And pies— um-m-m-m-m!

The long blue chimney burner will not smoke up cooking utensils

YOU can bake perfect pies with a New Perfection Oil Cook Stove and Oven. The long blue chimney burner enables you to regulate the heat to the exact temperature required and the flame stays where it is set without "creeping up". You know how important that is in baking.

The long blue chimney burner gives a high searing or low simmering flame as desired. You use just the correct heat for whatever you are preparing. Economy, as well as better cooking.

NEW PERFECTION OIL COOK-STOVES

Heat is evenly distributed over the bottom of pots and pans. There is no smoke or smell. Your dealer will gladly demonstrate the superiority of the long blue chimney burner, an exclusive feature of New Perfection Stoves.

For the highest efficiency, use Atlantic Rayolight Oil in your New Perfection. Highly refined and purified but costs no more than ordinary nameless kerosene.
