Other Important Business Brought Before Borough Council on Monday Evening.

In carrying out the provisions of the ordinance passed at the last meeted his family from Bellefonte to Ju- ing of Bellefonte borough council niata where he and his brother Frank providing for the election of a borough manager at a salary of \$1,800 per annum to take charge of all borough affairs, James D. Seibert, who resigned as councilman from the South ward, was elected at the regular meeting on Monday evening to serve in that capacity until the first Monday in January, 1920, or until his successor has been elected and qualified for office. Mr. Seibert was the only applicant and received the votes of the five members present, namely: President Walker, Cunningham, Fau- after the passage and approval of ble, Flack and Richard, which constituted a majority of council. When council convened Col. W. Fred Reynolds appeared and verbally offered council the right to cancel its contract on the Phoenix pumping station, giving as his reason for so doing the fact that he had an offer for the purchase of the mill from C. Y. Wagner, who desired to purchase the same, equip and operate it as a flouring mill. Col. Reynolds stated, however, that he recognized the borough's rights and position in the matter and would naturally yield to whatever action might be taken in the matter. The borough's lease has four more years to run and there is also a stipulation that council shall have the right to release for another period of ten years, if so desired, or may purchase the plant outright. asked if the price he was offered was a secret Col. Reynolds stated that it was not, as the same had been fixed on a basis of the revenue he was now receiving from the mill, and was \$25,000. Inasmuch as the Colonel's statement came to council without an inkling of it beforehand it was decided that the matter was of such a nature as to demand serious consideration, and it was referred to the Special committee for investigation and
