distance from the cars to High street was easily sixty feet. The watchman on the crossing blew his whistle as a signal to Mr. Confer to stop and even called to him, but he avers that that gentleman was looking back at the big truck, apparently more apprehensive of it running into him than he was of the danger of the crossing. The result was he drove right onto the track when one of the workmen grabbed the offside horse and jerked him back and around to the right, hoping to get the team out of danger, but the locomotive caught the nearside horse on the hip, knocked him down and dragged him about fifty feet, killing him instantly. Mr. Confer and the other horse escaped injury and the wagon was not damaged except for a broken tongue.

Serious Auto Accident at Pleasant Gap.

Wednesday evening Chester Heisey, who is employed by the Beatty Motor company, in this place, arrived at his home in Pleasant Gap in a remodeled Ford which he had just purchased. George Hile, of Pleasant Gap, had his little brown Metz there and a discussion as to the merits of the cars followed.

Then Heisey stepped into the Metz and started down the pike to try it. It is a fast little car and Heisey was getting nearly all there was in it. Hile and a companion, Millard Shreffler, jumped into the Ford and started after Heisey. Of course the Ford wasn't in it in the race and Hile didn't understand Fords very well for when he reached the road leading to the Whiterock plant he hit a ditch, flew into the air and the car actually rolled over and over sideways the entire length of a lot, finally coming to rest with the wheels in the air.

It was literally smashed to bits, three of the wheels being little more than splinters. Fortunately the top was down, else its occupants would have been killed. As it was Hile suffered a broken wrist, a compound fracture of the elbow and his face was hacked and cut until it is feared he will be disfigured for life. Shreffler had two ribs broken, was scratched and bruised, but suffered no serious injury.

Heisey heard the crash and looking back while running at high speed lost control of the Metz and ran it into the ditch, though it suffered little damage.

THE ACADEMY MINSTRELS Scored a Big Success Three Nights Last Week.

The Bellefonte Academy minstrels, under the masterly leadership of Boyd C. Farshall Jr., of Washington, Pa., an Academy student, eclipsed all previous efforts and delighted large audiences on Thursday, Friday and Saturday evenings of last week in Garman's opera house. The novel opening with the whistling chorus, individual flashlights and reveille call won rounds of applause. The music and jokes were unusually clever and met a hearty response from the enthusiastic audiences.

Our local boys, Tom Hayes and Jack Montgomery, made great hits with their songs and dances, while the premier ends, McCreedy and Cochran, were very much of a professional calibre. Manning, Stoltz, Richelson and Biehe were also excellent. The swing song when Schoff sang "I've Found the End of the Rainbow" to Billy Griffin, made up as a beautiful girl, was a pretty feature of the program. The ballad singers all made a wonderful impression upon their hearers by the way they conceived and rendered their songs. Reilly and Dobbins proved themselves geniuses with the banjo mandolins.

Perhaps the greatest and most pleasing surprise of all the surprises was the singing and dancing of Misses Beulah Harkness and Ruth Hughes, two very charming young ladies from Mansfield Normal school, who accepted Mr. Hughes' invitation to help make the minstrels a success. The friends of the Bellefonte hospital, as a benefit of which the minstrels were given, owe these young ladies a vote of thanks for their generous co-operation. May they come and sing and dance again.

Special mention should be made of Mr. Charles Arnold, a student from Bellefontaine, Ohio, whose ease and dignity in the role of interlocutor would have done credit to the best minstrel troupe on the road. The playing of the Academy orchestra was a real treat.

As a result of the minstrels the hospital will receive a very substantial benefit, as the gross receipts for the three nights entertainment were just \$642.80.

Among the many guests from a distance who came to attend the minstrels, dance and ball game with the Susquehanna University, which resulted in a victory for the Academy by a score of 6 to 2, were Mr. and Mrs. R. H. Corman and Miss Emma Miller, of Uniontown; Mrs. Gertrude Lexahan, Washington, D. C.; Mrs. Julia Moore, Boston, Mass.; Mr. and Mrs. F. E. Craig, the Misses Dorothy and Mary E. Craig, Mr. J. W. Cherry, Mr. and Mrs. Robert A. Sheets and Mr. and Mrs. George Schroeder, all of Pittsburgh; Miss Mildred Mohr, Philadelphia; Miss Helen Curley, Camden, N. J.; Mrs. F. T. Lawrence and Miss Z. M. Lawrence, Jersey City, N. J.; Mrs. Harry Montgomery and son George, of Kittanning; Mrs. I. A. Shoff and Miss Janet A. Humes, of Tarentum; Mrs. John Richelson and son Mark, Miss Dorothy Robbins and Miss Freda Johnson, of Bradford; Mrs. James M. McIntyre and Mrs. C. W. Barton, Six Mile Run; Mrs. Margaret K. Hames and Miss Gladys Johnston, of Towanda; Mr. and Mrs. Edward Bigley and daughter Martha and Mr. and Mrs. Lawrence Ryan, Altoona; Mr. and Mrs. Boyd Parshall, Mrs. D. F. Werling and Homer M. Craig, Washington, Pa.; Miss Ruth Hughes, Scranton, and Miss Beulah Harkness, Wellsboro.

Mickey, the Sensational Hit of the Season.

Perhaps the most sensational motion picture production made in the past three or four years is that of "Mickey," which comes to the Pastime theatre, State College, on Tuesday, June 3rd, showing both matinee and night performances. Mickey is described as the most realistic interpretation ever brought to the screen, the leading role being played by Miss Mabel Normand, a great favorite with those who are familiar with the great stars of the present day. Mickey is, as it is said, full of love, pathos, comedy, thrills, n' everything. In Mickey there is a horse race which is the best ever produced. The production is photographically perfect and shows the big race from start to finish, which calls for uncontrolled applause and cheering from those who sit in front of the screen watching this wonderful mute performance. Mickey will dig a deep hole in the hearts of all who see her and you will want to see it again and again. You have sung Mickey, danced Mickey, now see Mickey, truly the picture that you will never forget," at the Pastime.

The people of State College and vicinity certainly have the advantage of good picture shows and today and tomorrow will be favored in seeing that wonderfully emotional actress Nazimova in "The Red Lantern," one of the greatest motion pictures ever produced, which will be shown at the Pastime theatre. Wonderful in its conception, this story of the yellow and white races is full of heartthrobs, and is portrayed with a lavish magnificence and an Oriental splendor that fascinates and astounds the audience. People of Bellefonte should take advantage of this opportunity to motor to the College and see this picture, which will be shown there before being put on exhibition in either Philadelphia or Pittsburgh.
